Evaluating Administrative Personnel In School Systems:

Evaluating Administrative Personnel in School Systems Dale L. Bolton,1980-01-01 Evaluating Teachers And Administrators George B. Redfern,2019-04-05 Stressing the importance of using evaluation as a means to improve teacher and administrator performance Dr Redfern provides a practical guide to conducting an evaluation and using its results He thoroughly describes the anatomy of the evaluation process outlines the materials needed and covers such often neglected topics as evaluation of substandard performance assessment of the performance of administrators and supervisors evaluation as an administrative tool in education management and the potential pitfalls inherent in the evaluation process The book closes with detailed suggestions for developing or revising programs for personnel evaluation *Evaluating Teaching* James H. Stronge,2005-11-02 This invaluable resource demonstrates how to foster the development of highly qualified teachers through designing and implementing a solid teacher evaluation system Resources in education ,1988-05 **Research in Education** ,1974 **Systems for State Science Assessment** National Research Council,Division of Behavioral and Social Sciences and Education,Center for Education,Board on Testing and Assessment,Committee on Test Design for K-12 Science Achievement,2006-01-28 In response to the No Child Left Behind Act of 2001 NCLB Systems for State Science Assessment explores the ideas and tools that are needed to assess science learning at the state level This book provides a detailed examination of K 12 science assessment looking specifically at what should be measured and how to measure it Along with reading and mathematics the testing of science is a key component of NCLB it is part of the national effort to establish challenging academic content standards and develop the tools to measure student progress toward higher achievement The book will be a critical resource for states that are designing and implementing science assessments to meet the 2007 2008 requirements of NCLB In addition to offering important information for states Systems for State Science Assessment provides policy makers local schools teachers scientists and parents with a broad view of the role of testing and assessment in science education Testing and Evaluation in Schools Charles B. Stalford,1980 *ERS Circular* National Education Association of the United States. Educational Research Service,1971 **Superintendent Performance Evaluation: Current Practice and Directions for Improvement** I. Carl Candoli,Karen Cullen,D.L. Stufflebeam,2012-12-06 Every school district needs a system of sound superintendent performance evaluation School district superintendents are and must be accountable to their school boards communities faculties and students for delivering effective educational leadership To assure that they are evaluated fairly competently and functionally superintendents need to help their school boards plan and implement evaluation systems that adhere to the evaluation standards Superintendent Performance Evaluation outlines some of the problems and deficiencies in current evaluation practice and offers professionally based leads for strengthening or replacing superintendent performance evaluation systems This book focuses on the on the job performance of school district superintendents as they implement school board policy The decision to focus on performance evaluation reflects the

importance of this kind of evaluation in the move to raise educational standards and improve educational accountability Boards and superintendents are advised to make superintendent performance evaluation an integral part of the district s larger system for evaluating district needs plans processes and accomplishments Annual Evaluation Report Title I ,1975
