The Fight for Sola Scriptura Matthew Cserhati, 2025-01-17 Today the exclusive authority of the Bible is under heavy attack This principle is known as sola scriptura The charismatic movement pays lip service to it it is ignored by liberalism and it is attacked by the Roman Catholic church But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities In this book the reader will understand what sola scriptura is and what it is not and how to articulate it defend it based on the Bible and apply it to his life An overview of the historical development of scriptural authority is provided Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture These include the charismatic movement liberal theology Roman Catholicism Eastern Orthodoxy dispensationalism Open Theism theistic evolution and certain strains of evangelicalism We shall see that the reason extra biblical authorities are given currency is because the authority of the Scriptures themselves are cast into doubt

Sacred Rhetoric; Or a Course of Lectures on Preaching Robert L. Dabney, 2015-07-19 Excerpt from Sacred Rhetoric Or a Course of Lectures on Preaching Delivered in the Union Theological Seminary of the General Assembly of the Presbyterian Church in the U S In Prince Edward Va This little book is the fruit of study reflection and teachings continued through twenty years It would be hazardous for any one to claim originality in a department of literature which contains so many great works as sacred rhetoric The most effectual disavowal of such pretensions will be to recite the titles of the books which I have read with most advantage and which have contributed to my knowledge or opinions on this subject If my readers are familiar with these treatises they will probably find in them either the germs or the full forms of nearly all the ideas which I advance The following treatises I have found exceedingly instructive Aristotle's Rhetoric Cicero De Oratore Horace Epistle to the Pisos Quintilian De Institutione Oratoria Campbell's Philosophy of Rhetoric Whateley's Rhetoric Vinet's Homiletics About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Gnostic Trends in the Local Church Michael Philliber, 2011-10-17 Gnostic Trends in the Local Church lays out the basic tenets of ancient and modern Gnosticism Though there are various authors who have written about

Gnosticism over the past two decades many of them deal with New Age teaching or in a more limited manner to answer the momentary surge of The Da Vinci Code and the Gospel of Judas Instead of going in those directions Gnostic Trends in the Local Church focuses on the more likely place one will meet Gnosticism in their own home congregation Michael W Philliber shows what the trends look like within a congregation and offers ways to remedy them while abstaining from alarmism This is an important book for pastors and other congregational leaders for providing them with tools modern ancient and biblical that will help them guide their people more firmly into the historic Christian faith **Holy Ground** L. Charles Jackson, 2024-02-21 Jesus did not say take and think He said take and eat This is embodied worship It includes gestures rites kneeling raising hands and of course eating and drinking a holy meal with God These activities are liturgies Liturgy is the physical embodied activity of worship it s what we do in worship everyone has a liturgy As such worship is the church s primary means of discipleship Instead of fearing to kneel because it s Roman Catholic or fearing to raise your hands because it s Pentecostal perhaps we should simply see what God recommends in the Scriptures then without fear and by faith at the appropriate time start kneeling raising our hands and eating a covenant meal with God on a weekly basis The hope is to replace a fear driven approach to worship with a faith driven embodied worship that offers deep robust and beautiful worship experiences combined with the hope of great blessings In doing so we hope for nothing less than a new reformation a reformation in worship **Sacred Rhetoric** Robert L.
