OECD

European Disability Benefit Policy Progressing Towards Efficiency Public Policy And Social Welfare:

The Review of Economic Performance and Social Progress Keith G. Banting, Andrew Sharpe, France St-Hilaire, 2001

The chapters in this volume provide experts views of specific dimensions of the economic social developments in Canada during the 1990s The chapters are organized into four sections dealing with basic concepts the public view of economic social trends changes in key public policies and outcomes in terms of the economic social environmental record of the 1990s Specific topics covered include the concept of social progress defining measuring social progress monetary policy the relationship between social capital the economy unemployment deficit elimination fiscal policy trade liberalization income security policy income distribution labour market outcomes child well being and economic growth environmental degradation

The Future of Welfare in a Global Europe Bernd Marin, 2017-03-02 What is the future of welfare in Europe The

European welfare state is generally considered to be one of the finest achievements of the post 1945 world Set up to eradicate poverty by providing a minimum standard of living and social safety net the welfare state has come under increasing strain from ageing societies growing unemployment a deskilling society and mass migration both from inside and outside of Europe With contribution from some of Europe s leading experts on this subject this path breaking volume highlights the internal and external pressures on the welfare state and asks whether any European welfare model is sustainable in the long term This book will be of interest to all students academics and professions working in the field of European social policy

The European Social Model in Crisis Daniel Vaughan-Whitehead, 2015-04-30 This is the first book to provide a comprehensive and systematic assessment of the impact of the crisis and austerity policies on all elements of the European Social Model This book assesses the situation in each individual EU member state on the basis

The Handbook of European Welfare Systems Sonja Blum, Johanna Kuhlmann, Klaus Schubert, 2009-12-16 This book provides the first comprehensive information and detailed data on the welfare systems of all twenty seven EU member states and offers the reader an invaluable introduction and basis for comparative welfare research The introductory chapter summarizes the actual debate about welfare states and welfare state regimes gives an overview on current welfare state research and analyses the main recent developments necessitating a new focus on European Welfare Systems The twenty seven chapters on the welfare systems of the member states are written on the basis of a common structure by experts from the individual states An additional chapter analyses the current social and welfare policies of the EU and focuses on the interplay and limits between European and national social policies Two concluding chapters provide a first comparative analysis on the basis of all twenty seven European Welfare Systems and b a theoretical reflection both arguing for and venturing the idea of politically limited pluralism in European welfare politics

The Role of the Court of Justice in EU Labour Law Silvia Rainone, 2023-05-17 In an unresolved ongoing debate the Court of Justice of the European Union CJEU is often included among the institutional actors responsible for the declining condition of labour law in Europe Has its case law been more

protective of employers interests than of workers rights This innovative book greatly enhances the discussion by bringing to light the judicial lawmaking logic other than those pertaining to the balancing of social and business values that drive the CJEU s reasoning in its interpretation of the labour law provisions enshrined in the European Union EU law with particular attention to the directive on transfer of undertakings Addressing fundamental issues such as uneven bargaining power labour as a commodity coexistence of workers rights and the market economy in the context of judicial lawmaking the author clearly defines the tensions at work What normative models underlie the approaches of EU institutional policymakers with respect to labour law Does the CJEU have its own vision of the socioeconomic model to which the Union should adhere How does the CJEU s interpretative approach stand in relation to the transformation processes that regulators impose on labour law Is the CJEU particularly attentive to the preferences expressed by national governments especially those from the most politically influential states or rather reflect the political pressure of the European Commission What is the role of trans judicial dynamics in shaping the CJEU s reasoning in labour law cases The study is extraordinarily thorough drawing on a wide range of policy documents scholarly and doctrinal research and the entire body of the CJEU s case law on transfer of undertakings The legal arguments that the CJEU has developed over the years are mapped and classified according to their affinity with the labour law functions that underlie them With its comprehensive assessment of the normative implications of EU policymaking in the labour and social domains its thorough exploration of the CJEU s judicial lawmaking dynamics and its extensive empirical legal analysis of the CJEU s case law on transfer of undertakings the book has no peers in revealing the forces that guide the CJEU s decisions in the realm of labour law Of particular value to scholars and researchers interested in EU social policies and constitutional law the book will also prove of immeasurable value to labour law practitioners aiming to use the case law of the CJEU as well as to in house counsel industrial relation specialists and trade unionists

The Review of Economic Performance and Social Progress 2002 Institute for Research on Public Policy, Centre for the Study of Living Standards, 2002 Topics covered include productivity concepts and trends government fiscal balances and environmental sustainability social determination of productivity demographics human capital and social diversity social policy inequality and productivity

The Routledge Companion to Disability and Work Oana Branzei, Anica Zeyen, 2024-12-30 The Routledge Companion to Disability and Work explores the realities faced by disabled individuals in the workplace and beyond Despite enduring stereotypes and prejudice disabled employees and entrepreneurs continue to achieve and thrive This Companion documents the history and future of disability organizing highlighting concerns of the world s largest minority over 1 billion people or 15% of the global population Inspired by the sunflower symbol for invisible disabilities this Companion sheds light on the unseen efforts undertaken by disabled people to combat ableism It delves into stories of employment entrepreneurship self advocacy activism and well being management Highlighting how disabled workers mobilize support fight for human rights respect and equality navigate the challenges of disclosure and intersectionality build

networks and foster inclusive environments it underscores the contributions of disabled individuals and their allies Authored by experts many with personal experiences of disability this Companion showcases the diverse types of work disabled people and their allies perform that go beyond the duties of their job roles It provides a robust foundation for understanding and advancing disability inclusion With global research the Companion broadens our understanding of the in visible challenges and triumphs of disabled people at work Celebrating disability pride and joy it offers insights into navigating biases stigma and discrimination The disability movement fueled by inequities in healthcare education accessibility and work deserves attention from business leaders This comprehensive guide is essential for students teachers and researchers looking to intersect disability and business paving the way for a more inclusive and equitable future **Taxation, Welfare, and the**

Crisis of Unemployment in Europe Marco Buti, Paolo Sestito, Hans Wijkander, 2001-01-01 The papers in this volume analyse the role of European tax and benefit systems in incentives to create and take up jobs The first section provides an overview of the issues relating to the trade off between equity and efficiency The second section describes the burden of taxation and the generosity of the welfare system in Europe Part three examines how to evaluate the effects of tax and welfare reforms and the final section looks at ways that tax can be used to deal with some structural problems The papers show that European policy makers face tough choices and that reforms are costly with complex trade offs Making

Security Social Greg Eghigian, 2000-06-29 Traces the preoccupation of the modern state with the risks and insecurities generated by industrial society *Combat Poverty Agency Pre-Budget Submission 1993: Building a Fairer Future* ,

Active ageing and solidarity between generations in Europe Axel Börsch-Supan, Martina Brandt, Howard Litwin, Guglielmo Weber, 2013-06-25 SHARE is an international survey designed to answer the societal challenges that face us due to rapid population ageing How do Europeans age Under which circumstances do older people and their families live how healthy and active are they and how did the crisis affect them The authors of this multidisciplinary book have taken a first step toward answering these questions based on the recent SHARE data including a new social networks module

Research Handbook on European Social Security Law Frans Pennings, Gijsbert Vonk, 2015-10-30 The Research Handbook on European Social Security Law critically examines the various European dimensions of social security The collection discusses a wide range of questions and dilemmas ensuing from the present state of European social security law whilst at the same time identifying future lines of inquiry that are likely to dominate the discourse in the coming years This Handbook encompasses numerous dimensions of European social security law including social security as a human right standard setting in social security the protection of mobile persons and migrants as well as the global context of European social security law It pays attention to both EU law and to various instruments of the Council of Europe Throughout the book s chapters prominent experts analyse contemporary debates discuss new challenges and point out further lines of research Via this exploration the Handbook provides a source of inspiration for the development of this special field of law Covering a

breadth of topic and research scholars and practitioners alike will find this Research Handbook to be an invaluable source of information

Competitiveness and Private Sector Development Competitiveness in South East Europe 2021 A Policy Outlook OECD,2021-07-05 The future sustainable economic development and well being of citizens in South East Europe depend on greater economic competitiveness Reinforcing the region s economic potential in a post COVID 19 context requires a holistic inclusive and growth oriented approach to policy making

Progress and Challenges of Nonfinancial Defined Contribution Pension Schemes Robert Holzmann,Edward Palmer,Robert Palacios,Stefano Sacchi,2019-10-21 The individual account based but unfunded approach to mandated public pension systems is a reform benchmark for all pension schemes promising fair and financially sustainable benefits Nonfinancial defined contribution NDC pension schemes originated in Italy and Sweden in the 1990s were then adopted by Latvia Norway and Poland envisaged but not implemented in various other countries such as Egypt and Russia and remain under discussion in many nations around the world such as China and France In its complete form the approach also comprises budget financed basic income provisions and mandated or voluntary funded provisions Volume 1 of this book offers an assessment of countries that were

early adopters before addressing key aspects of policy implementation and design review including how best to combine basic income provisions with an NDC scheme how to deal with heterogeneity in longevity and how to adjust NDC scheme design and labor market policies to deliver on reform expectations Volume 2 addresses a second set of issues including the gender pension gap and what family policies can do about it within the NDC framework labor market issues and administrative challenges of NDC schemes and how countries are coping the role of communication in these pension schemes the complexity of cross border pension taxation and much more Progress and Challenges of Nonfinancial Defined Contribution Pension Schemes is the third in a series of books analyzing the progress challenges and adjustment options of this reform revolution for mandated public pension systems Pension reform is a major issue in many countries The development of the nonfinancial defined contribution pension plan in the 90 s was a major advance in pension design By reporting actual country experiences and exploring properties of plan designs this latest collection of essays is a valuable contribution well worth reading Peter Diamond Professor at Massachusetts Institute of Technology 2010 winner of the Nobel Memorial Prize in Economic Sciences A highly stimulating publication for policy makers and researchers alike It pushes the analytical frontier for policy challenges that all public pension schemes are confronted with but that the nonfinancial defined contribution approach promises to handle best Noriyuki Takayama President Research Institute for Policies on Pension and Aging Tokyo and professor emeritus Hitotsubashi University Tokyo In a changing world where pensions are more than ever linked to labor markets communication tools and flexibility considerations this anthology provides a unique up to date analysis of nonfinancial defined contribution pension schemes By mixing international experiences and theoretical studies it demonstrates the high adaptability of such pension schemes to changing social challenges Pierre Devolder Professor of Finance and Actuarial Sciences Catholic University of Louvain Belgium Social Security Bulletin ,1996 *The Insurance Press* ,1918 *OECD Economic Surveys: Slovenia 2009* OECD,2009-07-01 This 2009 edition of OECD s periodic survey of Slovenia s economy includes chapters discussing restoring a sustainable growth path within the Monetary Union restoring public finances on a sustainable path and improving efficiency improving the
