The Holy Spirit and Mission Dynamics C. Douglas McConnell, 1997-09-15 Over the past decade there have been few forums in which the controversial subject of this book could be openly discussed During the 1994 and 1996 annual conferences of the Evangelical Missiological Society this subject was a central topic of discourse These ten chapters represent an attempt to reflect the concerns and present understanding of evangelical missiologists on the Holy Spirit and mission dynamics

The Changing Face of World Missions (Encountering Mission) Michael Pocock, Gailyn Van Rhee, Douglas McConnell, 2005-10-01 The dramatic changes that have taken place both in global society and in the church have implications for how the church does missions in the twenty first century These trends include the rise of postmodernism the spiritual decline in the West and the advance of the gospel in the rest of the world and the impact of technology on society and missions The Changing Face of World Missions is for the mission minded church leader or lay person who wants to understand these trends Each chapter identifies and evaluates a trend examines it in light of Scripture and proposes a practical response Important terms are defined and sidebars help readers think through the issues on their own

Adventures in Spiritual Warfare William P. Payne, 2018-05-04 Even though they lack the words to describe it most people know that spiritual warfare is real This book pulls back the curtains and gives the reader a front row seat to the most exciting show of our time Each chapter pairs riveting personal stories with solid biblical teaching to give the reader practical guidelines for defeating Satan and living a victorious Christian life Perhaps you feel like Peter felt when Jesus commanded him to leave the safety of his boat and step upon the tempestuous sea Because he trusted Jesus he obeyed him Later Jesus told the disciples that they would do greater things This book will help you find the courage to step out of your comfort zone and walk into the world of power ministry Thankfully a series of profound encounters with evil supernaturalism forced me to overcome my internal resistance to spiritual warfare After I learned how to flow with the Spirit defeat the enemy and set the captives free my life has never been the same Are you ready to join the battle

Missiology and the Social Sciences Edward Rommen, Gary Corwin, 1996-09-15 Missiology and the Social Sciences Contributions Cautions and Conclusions Missiology draws from several sources These include God's revelation in Holy Scripture historical creeds and theology past and present missionary experiences and various social sciences that help us to understand diverse cultural and religious dynamics But how exactly do these sources relate to one another How do we balance and prioritize the contributions of each Missiology and the Social Sciences answer these questions with scholarly care On the one hand it's unthinkable that missionaries would not use the social sciences such as anthropology and linguistics How else would we translate the Bible and learn about other cultures On the other hand some writers warn of the

subtle danger that social sciences could undermine biblical authority Cultural bias also might affect social science research and hinder our ability to discern what God is doing around us The contributors in this book help readers understand the debate and its many practical implications It equips missionaries to engage the social sciences in more thoughtful ways that can bear gospel fruit

A Light to the Nations Stanley M. Burgess, Paul W. Lewis, 2017-03-02 The essays in this volume which are written by friends colleagues and former students are dedicated to Gary B McGee as a memorial to his life work and service As a professor with a clear calling to teach he modeled this passion at the Open Bible College Des Moines Iowa Central Bible College Springfield Missouri and the Assemblies of God Theological Seminary Springfield Missouri He exuded the understanding that quality teaching superior scholarship a genuine Pentecostal spirituality and an irenic spirit can and should go together Within the title of this volume A Light to the Nations two aspects become clear First each person is called to be a light to the nations as Gary McGee modeled Second and foundational to the first is the reality that Jesus Christ is the ultimate light and our energies study discussions and life in general should rely on this fact As a reflection of Gary McGee's life and ministry these two aspects are focused through three lenses which are the three sections of this volume Ecumenism Missions and Pentecostalism The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B McGee

3 Crucial Questions about Spiritual Warfare (Three Crucial Questions) Clinton E. Arnold, 1997-08-01 Knowledgeable accessible answers to these provocative questions What is spiritual warfare Can a Christian be demon possessed Are we called to engage territorial spirits

Change across Cultures Bruce Bradshaw, 2002-03-01 C S Lewis compared the task of ethical inquiry to sailing a fleet of ships the primary task is avoiding collisions When introducing cultural change such collisions are inevitable Bruce Bradshaw provides expert instruction for navigating these cultural clashes Bradshaw contends that lasting change comes only through altering the stories by which people live The Bible is the metanarrative whose altering theme of redemption forms a transcultural ethical basis Aspects of God's redemption story can change how local cultures think and behave toward the environment religions government gender identities economics science and technology However effective change takes place only in a context of reconciliation Christian community and mutual learning A must read for anyone engaged in or preparing for cross cultural ministry relief or development work The book is also relevant to students of ethics philosophy and theology Numerous real life examples illustrate the inevitable tensions that occur when cultures and narratives collide

The Embattled but Empowered Community Wilma Wells Davies, 2010-04-27 The global phenomenon of Pentecostal growth continues to interest scholars particularly its local manifestations Although previous explanations may have noted the connections between the cultural substrata and local Pentecostal practices this book concentrates on seeking out the connections Using both extensive field research and reflection on Latin American scholarship the author proposes that a major link exists at the level of worldview assumptions particularly in understandings of spiritual power The book concludes

with a reflection on the implications a conversion based on the search for spiritual power has for the future of the evangelical church in Latin America **Jesus, Deliver Us** Willard M. Swartley, 2019-06-04 Deliver us from the evil one is the heart's cry from the Lord's Prayer Evil wears many faces in our modern world This book connects the Lord's Prayer to troubles of our times be it attacks from Satan the wars around the world the scourge of racism or the mass shootings of our time The subtitle of the book identifies the scope This book blends both deliverance from demonic bondage and witness to the powers in relation to political policies and government While the book aims to be a biblical theology on these topics it seeks also to address the praxis how these evils are confronted through healing deliverance ministries and what people of God say and do in witness to the powers The two streams of response to evil are really one as a faithful response to the saving work of the Lord God Almighty through Jesus Christ's victory over Satan sin evil and death Love your enemy confronts evil with power to transform Caught in the CROSS-Fire Michael Kenneth Wilson, 2025-07-31 There are insidious forces threatening to shape people's lives in ways that may or may not meet with their approval and certainly do not meet with God's the ultimate judge Over many centuries it has been common to name these radical forces as the world the flesh and the devil This book deals with the nature and impact of these highly dangerous forces and what is involved in successfully countering them

Between Past and Future Evangelical Missiological Society, 2003 This volume traces its origins to the 2001 annual meeting of the Evangelical Missiological Society with the theme of Lessons in Mission from the Twentieth Century The papers from this meeting combined with insightful essays by other EMS members reflect upon the history of evangelical missions and upon its future Contributors Dwight P Baker Jonathan J Bonk Luis Bush Bruce K Camp Charles L Chaney Michael Jaffarian Todd M Johnson Gary B McGee John Moldovan Paul E Pierson John Mark Terry African Christian Ethics Samuel Waje Kunhiyop, 2019-04-09 An introduction to African Christian ethics for Christian colleges and Bible schools African Christian Ethics is divided into two main parts The first deals with the theory of ethics while the second discusses practical issues The issues are grouped into the following six sections Socio Political Issues Financial Issues Marriage Issues Sexual Issues Medical Issues Religious Issues Each of these six section begins with a brief general introduction followed by the chapters dealing with specific issues in that area Each chapter begins with an introduction discusses traditional African thinking on the issue presents an analysis of relevant biblical material and concludes with some recommendations There are questions at the end of each chapter for discussion or personal reflection often asking students to reflect on how the discussion in the chapter applies to their ministry situation **World Christian Trends Ad30-ad2200 (hb)** ,2001 **A History of the Charismatic Movement in Britain and the United States of America** Stephen Hunt, 2009 **Thinking Theologically about Language Teaching** Cheri L. Pierson, Will Bankston, 2017-08-31 Christians can often overlook the need to bring their daily vocations in accord with the reality created sustained and purposed through Christ This is no less true for language teachers who find themselves at a difficult interdisciplinary crossroads where the paths of linguistics

culture and education merge This challenge should not discourage these educators but instead aid them in their journey to form a pedagogy rooted in theological truths from Scripture one that provides a nuanced approach that glorifies God in a manner specific to the language classroom The contributors of this book outline why and how theology must inform teaching methods so that Christian language educators might better serve their students with both faith and excellence thereby pointing them to the communicative God whose image they bear

The Missionary Family Dwight P. Baker, Robert J. Priest, 2014-08-29 The title of this book points to a feature the missionary family often considered to be a distinctive of the Protestant missionary movement Certainly the presence of missionary families in the field has been a central factor in enabling configuring and restricting Protestant missionary outreach What special concerns does sending missionary families raise for the conduct of mission What means are available for extending care and support to missionary families These issues are the focus of the chapters in part 1 of this book In recent years an increasing number of reports have surfaced of sexual abuse in mission settings Some reports have been based on recovered memories the assessment of which raises difficult questions Clearly sexual abuse in mission settings and how to understand allegations of abuse based on recovered memories are matters of grave concern to mission agencies and mission supporters as well as to missionary families Part 2 serves the mission community by scrutinizing such matters offering legal historical and psychological perspectives on the topic In a new feature Forum on Sexual Orientation and Mission An Evangelical Discussion the Evangelical Missiological Society takes up a pressing issue of our day Fourteen evangelical scholars participate in the discussion found in part 3 Far from being the final word this forum is presented with the prayer that it will serve as an opening to and basis for ongoing missiological conversation about an urgent and timely topic
