criminal justice and development Handbook on Policing in Central and Eastern Europe Gorazd Meško, Charles B. Fields, Branko Lobnikar, Andrej Sotlar, 2013-04-16 Policing in Central and Eastern Europe has changed greatly since the fall of the Berlin Wall. Some Central and Eastern European countries are constituent members of the European Union while others have been trying to harmonize with the EU and international requirements for a more democratic policing and developments in accordance with Western European and international policing standards especially in regard to issues of legality and legitimacy. Changes in the police training system, basic and advanced internationalization of policing due to transnationalization of crime and deviance, new police organizational structures and agencies have impacted new cultures of policing from exclusively state to plural policing. This timely volume examines developments in the last two decades to learn the nature of these changes within Central and Eastern Europe and their impact on police culture as well as on society as a whole. The development of police research has varied widely throughout Central and Eastern Europe; in some countries it has developed significantly while in others it is still in its infancy. This work will allow for a transfer of ideas and models of police organization and policing, is also needed to be studied closely with an aim to provide consistent and comparable data across all of the countries discussed. For the twenty countries covered, this systematic work provides short country-based information on police organization and social control, crime and disorder trends in the last 20 years, with an emphasis on policing, police training and police educational systems, changes in policing in the last 20 years, police and the media, present trends in policing, public and private, multilateral, plural policing, policing urban and rural communities, recent research trends in research on policing, specificities of research on police and policing, researchers and the police, inclusion of police researchers in policy making and police practice, and future developments in policing.

Encyclopedia of Criminology J. Mitchell Miller, Richard A. Wright, 2013-12-17 This three-volume work offers a comprehensive review of the pivotal concepts, measures, theories, and practices that comprise criminology and criminal justice. No longer just a subtopic of sociology, criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology, political science, behavioral science, law, economics, public health, family studies, social work, and many others. The three-volume *Encyclopedia of Criminology* presents the latest research as well as the traditional topics which reflect the field's multidisciplinary nature in a single authoritative reference work. More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource. The pivotal concepts, measures, theories, and practices of the field are addressed with an emphasis on comparative criminology and criminal justice. While the primary focus of the work is on American criminology and contemporary criminal justice in the United States, extensive global coverage of other nations' justice systems is included, and the increasing international nature of crime is explored thoroughly. Providing the most up-to-date scholarship in addition to the traditional theories on criminology, the *Encyclopedia of Criminology* is the essential one-stop reference for students and scholars alike to explore the broad expanse of this

multidisciplinary field **The SAGE Handbook of Criminological Research Methods** David Gadd, Susanne Karstedt, Steven F Messner, 2011-10-19 Conducting research into crime and criminal justice carries unique challenges This Handbook focuses on the application of methods to address the core substantive questions that currently motivate contemporary criminological research It maps a canon of methods that are more elaborated than in most other fields of social science and the intellectual terrain of research problems with which criminologists are routinely confronted Drawing on exemplary studies chapters in each section illustrate the techniques qualitative and quantitative that are commonly applied in empirical studies as well as the logic of criminological enquiry Organized into five sections each prefaced by an editorial introduction the Handbook covers Crime and Criminals Contextualizing Crimes in Space and Time Networks Communities and Culture Perceptual Dimensions of Crime Criminal Justice Systems Organizations and Institutions Preventing Crime and Improving Justice Edited by leaders in the field of criminological research and with contributions from internationally renowned experts The SAGE Handbook of Criminological Research Methods is set to become the definitive resource for postgraduates researchers and academics in criminology criminal justice policing law and sociology David Gadd is Professor of Criminology at Manchester University School of Law where he is also Director of the Centre for Criminology and Criminal Justice Susanne Karstedt has a Chair in Criminology and Criminological Justice at the University of Leeds Steven F Messner is Distinguished Teaching Professor of Sociology University at Albany State University of New York [The Routledge Handbook of Irish Criminology](#) Deirdre Healy, Claire Hamilton, Yvonne Daly, Michelle Butler, 2015-12-14 The Routledge Handbook of Irish Criminology is the first edited collection of its kind to bring together the work of leading Irish criminologists in a single volume While Irish criminology can be characterised as a nascent but dynamic discipline it has much to offer the Irish and international reader due to the unique historical cultural political social and economic arrangements that exist on the island of Ireland The Handbook consists of 30 chapters which offer original comprehensive and critical reviews of theory research policy and practice in a wide range of subject areas The chapters are divided into four thematic sections Understanding crime examines specific offence types including homicide gangland crime and white collar crime and the theoretical perspectives used to explain them Responding to crime explores criminal justice responses to crime including crime prevention restorative justice approaches to policing and trial as well as post conviction issues such as imprisonment community sanctions and rehabilitation Contexts of crime investigates the social political and cultural contexts of the policymaking process including media representations politics the role of the victim and the impact of gender Emerging ideas focuses on innovative ideas that prompt a reconsideration of received wisdom on particular topics including sexual violence and ethnicity Charting the key contours of the criminological enterprise on the island of Ireland and placing the Irish material in the context of the wider European and international literature this book is essential reading for those involved in the study of Irish criminology and international and comparative criminal justice [Youth, Globalization, and the](#)

Comparative Youth Justice John Muncie, Barry Goldson, 2006-05-15 In this pathbreaking volume Muncie and Goldson bring together leading authors to examine and compare youth justice systems around the world Comparative Youth Justice will be of interest to all criminologists concerned with comparative penal policy and will be essential to all scholars of youth justice Professor Tim Newburn London School of Economics and Political Science and President of the British Society of Criminology Comparative Youth Justice is what we need in an era of hardening social policies and irresponsible political demagoguery thoughtful critiques comparative analysis and a commitment to the rights of youth John Muncie and Barry Goldson have done a fine job of bringing together a group of commentators who know the inner workings of juvenile justice and what it will take to change the current law and order model A book that is required reading for practitioners professors policy makers researchers and students concerned about the bankrupt state of juvenile justice and willing to consider new ideas and directions Tony Platt California State University Sacramento With contributions from leading commentators from 13 different countries this carefully integrated edited

collection comprises the most authoritative comparative analysis of international youth justice currently available. However, Comparative Youth Justice is not simply an attempt to document national similarities and differences but looks critically at how global trends are translated at the local level. This book also examines how youth justice is implemented in practice with a view to promoting change as well as reflection. Each chapter addresses key critical issues: the degree of compliance with international law, the extent of reprobation, adulteration, tolerance, the impact of experiments in restoration and risk management. This book is designed as a companion volume to Youth Crime and Justice, edited by Barry Goldson and John Muncie, published simultaneously by SAGE Publications. This is a brilliant set of edited volumes that will be an indispensable and timely source of information and analysis for anyone with an interest in issues of youth justice and comparative criminology. David A Green, Oxford University.

Immigration, Social Integration and Crime Luigi Solivetti, 2010-07-12

Immigration, Social Integration and Crime provides a thorough analysis of immigration and crime rates in all of the main European countries as well as the US in order to show not only that the widespread notion that a large non-national population produces high crime rates must be rejected but also to analyse and explain the factors that influence the relationship between immigration and crime.
