European Immigrant Women In The United States A Biographical Dictionary

Judy Barrett Litoff, Judith McDonnell

European Immigrant Women In The United States A Biographical Dictionary:

European Immigrant Women in the United States Judy Barrett Litoff, Judith McDonnell, 1994-01-01 While European immigrant women in the U S as a group have received more academic attention than women from other regions of the world and more than native women of N America there has still been a tendency to deemphasize and even ignore their contributions to this country This book provides a new look at the experience of European immigrant women in the U S The collection is restricted to women who made their contributions to American society since the American Revolution and who are now deceased Many well known women are included in this volume as well as biographies of many lesser known women Annotated bibliographies included

European Immigrant Women in the United States Judy Barrett Litoff, Judith McDonnell, 1994

Notable American Women with Czechoslovak Roots Miloslav Rechcigl Jr., 2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role

Lamb's Biographical Dictionary of the United States John Howard Brown, 1899

The Biographical Dictionary of America, 1906

Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education Miloslav Rechcigl Jr., 2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates

NWSA Journal, 1999

New Women of the Old Faith Kathleen Sprows Cummings, 2009 Cummings highlights four women Chicago based journalist Margaret Buchanan Sullivan Sister Julia McGroarty SND founder of Trinity College in Washington D C one of the first Catholic women s colleges Philadelphia educator Sister Assisium McEvoy SSJ and Katherine Eleanor Conway a Boston

editor public figure and antisuffragist Cummings uses each woman's story to explore how debates over Catholic identity were intertwined with the renegotiation of American gender roles. By examining female power within Catholic religious communities and organizations she challenges the widespread assumption that women who were faithful members of a patriarchal church were incapable of pathbreaking work on behalf of women.

Czech It Out Miloslav Rechcigl Jr., 2015-07-23 *Czech It Out* Czech American Biography Sourcebook provides a wealth of information on a variety of sources relating to biographical information on notable Americans with Czech roots. Besides the national figures also included are information sources on significant individuals at the state, regional and local levels. Beyond that we saw it fit to also incorporate ethnic information sources which frequently contain a wealth of information on pioneer settlers and individuals active at the community level. Having in mind the interests of genealogists in individual families and their descendants a listing has also been provided on family histories and genealogies. Even though Czechs have been living in the US practically since colonial times no composite biographical dictionary exists about the accomplished Czech Americans. Biographical information about them is scattered in a plethora of sources which are difficult to find and some are not readily accessible. The present author who literally devoted several decades of his life to the study of Czech American history has canvassed hundreds of sources at national and local levels to identify not only notable individuals but also pioneer settlers who played a significant role in the growth and development of the US. This publication should fill a great void in literature until a comprehensive biographical compendium about Czech Americans has been written.

American Jews with Czechoslovak Roots Miloslav Rechcigl Jr., 2018-06-19 This is a pioneering comprehensive bibliography of existing publications relating to American Jews with ancestry in the former Czechoslovakia and its successor states the Czech and the Slovak Republics which has never before been attempted. Since only a few studies have been written on the subject the present work has been extended to include biobibliography in which area a plethora of papers and monographs exist. Consequently this compendium can also be viewed as a comprehensive listing of biographical sources relating to American Jews with the Czechoslovak roots. As the reader will find out they have been involved practically in every field of human endeavor in numbers that surprise. As for the definition of Jews the present work encompasses not only the individuals that have professed in Judaism but also the descendants of the former Jews who originally lived on the territory of the former Czechoslovakia regardless of the generation or where they were born.

Czech American Bibliography Miloslav Rechcigl, 2011-10-20 This is a comprehensive bibliography of publications relating to Czechs in America from the earliest time since the discovery of the New World to date covering their settlement, community life and their contributions to their host country. Although emphasis is on English titles including books as well as articles the relevant titles in Czech language have also been included particularly in those areas where there is a paucity of English titles. English translations of the Czech titles were normally placed in parentheses. To assure maximum utility the bibliography has been organized and classified into specific sectors by

subject Under most major headings general surveys are listed first followed by more specific categories which have in turn been subdivided into subcategories Individual entries in all sections are arranged chronologically Under most subject areas separate biographical sections were added comprising individuals of note in the respective fields Apart from providing information on just about every aspect of human endeavor it is hoped that it will induce serious students and scholars to do more work in areas that have not been adequately researched

Off-White Hollywood Diane Negra,2001-09-20 Off White Hollywood investigates how the ethnicity of white European American actresses has played a key role in the mythology of American identity and nation building Negra focuses on key stars of the silent Colleen Moore and Pola Negri classical Sonja Henie and Hedy Lamarr and post classical eras Marisa Tomei and Cher to demonstrate how each star illuminates aspects of ethnicity gender consumerism and class at work in American culture

Franklin Delano Roosevelt, Preserver of Spirit and Hope Barbara Bennett Peterson,2006 Franklin Delano Roosevelt was the thirty second president of the United States and served four consecutive terms the longest presidential administration in American history His resilience forbearance and superb political abilities establish Roosevelt as one of America s greatest leaders and he has been called the greatest president of the twentieth century for restoring confidence following the onset of the Great Depression and for winning World War II In both domestic and foreign policy FDR was an improviser rather than an ideologue Politically skilled from his days as a member of the New York senate and then as the Empire state s Governor he was elected to the presidency in 1932 1936 1940 and 1944 a testament to how his personal charm and astute New Deal programs resonated with Americans FDR was truly a national president who became an international leader and did not succumb to regionalism but united the continent President Roosevelt became the most influential leader in the world in his lifetime This book explores the man s life all the way from his youth to his final days

Women of Science John S. Croucher,2019-12-15 An investigation into the lives of some of the more remarkable women in the history of scientific discovery

The Twentieth Century Biographical Dictionary of Notable Americans ... ,1904 **Elizabeth Cady Stanton** Harriet Sigerman,2001-11-01 Brilliant stubborn and astonishingly far sighted Elizabeth Cady Stanton was the chief architect of the American women s movement Here Harriet Sigerman presents a fascinating profile of the woman who courageously campaigned for women s absolute right to social and political equality in the 1800s

Ancestors, Icons and Memories Barbara Bennett Peterson, *Ancestors Icons and Memories* is a family history of the Scottish Barclay clan that originated near Aberdeen Scotland and expanded in America through the Chatfields Bennetts Petersons McNeills and Eadies This fascinating book for everyone interested in writing their own family history offers genealogical resources family photos and discusses basic steps to begin writing your heritage Writing your personal family roots and recording familial accomplishments to tell your own story is the greatest gift you could ever give your children A great practical gift idea and one that keeps on giving as a model for your own family history s preparation research and writing

ARBA Guide to Subject Encyclopedias and Dictionaries Susan C. Awe,1997

Provides a selection of subject dictionaries and encyclopedias that would be useful in all types of libraries **Ourselves**

Alone Janet A. Nolan, 2021-10-21 In early April of 1888 sixteen year old Mary Ann Donovan stood alone on the quays of Queenstown in county Cork waiting to board a ship for Boston in far off America She was but one of almost 700 000 young usually unmarried women traveling alone who left their homes in Ireland during the late nineteenth and early twentieth centuries in a move unprecedented in the annals of European emigration Using a wide variety of sources many of which appear here for the first time including personal reminiscences interviews oral histories letter and autobiographies as well as data from Irish and American census and emigration reports Janet Nolan makes a sustained analysis of this migration of a generation of young women that puts a new light on Irish social and economic history By the late nineteenth century changes in Irish life combined to make many young women unneeded in their households and communities rather than accept a marginal existence they elected to seek a better life in a new world often with the encouragement and help of a female relative who had already emigrated Mary Ann Donovan s journey was representative of thousands of journeys made by Irish women who could truly claim that they had seized control over their lives by themselves alone This book tells their story

Gender and Modernity in Central Europe Agatha Schwartz, 2010-10-27 At the end of the nineteenth century Austro Hungarian society was undergoing a significant re evaluation of gender roles and identities Debates on these issues revealed deep anxieties within the multi ethnic empire that did not resolve themselves with its dissolution in 1918 Concepts of gender and modernity as defined by the Habsburg Monarchy were modified by the conservative liberal radical right wing and Communist regimes that ruled the empire s successor states in the twentieth century While these values have taken on new dimensions again in the post Communist period the Habsburg Monarchy s influence on gender and modernity in Central Europe is still palpable With a truly interdisciplinary approach drawing on the fields of women s studies gender studies sociology history literature art and psychoanalysis that touches on a variety of subjects gender roles sexual identities misogyny painting writing minorities this volume explores the lasting impact of the Austro Hungarian Empire in contemporary Central Europe which is fraught with gender conflict and tension between modernist and anti modernist forces The Austro Hungarian Empire was a fascinating multi ethnic society Its experience and understanding of gender and modernity provides important relevant lessons for today s world as it becomes increasingly intercultural and as issues of identity become more and more complex Published in English

European Immigrant Women In The United States A Biographical Dictionary Introduction

In today's digital age, the availability of European Immigrant Women In The United States A Biographical Dictionary books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of European Immigrant Women In The United States A Biographical Dictionary books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of European Immigrant Women In The United States A Biographical Dictionary books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing European Immigrant Women In The United States A Biographical Dictionary versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, European Immigrant Women In The United States A Biographical Dictionary books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing European Immigrant Women In The United States A Biographical Dictionary books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for European Immigrant Women In The United States A Biographical Dictionary books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for

a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, European Immigrant Women In The United States A Biographical Dictionary books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of European Immigrant Women In The United States A Biographical Dictionary books and manuals for download and embark on your journey of knowledge?

FAQs About European Immigrant Women In The United States A Biographical Dictionary Books

1. Where can I buy European Immigrant Women In The United States A Biographical Dictionary books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a European Immigrant Women In The United States A Biographical Dictionary book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of European Immigrant Women In The United States A Biographical Dictionary books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are European Immigrant Women In The United States A Biographical Dictionary audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read European Immigrant Women In The United States A Biographical Dictionary books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
