The Education Work of Richard Lovell Edgeworth, Irish Educator and Inventor, 1744-1817 Tony Lyons, 2003 A comprehensive review and analysis of the educational writings of Richard Lovell Edgeworth It deals with the formation of Edgeworth's educational ideas focusing in particular on morality Edgeworthian psychology the principle of association the role of the imagination and more [Educational Resources in the British Empire](#) Tony Lyons, Noel Moloney, 2019-02-21 This book explores the impact of the Lesson Books of the National Board of Education in Ireland in the nineteenth century The author contextualizes the books used in national schools as well as across the wider British Empire in doing so he highlights the influence of the religious social political and cultural realms of the time Firmly grounding the volume in its historical context the author goes on to explore the contemporary moral climate and social influences including imperialism morality rote learning and socialization Through meticulous analysis of each Lesson Book the author traces the evolution of education in Ireland as a reflection of contemporary society as it changes and transforms in line with cultural religious and social changes This pioneering and comprehensive volume will be of interest and value to students and scholars of education in Ireland as well as education in the British Empire more widely [The Development of Infant Education in Ireland, 1838-1948](#) Maura O'Connor, 2010 This is a historical analysis of the development of infant education in Ireland It spans the the period from the opening of the Model Infant School in Marlborough Street Dublin to the introduction of the child centred curriculum for infant classes in 1948 **Ascendancy Women and Elementary Education in Ireland** Eilís O'Sullivan, 2017-06-30 This book outlines the lives of six female members of the Irish Ascendancy and describes their involvement with educational provision for poor children in Ireland at the end of the long eighteenth century It argues that these women were moved by empathy and by a sense of duty and that they were motivated by political considerations pragmatism and especially religious belief The book highlights the women's agency and locates their contribution in international and literary contexts and by exploring sources and evidence not previously considered it generates an enhanced understanding of Ascendancy women's involvement with the provision of elementary education for poor Irish children This book will appeal to scholars and researchers in the fields of Education and History of Education It will also have broad appeal for those interested in Gender and Women's Studies in Georgian Ireland and in the history of Ascendancy families and estates **Imagining the Irish child** Jarlath Killeen, 2023-02-07 This book examines the ways in which ideas about children childhood and Ireland changed together in Irish Protestant writing of the seventeenth and eighteenth centuries It focuses on different varieties of the child found in the work of a range of Irish Protestant writers theologians philosophers educationalists politicians and parents from the early seventeenth century up to the outbreak of the 1798 Rebellion The book is structured around a detailed examination of six versions of the child the evil child the vulnerable innocent child the political child the believing child the enlightened child and the freakish child It traces these versions across a wide range of

genres fiction sermons political pamphlets letters educational treatises histories catechisms and children s bibles showing how concepts of childhood related to debates about Irish nationality politics and history across these two centuries

Francis Ysidro Edgeworth Lluís Barba, 2010-01-01 This is a welcome biography of Edgeworth Peter Groenewegen Economic History Review Barba s book is bound to become the bibliographical reference on Edgeworth Alberto Baccini Storia del Pensiero Economico This biography is especially welcome in providing a considerable amount of fresh information about Edgeworth s life and background From the preface by John Creedy University of Melbourne Australia Lluís Barba has recreated the background and life of Francis Ysidro Edgeworth through a fascinating reconstruction that succeeds in shaping the first detailed biography ever published of this major economist and statistician Originating from previously unexplored letters and documents stored in archives and registers in Ireland England and Catalonia Edgeworth s relationships with his academic fellows including Sully Jevons Marshall Galton Pearson Walras Pantaleoni Fisher Pareto Keynes are meticulously depicted Stemming from undiscovered primary sources this book also reveals a detailed insight into the academic world of the period 1875 1925 in the fields of economics and statistics With a descriptive survey of Edgeworth s work this book will prove a captivating read for academics and postgraduate students in economic analysis the history of economic thought and the history of statistics Anyone with an interest in Francis Ysidro Edgeworth s life should also read this book Mobilising Classics Fiona Dukelow, Orla O'Donovan, 2013-01-18 The terms patriarchy institutional racism sustainable development and alienation may be familiar but this familiarity is often removed from the analytical contexts in which these ideas emerged This book provides a series of rich reflections on the interaction between the radical ideas associated with these and other authors and political action in Ireland The classic texts that comprise the focal point for each chapter were selected by the contributors many of whom straddle the boundaries of academia and activism Each essay provides an account of the contributor s personal encounters with the text opens up the key mobilising ideas and considers how the text has the potential invigorate the political imagination of contemporary oppositional politics This book will be of interest to students in the social sciences especially sociology and Irish studies and will appeal to those interested or involved in political activism of any variety **A Dictionary of Educational Biography** Charles William Bardeen, 1901 The Prime of Life Steven Mintz, 2015-04-07 By drawing on 400 years of social and economic history the book presents a thoughtful and thorough guide through the life stages Library Journal Adulthood today is undergoing profound transformations Men and women wait until their thirties to marry have children and establish full time careers occupying a prolonged period in which they are no longer adolescents but still lack the traditional emblems of adult identity People at midlife struggle to sustain relationships with friends and partners to achieve fulfilling careers to raise their children successfully and to age gracefully The Prime of Life puts today s challenges into new perspective by exploring how past generations navigated the passage to maturity Whereas adulthood once meant culturally prescribed roles and relationships the social and economic convulsions of the last sixty years

have transformed it fundamentally tearing up these shared scripts and leaving adults to fashion meaning and coherence in an increasingly individualistic culture Emphasizing adulthood s joys and fulfillments as well as its frustrations and regrets Mintz shows how cultural and historical circumstances have consistently reshaped what it means to be a grown up in contemporary society A triumph of historical writing The Spectator Mintz s message that there are many ways to wear the mantle of responsible adulthood and that the 1950s model is a mere blip on history s radar is deeply necessary and long overdue New York Times Book Review Describing the cultural economic and social changes from the Colonial era to today s world Mintz argues that neither religious nor secular middle class values are adequate responses to the new generation s problems
