Judith M. Bennett, Ruth Mazo Karras

Europe's Inner Demons:

Europe's Inner Demons Norman Cohn, 1993 Europe's Inner Demons is a fascinating history of the irrational need to imagine witches and an investigation of how those fantasies made the persecutions of the middle ages possible In addition Norman Cohn's discovery that some influential sources on European witch trials were forgeries has revolutionized the field of witchcraft making this one of the most essential books ever written on the subject

Europe's Inner Demons Norman Cohn, 1976

Europe's Inner Demons Norman Cohn, 2000 *Europe's Inner Demons* Norman Cohn (Historiker), 1975 Europe's Inner Demons, 1976

Battling Demons Michael D. Bailey, 2010-11-01 It was during the late Middle Ages that the full stereotype of demonic witchcraft developed in Europe and this is the subject of this volume which places the Dominican theologian Johannes Nider at the centre of an emerging set of beliefs about diabolical sorcery and witchcraft in the 15th century

The Oxford Handbook of Women and Gender in Medieval Europe Judith M. Bennett, Ruth Mazo

Karras, 2013-08-22 Provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E

Women Who Fly Serinity Young, 2018-01-02 Flying women are a common motif in the world's myths and religions Not necessarily winged these women elicit reactions of fear fascination and ambivalence and in so doing reveal much about the perceptions of female power and sexuality through the ages The first book to systematically chronicle the figure of the flying woman in myth literature and art *Women Who Fly* sheds new light on the ways in which

women have both influenced and been understood by society and religious traditions around the world

Demon Lovers

Walter Stephens, 2003-08-15 On September 20 1587 Walpurga Hausmann of Dillingen in southern Germany was burned at the stake as a witch Although she had confessed to committing a long list of maleficia deeds of harmful magic including

killing forty one infants and two mothers in labor her evil career allegedly began with just one heinous act sex with a demon

Fornication with demons was a major theme of her trial record which detailed an almost continuous orgy of sexual excess

with her diabolical paramour Federlin in many diverse places even in the street by night As Walter Stephens demonstrates in

Demon Lovers it was not Hausmann or other so called witches who were obsessive about sex with demons instead a number

of devout Christians including trained theologians displayed an uncanny preoccupation with the topic during the centuries of

the witch craze Why To find out Stephens conducts a detailed investigation of the first and most influential treatises on

witchcraft written between 1430 and 1530 including the infamous *Malleus Maleficarum* Hammer of Witches Far from being

credulous fools or mindless misogynists early writers on witchcraft emerge in Stephens's account as rational but reluctant

skeptics trying desperately to resolve contradictions in Christian thought on God spirits and sacraments that had bedeviled

theologians for centuries Proof of the physical existence of demons for instance through evidence of their intercourse with

mortal witches would provide strong evidence for the reality of the supernatural the truth of the Bible and the existence of

God Early modern witchcraft theory reflected a crisis of belief a crisis that continues to be expressed today in popular debates over angels Satanic ritual child abuse and alien abduction

Lure of the Sinister Gareth Medway, 2001-04 A frequent writer on comparative religion and the history of occultism Medway begins by exploring what a Satanist is and why people worship Satan then looks at such topics as the history of Satan and the Pact Satanic crime hell on earth sex slaves of Lucifer and the relationship between paranoia and conspiracy He explains that as a Pagan he does not believe in Satan but neither does he believe in Christianity but knows Christians are real Annotation copyrighted by Book News Inc Portland OR

Truth and Lies in Literature Stephen Vizinczey,1988-02-15 Gathered here is a selection of the essays of the distinguished Hungarian born novelist Stephen Vizinczey Taken together they have a weight and amplitude of a very high order What is most impressive about these essays apart from their range and erudition is the way that literature and life are so subtly intertwined with each other The passion for the one is the passion for the other As it ought to be in criticism but seldom is Mark Le Fanu *The Times* London If a critic's job is to puncture pomposity deflate over hyped reputations and ferret out true value then Vizinczey is master of the art Publishers Weekly Stephen Vizinczey comes on like a pistol packing stranger here to root out corruption and remind us of our ideals He carries the role off with inspired gusto His boldness and pugnacity are bracing and can be very funny Ray Sawhill *Newsweek* Every piece in the book is good and many are so good that after dipping into the middle I stayed up half of the night reading with growing amazement and admiration Bruce Bebb *Los Angeles Reader*

The Kiss in History Karen Harvey,2005-07-15 Writers have previously placed the action of kissing into categories kisses of love affection peace respect and friendship Each of the essays in this fascinating book takes a single kind of kiss and uses it as an index to the past For rather than offering a simple history of the kiss this book is about the kiss in history In this collection an eminent group of cultural historians explore the kiss through sources as diverse as religious texts popular prints court depositions periodicals diaries and poetry This collection shows that by analyzing the kiss and its position embedded as it is as part of our culture history can use small gestures to take us to big issues concerning ourselves and others the past and the present

Daughters of Hecate Kimberly B. Stratton,Dayna S. Kalleres,2014 *Daughters of Hecate* presents a diverse collection of essays on the topic of women and magic in the ancient Mediterranean world The book gathers investigations by leading scholars from the fields of Classics Judaic Studies and early Christianity illuminating as well as interrogating the persistent associations of women with magic

Europe's Inner Demons. French Demonolatrie Et Sorcellerie Au Moyen Age N. Cohn,1982

Palgrave Advances in Witchcraft Historiography J. Barry,O. Davies,2007-05-09 This is the first book to offer a detailed modern survey of Witchcraft historiography By using a broad chronological structure from contemporary responses through to modern day the book draws on contributions from a range of leading experts in the field to provide a much needed overview of the area

Instruments of Darkness James Sharpe,1997-08-29 The first comprehensive scholarly history of witchcraft in England in over eighty years

Realizing the Witch Richard Baxstrom,Todd Meyers,2015-11-02 Benjamin Christensen's *H xan The Witch* 1922 stands as a singular film within the history of cinema Deftly weaving contemporary scientific analysis and powerfully staged historical scenes of satanic initiation confession under torture possession and persecution H xan creatively blends spectacle and argument to provoke a humanist re evaluation of witchcraft in European history as well as the contemporary treatment of female hysterics

and the mentally ill In *Realizing the Witch* Baxstrom and Meyers show how *H xan* opens a window onto wider debates in the 1920s regarding the relationship of film to scientific evidence the evolving study of religion from historical and anthropological perspectives and the complex relations between popular culture artistic expression and concepts in medicine and psychology *H xan* is a film that travels along the winding path of art and science rather than between the narrow division of documentary and fiction Baxstrom and Meyers reveal how Christensen s attempt to tame the irrationality of the witch risked validating the very nonsense that such an effort sought to master and dispel *H xan* is a notorious genre bending excessive cinematic account of the witch in early modern Europe *Realizing the Witch* not only illustrates the underrated importance of the film within the canons of classic cinema it lays bare the relation of the invisible to that which we cannot prove but nevertheless know to be there
