Evangelicals And Catholics Together Toward A Common Mission:

Evangelicals and Catholics Together Charles W. Colson, 1995 In March 1994 several prominent evangelical Protestant and Roman Catholic leaders gathered together for one historic purpose unity As these leaders explored previously divisive issues they developed an unprecedented and controversial statement of common mission called *Evangelicals and Catholics Together* In the wake of this controversy the authors have continued their partnership with this landmark book of the same name

Evangelicals and Catholics Together Charles W. Colson, Richard John Neuhaus, 1996 **Catholics and Evangelicals** Thomas P. Rausch, 2000 A report on the new dialogue growing up between Catholics and Protestant evangelicals with an honest summary of issues that still divide them **Evangelicals and Catholics Together at Twenty** Timothy George, Thomas G. Guarino, 2015-11-24 Founded by Charles Colson and Richard John Neuhaus in 1994 *Evangelicals and Catholics Together* ECT has fostered a fruitful conversation on the meaning of the gospel in today's world Over the course of twenty years ECT has issued nine statements addressing contemporary topics This one volume guide the first collection of the ECT statements explores the key accomplishments of this groundbreaking ongoing dialogue Introductions and notes provide context and discuss history and future prospects The book also includes prefaces by J I Packer and Cardinal Timothy Dolan a foreword by George Weigel and an epilogue by R R Reno and Kevin J Vanhoozer Monstrous Fictions Carl J. Rasmussen, 2016-09-14 The Reformer John Calvin has influenced America in a formative way Calvin remains respected as a theologian to whose work intellectuals on both the right and left appeal In the nineteen nineties *Evangelicals and Catholics Together* ECT formed a politically influential ecumenical coalition to oppose abortion and change the culture Its ecumenism of the trenches influenced the administration of George W Bush and continues to influence religious elements in the Tea Party Evangelicals in the coalition presume to speak for Calvin This book provides a counter argument Calvin rejects the ethics advocated by ECT an ethics of individual virtue conscience and natural right Instead he affirms an ethics of obedience to the authority of secular government as an institution with a divinely ordained mandate This work considers the following themes in Calvin Calvin on Faith Modern and postmodern philosophical approaches including Reformed epistemology do not explain how Calvin understood faith Faith is divine activity Belief is human activity Faith is not a belief system or worldview on which to base a political theology The author provides four Augustinian theses about Calvin on faith Calvin on Sanctification Calvin rejected virtue ethics or an ethics of individual conscience His ethics require self denial and service An important requirement of his ethics is obedience to government The author provides three theses about Calvin on sanctification as a critique of attempts to revive virtue ethics Calvin on Natural Law Calvin's doctrine of natural law is one of the most vexed issues in Calvin studies The author provides five theses to clarify Calvin's doctrine of natural law For Calvin secular government transcends the authority of conscience and Christians in conscience are required to obey it In conclusion the author discusses Karl Barth's interpretation of Calvin and its relevance for the church struggle against the Third Reich

Based on his analysis of Calvin he provides a defense of gay marriage and the right to terminate a pregnancy as well as an analysis of religious freedom Calvin would reject ECT's theology of virtue conscience and natural law But he would affirm its ecumenism as a possible path out of culture war

Evangelicals and Democracy in America Steven G. Brint, Jean Reith Schroedel, Steven Brint, 2011-09 By the end of the nineteenth century the vast majority of U S churches were evangelical in outlook and practice America's turn toward modernism and embrace of science in the early twentieth century threatened evangelicalism's cultural prominence But as confidence in modern secularism wavered in the 1960s and 1970s evangelicalism had another great awakening The two volumes of *Evangelicals and Democracy in America* trace the development and current role of evangelicalism in American social and political life Volume I focuses on who evangelicals are today how they relate to other groups and what role they play in U S social institutions Part I of *Religion and Society* examines evangelicals' identity and activism Contributor Robert Wuthnow explores the identity built around the centrality of Jesus church and community service and the born again experience Philip Gorski explores the features of American evangelicalism and society that explain the recurring mobilization of conservative Protestants in American history Part II looks at how evangelicals relate to other key groups in American society Individual chapters delve into evangelicals' relationship to other conservative religious groups women and gays African Americans and mainline Protestants These chapters show sources of both solidarity and dissension within the traditionalist alliance and the hidden strengths of mainline Protestants' moral discourse Part III examines religious conservatives' influence on American social institutions outside of politics W Bradford Wilcox David Sikkink Gabriel Rossman and Rogers Smith investigate evangelicals' influence on families schools popular culture and the courts respectively What emerges is a picture of American society as a consumer marketplace with a secular legal structure and an arena of pluralistic competition interpreting what constitutes the public good These chapters show that religious conservatives have been shaped by these realities more than they have been able to shape them *Evangelicals and Democracy in America* Volume I is one of the most comprehensive examinations ever of this important current in American life and serves as a corrective to erroneous popular representations These meticulously balanced studies not only clarify the religious and social origins of evangelical mobilization but also detail both the scope and limits of evangelicals' influence in our society This volume is the perfect complement to its companion in this landmark series *Evangelicals and Democracy in America* Volume II *Religion and Politics*

Faith Alone---The Doctrine of Justification Thomas R. Schreiner, 2015-09-15 Renowned biblical scholar Thomas Schreiner looks at the historical and biblical roots of the doctrine of justification and offers an updated defense of this pillar of Reformed theology Reinvigorating one of the five great declarations of the Reformation sola fide Schreiner Summarizes the history of the doctrine looking at the early church and the writings of several of the Reformers Walks readers through an examination of the key biblical texts in the Old and New Testament that support the Reformed understanding of justification Discusses whether justification is transformative or

forensic and introduces readers to some of the contemporary challenges to the Reformation teaching of sola fide with particular attention to the new perspective on Paul Five hundred years after the Reformation the doctrine of justification by faith alone still needs to be understood and proclaimed In Faith Alone you will learn how the rallying cry of sola fide is rooted in the Scriptures and how to understand this doctrine in a fresh way THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Four Views on the Spectrum of Evangelicalism Kevin Bauder, R. Albert Mohler, Jr., John G. Stackhouse, Jr., Roger E. Olson, 2011-10-04 Understand the history core values and divisions as they ve developed within the Evangelical Christian movement Four Views on the Spectrum of Evangelicalism compares and contrasts four distinct positions on the current fundamentalist evangelical spectrum Each contributor offers their case for one of four primary views Fundamentalism defended by Kevin T Bauder Conservative confessional evangelicalism defended by R Albert Mohler Jr Generic evangelicalism defended by John G Stackhouse Jr Postconservative evangelicalism defended by Roger E Olson Each author explains and defends his position which is critiqued by the other three authors The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Theological Dialogue with Classical Pentecostals Jelle Creemers, 2015-09-24 The last two decades have witnessed the growing participation in theological dialogues of non institutional free church movements This poses a serious challenge to 21st century ecumenism since ecclesial realities and internal diversity of these movements impede fruitful dialogue in the classical manner The present volume addresses fundamental aspects of this challenge by a critical study of an exemplary case of such dialogues the International Roman Catholic Classical Pentecostal Dialogue 1972 2007 This unique study builds both on primary archival sources and on earlier research on the IRCCPD After providing an ecumenical profile of the Classical Pentecostal dialogue partner Creemers demonstrates how fair representation of the Classical Pentecostal movement has been pursued in the course of the dialogue Next he gives attention to the ecumenical method of the IRCCPD First the development of a dialogue method hinging on hard questions is traced which has allowed a balanced theological exchange between the dialogue partners Regarding theological method it is demonstrated that both partners showed a willingness to experiment together by integrating sources of theological knowledge typically distrusted in

their own traditions In conclusion the analyses are integrated in an overview of challenges and opportunities for dialogue with the Classical Pentecostal movement in the context of ongoing discussions on ecumenical method **J. I. Packer** Alister McGrath,2020-11-10 J I Packer was one of the most influential evangelical theological and spiritual writers of the twentieth century In this beautiful recollection of Packer s life and faith Alister McGrath explores his many contributions to theology and spirituality engagingly setting out the central themes of his work for a new generation of readers **Justification by Faith in Catholic-Protestant Dialogue** Anthony N. S. Lane,2006-06-10 In this assessment of the recent Catholic Protestant dialogue concerning the doctrine of justification Anthony Lane begins by discussing traditional Protestant doctrine with close reference to Calvin and traditional Catholic doctrine with close reference to the Council of Trent He goes on to examine eight key documents from Hans Kung s Justification 1957 to the Joint Declaration on the Doctrine of Justification 1999 Fifteen key theological issues are then explored These include the status of theological language used by Catholics and Evangelicals the definition of justification the grounds on which a person is accounted righteous the question of sin remaining in the Christian whether faith alone can save the relationship between law and gospel the question of merit and reward the assurance of salvation and finally a discussion on the Roman Magisterium and current Evangelical responses to recent changes in Catholic theology In conclusion Anthony Lane discusses the extent to which any agreement or convergence of thinking has been achieved and its future significance **Worship, Tradition, and Engagement** David S. Dockery,James Earl Massey,Robert Smith Jr.,2018-04-20 Worship Tradition and Engagement is designed to honor the life scholarship and influence of Timothy George the founding dean of Beeson Divinity School Timothy George is one of the premier evangelical scholars and leading statesmen of this generation This volume reflects on the many themes of Dean George s life and ministry including theology church history gospel church worship tradition and engagement The book edited by David S Dockery James Earl Massey and Robert Smith Jr includes essays by some of the most notable scholars and leaders of our day including Kevin Vanhoozer Robert P George Albert Mohler Graham Cole Gerald Bray Elizabeth Newman Richard Mouw Thomas Guarino Will Willimon and several others Each author makes a distinctive and significant contribution to this important project bringing depth and breadth to this thematic volume designed to honor scholar and Christian leader Timothy George **Catholics and US Politics After the 2016 Elections** Marie Gayte,Blandine Chelini-Pont,Mark J. Rozell,2017-10-20 This book examines both the evolution of the Catholic vote in the US and the role of Catholic voters in the historic 2016 elections There is a paucity of academic works on Catholics and US politics scholars of religion and US politics tend to focus on evangelical Protestant voters even though Catholics are widely considered the swing vote in national elections The 2016 presidential election proves that the swing vote component of that group matters in close elections What Trump gained from his impressive showing among Catholics he could certainly lose in 2020 should he seek re election just as Hillary Clinton lost the clear advantage among Catholics achieved by Barack Obama in 2008 and 2012 The book begins by analyzing the ideological patterns in the politics

of U S Catholics as well as key alliances and concludes by studying the political influences of the U S Catholic Bishops and the Holy See

Christianity and Intellectual Inquiry Douglas Jacobsen, Douglas Gordon Jacobsen, Rhonda Hustedt Jacobsen, 2025 Christianity and Intellectual Inquiry examines the many ways that Christians past and present have tried to make sense of themselves and the world around them weaving together an intellectual and epistemological history of Christianity in America The book introduces the concept of pilgrimage as a metaphor that describes intellectual inquiry as an open ended search for truth that is in steady dialogue with others

American Evangelicals and Religious Diversity Kevin M. Taylor, 2006-05-01 American Evangelicals and Religious Diversity is a qualitative study of how religion and education intersect at one conservative Christian school The school is Evangelical and American The school s curriculum is bible based and fulfills its state s educational requirements for high school graduation While the school has an environment that is Evangelical the students live in a religiously diverse world This book documents how three students and their teacher struggle to understand a world that challenges their faith The context for this understanding is how the teacher presents and the three students come to understand Catholicism Islam and the indigenous religions of the Americas Americans continue to debate whether religious schools are too parochial and do not prepare students to live a diverse society

Under Siege Don Hutchinson, 2017-02-21 Writing from the perspective of a student of life history law politics and theology Don Hutchinson draws on all of these areas in Under Siege to offer perceptive insight into the Christian Church of today s Canada The reader will receive the benefit of his thirty years of church leadership Christian witness constitutional law and public policy experience to gain a practical understanding of how we the Church may cast the deciding votes on the future of Christianity in our constitutionally guaranteed free and democratic society How did we get here What happened to Christian Canada Do we not have Charter rights like everyone else What does the Bible say Many Christians sense that an advancing secularism is trying to force upon Canadians a culture in which faith is meant to be private Hutchinson presents historic legal and theological grounds for us not to hide our faith in

stained glass closets but instead to enter Canada's contested public space with confidence Together as individual Christians congregations denominations and para congregational ministries we are the Church in Canada And together we have the capacity to impact the nation for God's good the good of our neighbours and the good of ourselves Will we

The Age of Evangelicalism Steven Patrick Miller, 2014 At the start of the twenty first century America was awash in a sea of evangelical talk The Purpose Driven Life Joel Osteen The Left Behind novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline The Age of Evangelicalism chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey's doomsday prophecies and Marabel Morgan's sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between The Age of Evangelicalism contained multitudes it was the age of Christian hippies and the silent majority of Footloose and The Passion of the Christ of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions of Americans came to terms with their times

Prodigal Nation Andrew R. Murphy, 2011-01-05 America's supposed moral decline from an imagined golden age and the threat of divine punishment for the sin of straying from the path of righteousness have been consistent themes in its political and religious rhetoric In Prodigal Nation Andrew Murphy investigates the jeremiad's historical roots and probes the ways in which it continues to illuminate themes and tensions in American social and political life
