Evangelical Mind And Heart Perspectives On Theological And Practical Issues:

The Evangelical Mind and Heart Millard J. Erickson, 1993 **The Trinitarian Theology of Stanley J. Grenz** Jason S. Sexton, 2013-09-12 Exploring one of the most controversial figures in recent evangelical theology this book thoroughly examines core features of Stanley J Grenz s Trinitarian vision Theologians of the Baptist Tradition Timothy George, David S. Dockery, 2001-05-15 A resource for pastors students and teachers to discover Baptist contributions to Christianity s theological heritage *The Merging of Theology and Spirituality* Larry S. McDonald, 2006-07-29 While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath s theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed examination of McGrath s previous work and the writing of other evangelicals *The Merging of Theology and Spirituality* offers an overview of a unique thinker s contributions and a guide for future theological and spiritual exploration

A Basic Guide to Eschatology Millard J. Erickson, 1998-12-01 A leading evangelical theologian provides a comprehensive examination of the various evangelical views of the millennium and other eschatological subjects Biblical Hermeneutics Bruce Corley, Grant Lovejoy, Steve W Lemke, 2002-04-15 *Biblical Hermeneutics* is a textbook for introductory courses in hermeneutics It takes an interdisciplinary approach that is both balanced and practical with six major areas of focus the history of biblical interpretation philosophical presuppositions biblical genre the uniqueness of Scripture the practice of exegesis and use of exegetical insights that will be lived and communicated in preaching and teaching *Biblical Hermeneutics* is designed for students who have little or no knowledge of biblical interpretation It provides in one volume resources for gaining a working knowledge of the multi faceted nature of biblical interpretation and for supporting the practice of exegesis on the part of the student The first chapter *A Student s Primer for Exegesis* by Bruce Corley gives the student a bird s eye view of the entire process It becomes for the student a kind of template to which they will return again and again as they engage in the process of exegesis This revised edition of *Biblical Hermeneutics* contains seven new chapter that deal with the major literary genre of Scripture law narrative poetry wisdom prophecy Gospels and Acts epistles and apocalyptic The unique nature of Scripture is presented in part three that addresses the authority inspiration and language of Scripture The book contains two extensive appendices *A Student s Glossary for Biblical Studies* and an updated and expanded version of *A Student s Guide to Reference Books and Biblical Commentaries* **Spiritual Power and Missions** Edward Rommen, 1995-06-01 *Spiritual Power and Missions* Raising the Issues This third volume in the EMS series represents a conversation between five renowned missiologists who raise important questions about spiritual powers in missions In chapter one the authors examine specific ideas commonly found in missiological literature concerning spiritual warfare They

contend that several popular assumptions are based on animism and magic rather than biblical teaching In chapter two Charles Kraft offers a counterargument explaining how Christians can exercise their God given authority in the spirit realm He addresses key methodological issues such as the role of experience and its relationship to biblical interpretation Finally Patrick Johnstone reflects on the ministry of the Holy Spirit He explores how intercessory prayer contributes to the task of world evangelization His chapter brings balance to people s common tendency only to focus on demonic powers Overall Spiritual Power and Missions presents a balanced and engaging debate that will spur fresh missiological conversations

The Kingdom of Christ Russell Moore,2004-10-18 In this scholarly work Russell D Moore relates the history leading up to the new Kingdom consensus among evangelicals from the time theologian Carl F H Henry called for it fifty years ago He examines how this consensus offers a renewed theological foundation for evangelical engagement in the social and political realms While evangelical scholars and pastors will be interested in this sharp insightful book all evangelicals interested in public policy will find it useful in discovering how this new Kingdom perspective works out in the public square

Christian Theology Millard J. Erickson,1998-08 A new edition of leading theologian Millard Erickson s classic text

The One God Michael L Chiavone,2011-07-28 In what sense is God one How can those who worship Jesus Christ his Father and the Holy Spirit claim to be monotheists These questions were answered by the early church and their answering analogies models and language have come down to the church today However theology is not stagnant and the twentieth century has seen several new models of the Trinity emerge Many of these models have focused on the three persons without adequately considering the consequences for the unity of God The One God seeks to develop an understanding of the unity of the Triune God by examining the positions put forward by Karl Rahner Millard Erickson John Zizioulas and Wolfhart Pannenberg After carefully presenting and critically examining each of these positions this book offers a synthesis an understanding of the unity of God that is historically informed theologically adequate internally coherent and able to explain Christian monotheism in a new century By affirming both the singular divine essence of God and the genuine eternal interdependence of distinct divine persons in God The One God affirms the personal and the natural levels of ontology both crucial for understanding God humanity and the world The Rhetoric of Operation Rescue Mark Allan Steiner,2006-05-12

A close look at the rhetoric of Operation Rescue **Universal Salvation?** Robin A. Parry,Christopher H. Partridge,2004-03-25 Foreword by Gabriel Fackre Will God one day save all people through Christ s atoning work That is the question at the heart of the debate in this volume a debate sure to challenge readers whatever their current perspective Featuring evangelical writers of exceptional insight and sensitivity Universal Salvation offers a conversation worth everyone s attention The volume opens with a rigorous three part defense of Christian universalism by philosopher Thomas Talbott who argues that Scripture teaches the ultimate salvation of all people including those in hell Gabriel Fackre in his foreword calls Talbott s work the most thoughtfully wrought argument for universalism to date from within the contemporary

evangelical community The rest of the book gathers incisive responses to Talbott by Christian scholars from different disciplines who evaluate the strengths and weaknesses of Talbott's arguments take his thought in new directions or explain why they think he is mistaken Talbott then responds to his critics The aim of this volume is not to persuade people that universalism is true but to open up a fairer debate on a controversial subject of continuing importance to theologians and nontheologians alike By exploring universal salvation from biblical philosophical theological and historical perspectives the book helps readers think through the issues more carefully than has been possible with resources previously available

Perspectives, 1991 *God the Father Almighty* Millard J. Erickson, 1998-03-01 In *God the Father Almighty* Erickson develops a sturdy exposition of the doctrine of God He interacts with criticism brought against the traditional view of God and offers a fresh analysis of the attributes of God in light of Scripture and the contemporary scene *God the Father Almighty* is a companion volume to Erickson's other theological monographs *God in Three Persons* and *The Word Became Flesh*

South African Christian Experiences Kelebogile Thomas Resane, 2020-01-01 Some of the studies in this publication excavate lost or disappearing indigenous toponyms Those researchers contribute in a very concrete way to the preservation of indigenous toponyms and thereby also the associated cultural heritage The other papers explore how place naming functions as a mechanism with which to create mental maps and exert socio-political power *Andrews University Seminary Studies* Andrews University. Seventh-Day Adventist Theological Seminary, 1995

Baptist Theology James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre-1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis-à-vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty-first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal *African Eco-Theology* Ikechukwu Anthony KANU, 2022-07-18 This piece articulates in a theological manner African earth-based

spiritual traditions and innovative spiritual practices that are emerging in response to the painful realities of climate change mass extinction biodiversity loss and the disruption of local and global ecosystems which have for long not received the attention that it deserves It is in this sense that this Book of Readings titled African Eco Theology Meaning Forms and Expressions will become one of the greatest ornaments and lights in the world of eco theology as it responds to fundamental questions looming at the corridors of ecological discourses *New Dimensions in Evangelical Thought* David S. Dockery,1998 Assessing the status of evangelical theology at the turn of the century a team of 26 scholars including Alister E McGrath Clark Pinnock Wolfhart Pannenberg and Stanley Grenz honor Millard J Erickson with this volume Edited by David S Dockery The Evangelical Left Millard J. Erickson,1997 Millard Erickson identifies practioners of a new theological movement in evangelicalism that he contends have adopted a postconservative position and have drifted from the fundamental affirmations of conservative evangelicalism
