Evangelicalism Divided:

Evangelicalism Divided Randall Takashi Chun, 1988 *Evangelicalism Divided* Iain Hamish Murray, 2000 Murray analyses major changes in the evangelical movement in the years 1950 to 2000 clarifying the issues raised assessing events in the light of biblical teaching The period under review saw the fundamental difference between two contrasting approaches to Christian unity ecumenism evangelicalism gradually obscured In their desire to distance themselves from the older fundamentalism some evangelical leaders were too willing in Murray's view to jettison or at least to tone down previously cherished convictions concerning the nature of Christian conversion the authority of Scripture the primacy of gospel truth over denominational loyalty Leaders whose roles in these changes are discussed include Billy Graham Martyn Lloyd Jones J I Packer John R W Scott Particular attention is given to the evangelical movement within the Anglican communion the problematic nature of evangelical involvement in the world of scholarship moves to break down barriers between evangelicalism Roman Catholicism Murray emphasizes the basic question What is a Christian its implications for evangelical faith life

Evangelicalism and the Church of England in the Twentieth Century Andrew Atherstone, John G. Maiden, 2014 An important contribution to the understanding of twentieth century Anglicanism and evangelicalism This volume makes a considerable contribution to the understanding of twentieth century Anglicanism and evangelicalism It includes an expansive introduction which both engages with recent scholarship and challenges existing narratives The book locates the diverse Anglican evangelical movement in the broader fields of the history of English Christianity and evangelical globalisation Contributors argue that evangelicals often engaged constructively with the wider Church of England long before the 1967 Keele Congress and displayed a greater internal party unity than has previously been supposed Other significant themes include the rise of various neo evangelicalisms charismaticism lay leadership changing conceptions of national identity and the importance of generational shifts The volume also provides an analysis of major organisations conferences and networks including the Keswick Convention Islington Conference and Nationwide Festival of Light ANDREW ATHERSTONE is tutor in history and doctrine and Latimer research fellow at Wycliffe Hall Oxford JOHN MAIDEN is lecturer in the Department of Religious Studies at the Open University He is author of *National Religion and the Prayer Book Controversy 1927-1928* The Boydell Press 2009

Power, Politics and the Fragmentation of Evangelicalism Kenneth J. Collins, 2012-08-02 Kenneth J Collins traces the establishment of the evangelical enterprise in American culture and its influences on the political and social values of the American landscape throughout the twentieth century as well as its fragmentation into competing ideological camps

Evangelicalism and Fundamentalism in the United Kingdom during the Twentieth Century David W. Bebbington, David Ceri Jones, 2013-10-03 Historians have sometimes argued and popular discourse certainly assumes that evangelicalism and fundamentalism are identical In the twenty first century when Islamic fundamentalism is at the centre of the world's attention whether or not evangelicalism should be seen as the

Christian version of fundamentalism is an important matter for public understanding. The essays that make up this book analyse this central question. Drawing on empirical evidence from many parts of the United Kingdom and from across the course of the twentieth century, the essays show that fundamentalism certainly existed in Britain, that evangelicals did sometimes show tendencies in a fundamentalist direction, but that evangelicalism in Britain cannot simply be equated with fundamentalism. The evangelical movement within Protestantism that arose in the wake of the eighteenth century revival exerted an immense influence on British society over the two subsequent centuries. Christian fundamentalism, by contrast, had its origins in the United States following the publication of *The Fundamentals*, a series of pamphlets issued to ministers between 1910 and 1915 that was funded by California oilmen. While there was considerable British participation in writing the series, the term fundamentalist was invented in an exclusively American context when in 1920 it was coined to describe the conservative critics of theological liberalism. The fundamentalists in Britain formed only a small section of evangelical opinion that declined over time.

The Scandal of Evangelicals and Homosexuality Mark Vasey-Saunders, 2016-03-09

English evangelicals give the appearance of being a community at war with each other and with the world around them. The issue of homosexuality is one of the key battlegrounds. How has this issue become so significant to evangelicals? Why is it provoking such violent responses? How is it changing evangelicals and what might this mean for the future? This book examines the history of evangelical responses to the issue of homosexuality, setting them in a wider historical and cultural context and drawing on the work of René Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism. The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future. *The Scandal of Evangelicals and Homosexuality* offers an alternative perspective, seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost. It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate.

The Oxford Handbook of Evangelical Theology Gerald R. McDermott, 2013-12. This volume surveys the state of the discipline on topics of greatest importance to evangelical theology. The authors critically assess the state of the question from both classical and evangelical traditions and propose a future direction for evangelical thinking on the subject.

Evangelicalism Divided Randall Takashi Chun, 1988

The Scandal of the Evangelical College Martin Spence, 2025-06-30. Despite heady claims about Christ-centeredness, Evangelical colleges are scandalously secular institutions in thrall to the regnant assumptions of the market economy and mainstream higher education. Paradigms intended to integrate faith and learning often ironically fracture and distort Christianity. Even the spiritual dimensions of the Christian college, presumed to keep it safe from religious declension, are prone to secularizing tendencies because the American Evangelical culture from which the college receives its spiritual cues and from which it accepts its donors' money is itself captive to a set of sub-biblical economic

social and political assumptions This book argues that the cause of the scandal is the absence of the church in the imagination of the Evangelical college It therefore proposes that the mission and practice of the Evangelical college should be to summon equip and renew the people of God While this may sound like a return to an obsolete bible school model of Christian education the ecclesial vision only sounds narrow because we lack a robust understanding of the vocation of the church itself By simultaneously restricting our vision of the Evangelical college while broadening our understanding of the church a more fully evangelical educational endeavor might emerge Promise Unfulfilled Rolland McCune,2017-07-17 The New Evangelicalism was conceived if not born with the formation of the National Association of Evangelicals in 1942 This new group was in the main led by younger professing fundamentalist scholars and leaders who had become dissatisfied with their heritage and wanted to carve out some evangelical middle ground between fundamentalism and neo orthodoxy This book is an analysis of the break away movement in terms of the issues ideas and practices that led to its beginning its expansion to an apogee in the 1970s its subsequent loss of biblical and doctrinal stability and its slide toward virtual irrelevancy in a postmodern world culture of the 21st century The twenty five chapters are grouped under nine main sections Historical Antecedents the Formation of the New Evangelicalism Ecumenism Ecclesiastical Separation The Bible and Authority Apologetics Social Involvement Doctrinal Storms and Evaluations and Prospects It will be a valuable addition to the pastor s library and a strategic resource for theological education in Bible colleges and seminaries Examining Billy Graham's Theology of Evangelism Thomas P. Johnston,2003-03-12 Examining Billy Graham s Theology of Evangelism was written to advance an unbiased understanding of Billy Graham s theology and practice Theological examination of Graham s sermons revealed four distinct eras in his theology and practice The Early Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham s theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ

Evangelicals in Mexico Dinorah B. Méndez,Dinorah Mendez,2008 Hymns as a potential tool of theological contextualisation have never been fully explored This study looks at this function of hymnody in relation to Mexican culture A sample of hymnody used by evangelicals of different traditions was selected to examine its theology and to compare which kind of hymns or songs were more reliable and appropriate to communicate the evangelical faith in the Mexican context

Evangelicals and Abortion J. Cameron Fraser,2024-04-18 Evangelicals and Abortion traces the history and theological development of evangelical involvement in the abortion issue and recommends some models of a biblically based response with particular attention to the United States in the wake of the reversal of Roe v Wade in 2022 **The Ashgate Research Companion to World Methodism** William Gibson,Peter Forsaith,Martin Wellings,2016-03-23 As a religious and social

phenomenon Methodism engages with a number of disciplines including history sociology gender studies and theology Methodist energy and vitality have intrigued and continue to fascinate scholars This Companion brings together a team of respected international scholars writing on key themes in World Methodism to produce an authoritative and state of the art review of current scholarship mapping the territory for future research Leading scholars examine a range of themes including the origins and genesis of Methodism the role and significance of John Wesley Methodism s emergence within the international and transatlantic evangelical revival of the Eighteenth Century the evolution and growth of Methodism as a separate denomination in Britain its expansion and influence in the early years of the United States of America Methodists roles in a range of philanthropic and social movements including the abolition of slavery education and temperance the character of Methodism as both conservative and radical its growth in other cultures and societies the role of women as leaders in Methodism both acknowledged and resisted the worldwide spread of Methodism and its enculturation in America Asia and Africa the development of distinctive Methodist theologies in the last three centuries its role as a progenitor of the Holiness and Pentecostal movements and the engagement of Methodists with other denominations and faiths across the world This major companion presents an invaluable resource for scholars worldwide particularly those in the UK North America Asia and Latin America

The Making of Evangelical Spirituality Jason Cherry, 2023-01-05 How did it come to be that evangelicals expect individualized extrabiblical revelation from God What has happened culturally historically and theologically to make this the ubiquitous assumption of evangelical spirituality The Making of Evangelical Spirituality is a compound of history and theology applied to the subject of evangelical spirituality specifically the phenomenon of evangelicals thinking God spoke to me in a still quiet voice The story is complex multifaceted and urgently in need of telling Few Christians know the history of the spiritual expectations heaped upon them Few know the individuals who gave shape to evangelical spirituality spiritual chieftains who were often guided by uniquely ephemeral social and cultural forces There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality Instead it s the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum This book is the story of those hermits monks reformers heretics politicians outcasts and preachers who gave shape Failure to tell the story now risks it becoming just another part of historical compost threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul

Evangelical and African Pentecostal Unity Hugh Osgood, 2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle

Reformed Resurgence Brad Vermurlen, 2020 One of the biggest

movements in American Christianity especially among younger evangelicals is a groundswell of interest in the Reformed tradition In Reformed Resurgence Brad Vermurlen provides a comprehensive sociological account of this New Calvinist phenomenon and what it entails for the broader evangelical landscape in the United States Churches: Evangelical or Liberal Rev'd Dr Graham J Whelan OAM, I give thanks to God Father Son and Holy Spirit for the wonderful work of the two saints The Reverend Robert J Sanders Ph D and Ian H Murray They are true Born Again elect of God s kingdom His glorious rule in their hearts The work they have revealed is critical in defining the error in the liberal church They define the problems facing the church in this post modern existential liberal orientated relative time where neo tolerance and political correctness reigns Here I see this new tolerance allowing all views of opinions as being correct Again I thank them for their teaching concerning true Bible based evangelical doctrine *Going Public* Bobby Jamison, 2015-07 *Going Public* builds a theological case for why baptism is required for church membership answers objections and applies this theological vision to the local church s practice of baptism the Lord s Supper and church membership **Christianity and Intellectual Inquiry** Douglas Jacobsen, Douglas Gordon Jacobsen, Rhonda Hustedt Jacobsen, 2025 *Christianity and Intellectual Inquiry* examines the many ways that Christians past and present have tried to make sense of themselves and the world around them weaving together an intellectual and epistemological history of Christianity in America The book introduces the concept of pilgrimage as a metaphor that describes intellectual inquiry as an open ended search for truth that is in steady dialogue with others
