CCNE 1-8: The mission, goals, and expected student outcomes are reviewed periodically and revised, as appropriate, to reflect professional standards and guidelines and the needs and expectations of the community of interest. Elaboration: There is a defined process for periodic review and revision of program mission, goals, and expected student outcomes. The review process has been implemented and resultant action reflects professional nursing standards and guidelines. The community of interest is defined by the nursing unit. The needs and expectations of the community of interest are reflected in the mission, goals, and expected student outcomes. Input from the community of interest is used to foster program improvement. The program afforded the community of interest the opportunity to submit third-party comments to CCNE, in accordance with accreditation procedures. (See Macro environment.)
