### **European Yearbook Of Minority Issues 2002-2003:**

**European Yearbook of Minority Issues** European Centre for Minority Issues Staff, 2004 The European Yearbook of Minority Issues provides a critical and timely review of contemporary developments in minority majority relations in Europe It combines analysis commentary and documentation in relation to conflict management international legal developments and domestic legislation affecting minorities in Europe Part I contains scholarly articles and in 2002 3 features two special focus sections Belgium and New Minorities accompanied by a miscellaneous articles section Part II reviews the implementation of minority legislation and international standards at the universal and regional levels as well as new developments in relation to them and contains a list of international norms Apart from providing a unique annual overview of minority issues for both scholars and practitioners in this field the Yearbook will be an indispensable reference tool for libraries research institutes as well as governments and international organisations European Yearbook of Minority Issues, 2004

**Cambridge Yearbook of European Legal Studies Vol 5, 2002-2003** John Bell, Alan Dashwood, J R Spencer, Angela Ward, 2004-05 Scrutinizes issues in EU Law the law of the Council of Europe and Comparative Law which have come to the fore during the year preceding publication Translating in Linguistically Diverse Societies Gabriel González Núñez, 2016-09-09 This work is the first book length treatment on translation policy Nearly everywhere in the world populations are multilingual and mobile consequently language policies developed by the authorities must include choices about the use or non use of translation This book recognizes that these choices or the absence thereof become policies of their own in terms of translation It builds upon the work of scholars in the fields of translation studies and language planning and policy in order to develop a new theoretical perspective on translation policy In essence the book proposes that translation policy can be understood as the management practice and beliefs surrounding the use of translation The book deals with these issues under European and international law and then explores such management practice and beliefs in the UK as a case study Ultimately the reader can find a fuller appreciation of both the importance and complexity of translation policy

*Cyprus at the European Court of Human Rights* Costas Paraskeva, Eleni Meleagrou, 2022-06-20 The authors grapple with questions raised by the Court's reversal in its approach to the violations of the rights to home and property of Cypriot displaced persons resulting from the Turkish occupation of northern Cyprus In the 4th interstate application of Cyprus v Turkey the Court found Turkey in violation of the rights to home and property of hundreds of thousands of Greek Cypriot internally displaced persons resulting from the invasion and occupation of northern Cyprus Such findings were also firmly established in a handful of individual applications most prominent amongst which is the landmark case *Loizidou v Turkey* However a couple of decades following these judgments the findings of violations were jettisoned by the inadmissibility decision in *Demopoulos and others v Turkey*

**After Ethnic Conflict** Cvete Koneska, 2016-04-01 *After Ethnic Conflict Policy making in Post conflict Bosnia and Herzegovina and Macedonia* investigates how sensitive policy issues

can be resolved in the aftermath of war by investigating how political elites interact and make decisions in ethnically divided societies Focussing on the interactions between political elites and attempts to reach agreement across ethnic lines in Bosnia and Macedonia the book examines the impact that institutional factors can have on political actors and the decisions they make Examining domestic factors and external influence in politics Cvete Koneska identifies four key drivers of post conflict cooperation cross cutting identities minority veto powers territorial autonomy and informal practices to explain inter ethnic political accommodation By looking beyond the immediate post conflict landscape created by foreign peace negotiators and aid missions to the internal political process she shows the real reasons political actors cooperate and how competing ethnic tensions are reconciled following ethnic conflict Delving deeper into specific policy areas to compare successful and unsuccessful attempts at ethnic accommodation this book explores the factors behind the different policy outcomes that sustain or undermine peace and ethnic cooperation in ethnically divided societies **Political Autonomy and Divided Societies**

Alain-G Gagnon, Michael Keating, 2012-03-27 An all star cast of academic experts offer an important and timely analysis of the pursuit of autonomy They argue that it is key to move beyond the primarily normative debate about the rights or wrongs of autonomous regions on the basis of cultural concerns instead focusing on understanding what makes autonomy function successfully **The United Nations Declaration on Minorities** Ugo Caruso, Rainer Hofmann, 2015-03-31

Created in order to celebrate the 20th Anniversary of the United Nations Declaration on the Rights of Persons Belonging to National or Ethnic Religious and Linguistic Minorities 1992 2012 this publication aims to offer readers a comprehensive review written by a variety of scholars in the field of the value and impact of the standards formulated in the Declaration In so doing it hopes to stimulate attention for and debate around the Declaration and its principles The regional perspectives and case studies included further enable the identification of positive initiatives and good practices as well as persistent gaps in the implementation of the standards enshrined in the Declaration Conflict Resolution and Global Justice

Nikola Tomić, Ben Tonra, 2021-07-09 This book examines how the different normative foundations of conflict resolution held by various global actors their understandings of justice and the differences between types of conflict influence the varying means by which conflicts can be prevented managed and ultimately resolved By combining insights from political theory conflict studies and European Union EU foreign policy studies the book identifies the EU as the key case of a conflict manager that is both a product and a defender of a global liberal order It focuses on three aspects of conflict resolution that pose their own sets of both normative and empirical dilemmas resolving border disputes strengthening the resilience of weak or divided states and societies after regime change and intervention in humanitarian crises Furthermore it offers a comparative analysis between a potentially distinctive European approach and that of other global actors and reflects critically on situations where policy practice may not always reflect a concern for justice asking what countervailing forces prevail and why This book will be of key interest to scholars and students in European and EU Studies Area studies Conflict

Resolution War Studies EU Foreign Policy Political Theory International relations as well as policymakers **Law, Territory and Conflict Resolution** Matteo Nicolini, Francesco Palermo, Enrico Milano, 2016-05-02 Prompted by the de facto secession of Crimea in early 2014 Law Territory and Conflict Resolution explores the role of law in territorial disputes and therefore sheds light on the legal realities in territorial conflicts Seventeen scholars with backgrounds in comparative constitutional law and international law critically reflect on the well established assumption that law is part of the solution in territorial conflicts and ask whether the law cannot equally be part of the problem The volume examines theory practice legislation and jurisprudence from various case studies thus offering further insights on the following complex issue can law act as an effective instrument for the governance of territorial disputes and conflicts **Bosnia and the Destruction of Cultural Heritage** Helen Walasek, contributions by Richard Carlton, Amra Hadžimuhamedović, Valery Perry, Tina Wik, 2016-03-03 The massive intentional destruction of cultural heritage during the 1992 1995 Bosnian War targeting a historically diverse identity provoked global condemnation and became a seminal marker in the discourse on cultural heritage It prompted an urgent reassessment of how cultural property could be protected in times of conflict and led to a more definitive recognition in international humanitarian law that destruction of a people s cultural heritage is an aspect of genocide Yet surprisingly little has been published on the subject This wide ranging book provides the first comprehensive overview and critical analysis of the destruction of Bosnia Herzegovina s cultural heritage and its far reaching impact Scrutinizing the responses of the international community during the war including bodies like UNESCO and the Council of Europe the volume also analyses how after the conflict ended external agendas impinged on heritage reconstruction to the detriment of the broader peace process and refugee return It assesses implementation of Annex 8 of the Dayton Peace Agreement a unique attempt to address the devastation to Bosnia s cultural heritage and examines the treatment of war crimes involving cultural property at the International Criminal Tribunal for the former Yugoslavia ICTY With numerous case studies and plentiful illustrations this important volume considers questions which have moved to the foreground with the inclusion of cultural heritage preservation in discussions of the right to culture in human rights discourse and as a vital element of post conflict and development aid **The Assyrian Genocide** Hannibal Travis, 2017-07-20 For a brief period the attention of the international community has focused once again on the plight of religious minorities in Iraq Syria and Turkey In particular the abductions and massacres of Yezidis and Assyrians in the Sinjar Mosul Nineveh Plains Baghdad and Hasakah regions in 2007 2015 raised questions about the prevention of genocide This book while principally analyzing the Assyrian genocide of 1914 1925 and its implications for the culture and politics of the region also raises broader questions concerning the future of religious diversity in the Middle East It gathers and analyzes the findings of a broad spectrum of historical and scholarly works on Christian identities in the Middle East genocide studies international law and the politics of the late Ottoman Empire as well as the politics of the Ottomans British and Russian rivals for power in western Asia and the eastern

Mediterranean basin A key question the book raises is whether the fate of the Assyrians maps onto any of the concepts used within international law and diplomatic history to study genocide and group violence In this light the Assyrian genocide stands out as being several times larger in both absolute terms and relative to the size of the affected group than the Srebrenica genocide which is recognized by Turkey as well as by international tribunals and organizations Including its Armenian and Greek victims the Ottoman Christian Genocide rivals the Rwandan Bengali and Biafran genocides The book also aims to explore the impact of the genocide period of 1914 1925 on the development or partial unraveling of Assyrian group cohesion including aspirations to autonomy in the Assyrian areas of northern Iraq northwestern Iran and southeastern Turkey Scholars from around the world have collaborated to approach these research questions by reference to diplomatic and political archives international legal materials memoirs and literary works

*Numbers in India's Periphery* Ankush Agrawal, Vikas Kumar, 2020-10-29 This book analyses the quality of statistics such as geographic area census population and sample survey statistics in a developing country Using field interviews archival sources and secondary data covering the last seven decades it explores the shifting relations between various kinds of statistics over their lifecycles and charts their cradle to grave political career It uncovers a mutually constitutive relationship between data development and democracy and offers an exciting account of how government statistics are social artefacts dynamically shaped by political and economic factors The book also quantifies the impact of data quality on the statistics of interest to policy makers such as household consumption expenditure and federal transfers *Numbers in India's Periphery* makes a major contribution to the growing literature on the political economy of statistics in developing countries through a novel analysis of the shifting determinants of the nature of data in North East India

*Minority Accommodation through Territorial and Non-Territorial Autonomy* Tove H. Malloy, Francesco Palermo, 2015-10-08 *Minority Accommodation through Territorial and Non-Territorial Autonomy* explores the relationship between minority territory and autonomy and how it informs our understanding of non territorial autonomy NTA as a strategy for accommodating ethno cultural diversity in modern societies While territorial autonomy TA is defined by a claim to a certain territory NTA does not assume that it is derived from any particular right to territory allocated to groups that are dispersed among the majority while belonging to a certain self identified notion of group identity In seeking to understand the value of NTA as a public policy tool for social cohesion this volume critically dissects the autonomy arrangements of both NTA and TA and through a conceptual analysis and case study examination of the two models rethinks the viability of autonomy arrangements as institutions of diversity management This is the second volume in a five part series exploring the protection and representation of minorities through non territorial means examining this paradox within law and international relations with specific attention to non territorial autonomy NTA

*Double Standards Pertaining to Minority Protection* Kristin Henrard, 2010-10-05 While allegations of double standards are mostly voiced in relation to the EU this book takes a multidimensional approach to the use of differential standards concerning minorities and minority

protection Not only do academics from different disciplines contribute to the volume but the multidimensionality also resides in the fact that several international organisations active in the field of minority protection are included in the analysis Furthermore differential standards are also discussed in relation to the ongoing debate about the status and rights of new minorities Finally the challenge of protecting minorities and other vulnerable groups within minorities is addressed In the process the book revisits the fundamental tenets of minority protection as well as the basic rationale of the international organisations concerned
