Trollope,2015-05-20 It was admitted by all her friends and also by her enemies who were in truth the more numerous and active body of the two that Lizzie Greystock had done very well with herself We will tell the story of Lizzie Greystock from the beginning but we will not dwell over it at great length as we might do if we loved her She was the only child of old Admiral Greystock who in the latter years of his life was much perplexed by the possession of a daughter The admiral was a man who liked whist wine and wickedness in general we may perhaps say and whose ambition it was to live every day of his life up to the end of it People say that he succeeded and that the whist wine and wickedness were there at the side even of his dying bed He had no particular fortune and yet his daughter when she was little more than a child went about everywhere with jewels on her fingers and red gems hanging round her neck and yellow gems pendent from her ears and white gems shining in her black hair She was hardly nineteen when her father died and she was taken home by that dreadful old termagant her aunt Lady Linlithgow Lizzie would have sooner gone to any other friend or relative had there been any other friend or relative to take her possessed of a house in town Her uncle Dean Greystock of Bobsborough would have had her and a more good natured old soul than the dean s wife did not exist and there were three pleasant good tempered girls in the deanery who had made various little efforts at friendship with their cousin Lizzie but Lizzie had higher ideas for herself than life in the deanery at Bobsborough The Eustace Diamonds (Annotated) Anthony Trollope,2020-01-10 The Eustace Diamonds is a novel Anthony Trollope first published in 1871 as a serial in the Fortnightly Review It is the third of the Palliser series of novels Wikipedia
