Educational Psychology Windows On Classrooms:

Educational Psychology Paul D. Eggen, Donald P. Kauchak, 2012 Educational Psychology Windows on Classrooms Ninth Edition will help you increase student learning and development. It is the most applied book in the field. If you're looking for a book that gives you a sound theoretical and research-based foundation and then provides specific and concrete illustrations and guidelines for applying this theory and research with your students, this is the book for you. The book uses an integrated case approach. Each chapter begins with a case study taken from actual classroom practice. But instead of stopping there, Eggen and Kauchak then weave the case throughout each chapter, extracting specific illustrations from it and in some instances even taking dialogue from the lesson to illustrate classroom applications of sometimes abstract and hard to understand theory and research.

Educational Psychology Paul D. Eggen, Donald P. Kauchak, 2004 Revised and expanded this new edition examines every educational psychology theory, learning, motivation, and development, and every pertinent concept through the viewpoint of the teacher. The authors' hallmark cases in both written and videotape format and introduce real-world applications.

Educational Psychology Paul D. Eggen, Donald P. Kauchak, 2007 For courses in Introduction to Educational Psychology. Long recognized as very applied and practical, Eggen and Kauchak's *Educational Psychology Windows on Classrooms* seventh edition is now even more applied and concise, giving students exactly what they need to know in the course. The authors' hallmark cases remain in both written and videotape format to introduce real-world applications in a way that no other text can. Along with expanded applications to diversity, urban, suburban, and rural areas, technology, and a new pedagogical system that completely restructures how information is delivered in the book, and will help students really understand what they should be getting out of every single chapter. The text now comes with two new DVDs of video material and an access code for the new Teacher Prep Website that will be automatically shrinkwrapped with all new copies of the text. *Educational Psychology Windows on Classrooms* once again truly fulfills the promise of its title, giving students a window on the classrooms in which they will someday teach.

Educational Psychology Paul D. Eggen, Donald P. Kauchak, 2006-05-01 For courses in Introduction to Educational Psychology. Long recognized as very applied and practical, Eggen and Kauchak's *Educational Psychology Windows on Classrooms* seventh edition is now even more applied and concise, giving students exactly what they need to know in the course. The authors' hallmark cases remain in both written and videotape format to introduce real-world applications in a way that no other text can. Along with expanded applications to diversity, urban, suburban, and rural areas, technology, and a new pedagogical system that completely restructures how information is delivered in the book, and will help students really understand what they should be getting out of every single chapter. The text now comes with two new DVDs of video material and an access code for the new Teacher Prep Website that will be automatically shrinkwrapped with all new copies of the text. *Educational Psychology Windows on Classrooms* once again truly fulfills the promise of its title, giving students a window on the classrooms in which they will someday teach.

Educational Psychology Windows on Classrooms Eighth Edition provides future teachers with the practical and hands on solutions they and their students urgently need. Long recognized as very applied and practical, Eggen and Kauchak's Educational Psychology Windows on Classrooms eighth edition gives students exactly what they need to know in the intro to Ed Psych course. The author's hallmark cases remain both in written and video format to introduce real world applications in a way that no other text can. Along with new guidelines for applying theory to practice, the eighth edition provides extensive coverage of diversity and illustrations of how to appropriately align instruction to individual needs. Educational Psychology Windows on Classrooms once again truly fulfills the promise of its title, giving students a window on the classrooms in which they will someday teach. Educational Psychology Paul Eggen, Don Kauchak, 2015-01-03. NOTE: Used books, rentals, and purchases made outside of Pearson. If purchasing or renting from companies other than Pearson, the access codes for the Enhanced Pearson eText may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. This access code card provides access to the Enhanced Pearson eText. Case-based, balanced, and applied, this significantly revised Tenth Edition focuses on applying theories and research in educational psychology to an educator's work in the classroom. Using an integrated case approach, authors Eggen and Kauchak begin each chapter with a case study taken from actual classroom practice and then weave the case throughout the chapter, extracting specific illustrations and, in some instances, using dialogue directly from the case to emphasize the application of chapter content to the classroom setting. Many additional concrete examples taken from both classrooms and daily living further illustrate the content of each chapter in a comprehensive and approachable manner. The Enhanced Pearson eText features embedded video assessments and Preparing for Your Licensure Exam assessments. Improve mastery and retention with the Enhanced Pearson eText. This access code card provides access to the new Enhanced Pearson eText, a rich interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is Engaging. The new interactive multimedia learning features were developed by the authors and other subject matter experts to deepen and enrich the learning experience. Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad R and Android R tablet. Affordable.
