Billy, 2014-12-01 This second edition of *Living in the Gap* is prompted by the Church's celebration throughout 2015 of a Year for Consecrated Life to mark both the 50th anniversary of the Second Vatican Council and the 50th anniversary of *Perfectae Caritatis* The Decree on the Adaptation and Renewal of Religious Life The book wishes to raise awareness of the importance of the vocation to the consecrated life in the life of Church and to help religious in their efforts towards the new evangelization The challenge before religious today and before all those called to evangelical counsels of chastity poverty and obedience is to do their best to narrow the gap between vision and reality The question they should be asking themselves is not whether the gap between vision and reality exists in their lives but whether it is getting larger or smaller **Spirituality** Kees Waaijman, 2002 This textbook is a systematic guide to the extensive field of spirituality Kees Waaijman charts the multiform phenomenon of spirituality the spirituality of ordinary people the great spiritual traditions and the force of counter movements From the foundation of this survey he answers questions like What exactly is spirituality What forms can a scholarly approach take Finally the book provides methodic access to the study of spirituality focusing on the following questions Which are the different forms of spirituality and how can we describe them How can spiritual texts be given a reliable reading Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them What do we mean by spiritual guidance and what can we learn from it This textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality **Foundation Theology 2006** Joseph Baunoch (Rev. Billy CSsR, 2023-11-30 Luke's account of the two disciples on the road to Emmaus has an amazing power to inspire us today just as it has given life to every generation of Christians How do we understand that encounter on the road and how can we be open to its message How can it help us deepen our prayer life and understanding of Scripture so that we can grow closer to Jesus How can it help us open our eyes to our liturgical encounter with Jesus and to all the ways he reveals himself to us each day Finally how might meeting Jesus on the road to Emmaus energize us to share Jesus message with other believers and with the world Here in this insightful and prayer provoking new book Father Dennis Billy invites us to join the two disciples on the way to Emmaus and experience for ourselves the power of the Risen Lord Meeting Jesus on the Road to Emmaus will lead you to a greater awareness of how Jesus accompanies you in every moment of your life It is an excellent companion to guide us all on the path of true and vibrant discipleship *Conscience and Prayer* Dennis Joseph Billy, James Keating, 2001 *Conscience and Prayer* takes the new conversation between Christian spirituality and moral theology to a deeper level of precision and focus The authors argue that the relationship between moral theology and spirituality can best be explored by looking at how conscience is related to prayer In exploring this relationship both historically and theologically Billy and Keating open new ways to approach the fundamental aspects of Catholic moral theology **BOOK JACKET Title** Summary field provided by Blackwell North America Inc All Rights Reserved *Christian Collection: Scripture, History,*
