## **Evangelicals In The White House:**

**Team Trump and the Evangelical White House** G. J. Hocking, 2020-06-26 In Team Trump and the Evangelical White House the author paints perhaps a different picture of Donald J Trump than you will find in the mainstream media With so many Trump Thumping articles opinion pieces and news stories doing the rounds today it is refreshing therefore to get a glimpse into a different side of the Trump White House Surprisingly the author shows a faith friendly president whose relationship with evangelicals goes back nearly two decades As the author proposes throughout Trump s Team has energized evangelical Christians in a way not seen for a long time Some even hark back in their comparisons of the current White House to the Reagan era This was when the well known Moral Majority backed a former Hollywood actor launching Ronald Reagan into the fortieth presidency The book begins by exploring why picking V P Pence made sense in bringing evangelicals on board with the Trump agenda You ll also see how the White House welcome mat is once again out for evangelicals as the front door is always open to people of faith Prayer Force One will give you a glimpse perhaps of a side of Donald Trump you may not have seen as he prays with faith leaders These fifteen chapters will look at how the White House was won and may yet be won again with evangelical support in 2020

**Evangelicals in the White House** Erling Jorstad, 1981 This text seeks to distinguish between moderate press on and conservative hold fast evangelicals characterizing Jimmy Carter as the former and Ronald Reagan as the latter and attributes Reagan s and the hold fast evangelicals political successes to their mastery of computer and television technology

**Faith in the Halls of Power : How Evangelicals Joined the American Elite** Religion and Urban Life Rice University D. Michael Lindsay Assistant Professor of Sociology and Assistant Director and Faculty Fellow at the Center on Race, 2007-09-24 Evangelicals once at the periphery of American life now wield power in the White House and on Wall Street at Harvard and in Hollywood How have they reached the pinnacles of power in such a short time And what does this mean for evangelicals and for America Drawing on personal interviews with an astonishing array of prominent Americans including two former Presidents dozens of political and government leaders more than 100 top business executives plus Hollywood moguls intellectuals athletes and other powerful figures D Michael Lindsay shows first hand how they are bringing their vision of moral leadership into the public square This riveting volume tells us who the real evangelical power brokers are how they rose to prominence and what they re doing with their clout Lindsay reveals that evangelicals are now at home in the executive suite and on the studio lot and from those lofty perches they have used their influence money and ideas to build up the evangelical movement and introduce it to the wider American society They are leaders of powerful institutions and their goals are ambitious to bring Christian principles to bear on virtually every aspect of American life Along the way the book is packed with fascinating stories and striking insights Lindsay shows how evangelicals became a force in American foreign policy how Fortune 500 companies are becoming faith friendly and how the new generation of the faithful is led by cosmopolitan evangelicals These are well educated men and women who read both The

New York Times and Christianity Today and who are wary of the evangelical masses penchant for polarizing rhetoric apocalyptic pot boilers and bad Christian rock Perhaps most startling is the importance of personal relationships between leaders a quiet conversation after Bible study can have more impact than thousands of people marching in the streets Faith in the Halls of Power takes us inside the rarified world of the evangelical elite beyond the hysterical panic and chest thumping pride to give us the real story behind the evangelical ascendancy in America The Evangelicals Frances FitzGerald, 2017-04-04 Winner of the 2017 National Book Critics Circle Award National Book Award Finalist Time magazine Top 10 Nonfiction Book of the Year New York Times Notable Book Publishers Weekly Best Books of 2017 This epic history The Boston Globe from Pulitzer Prize winning historian Frances FitzGerald is the first to tell the powerful dramatic story of the Evangelical movement in America from the Puritan era to the 2016 election We have long needed a fair minded overview of this vitally important religious sensibility and FitzGerald has now provided it The New York Times Book Review The evangelical movement began in the revivals of the eighteenth and nineteenth centuries known in America as the Great Awakenings A populist rebellion against the established churches it became the dominant religious force in the country During the nineteenth century white evangelicals split apart first North versus South and then modernist versus fundamentalist After World War II Billy Graham attracted enormous crowds and tried to gather all Protestants under his big tent but the civil rights movement and the social revolution of the sixties drove them apart again By the 1980s Jerry Falwell and other southern televangelists such as Pat Robertson had formed the Christian right Protesting abortion and gay rights they led the South into the Republican Party and for thirty five years they were the sole voice of evangelicals to be heard nationally Eventually a younger generation proposed a broader agenda of issues such as climate change gender equality and immigration reform Evangelicals now constitute twenty five percent of the American population but they are no longer monolithic in their politics They range from Tea Party supporters to social reformers Still with the decline of religious faith generally FitzGerald suggests that evangelical churches must embrace ethnic minorities if they are to survive A well written thought provoking and deeply researched history that is impressive for its scope and level of detail The Wall Street Journal Her brilliant book could not have been more timely more well researched more well written or more necessary The American Scholar Evangelicals and Presidential Politics Andrew S. Moore, 2021-04-07 Using as their starting point a 1976 Newsweek cover story on the emerging politicization of evangelical Christians contributors to Evangelicals and Presidential Politics engage the scholarly literature on evangelicalism from a variety of angles to offer new answers to persisting questions about the movement The standard historical narrative describes the period between the 1925 Scopes Trial and the early 1970s as a silent one for evangelicals and when they did re engage in the political arena it was over abortion Randall J Stephens and Randall Balmer challenge that narrative Stephens moves the starting point earlier in the twentieth century and Balmer concludes that race not abortion initially motivated activists In his examination of the relationship between African

Americans and evangelicalism Dan Wells uses the Newsweek story's sidebar on Black activist and born again Christian Eldridge Cleaver to illuminate the former Black Panther's uneasy association with white evangelicals Daniel K Williams Allison Vander Broek and J Brooks Flippen explore the tie between evangelicals and the anti abortion movement as well as the political ramifications of their anti abortion stance The election of 1976 helped to politicize abortion which both encouraged a realignment of alliances and altered evangelicals expectations for candidates developments that continue into the twenty first century Also in 1976 Foy Valentine leader of the Southern Baptist Christian Life Commission endeavored to distinguish the South's brand of Protestant Christianity from the evangelicalism described by Newsweek Nevertheless Southern Baptists quickly became associated with the evangelicalism of the Religious Right and the South's shift to the Republican Party Jeff Frederick discusses evangelicals politicization from the 1970s into the twenty first century suggesting that southern religiosity has suffered as southern evangelicals surrendered their authenticity and adopted a moral relativism that they criticized in others R Ward Holder and Hannah Dick examine political evangelicalism in the wake of Donald Trump's election Holder lays bare the compromises that many Southern Baptists had to make to justify their support for Trump who did not share their religious or moral values Hannah Dick focuses on media coverage of Trump's 2016 campaign and contends that major news outlets misunderstood the relationship between Trump and evangelicals and between evangelicals and politics in general The result she suggests was that the media severely miscalculated Trump's chances of winning the election

*The ^AAge of Evangelicalism* Steven P. Miller, 2014-04-10 Steven P Miller explores the place and meaning of evangelical Christianity in the United States between 1970 and 2008

**Evangelicalism and Fundamentalism** Barry Hankins, 2008-11 Evangelicalism and Fundamentalism is a collection of key primary readings tracing the history and development of this religious movement and its intersections with American life and politics spanning the late nineteenth century to the early twenty first century from publisher description

Evangelicals Incorporated Daniel Vaca, 2019-12-03 A new history explores the commercial heart of evangelical Christianity American evangelicalism is big business For decades the world's largest media conglomerates have sought out evangelical consumers and evangelical books have regularly become international best sellers In the early 2000s Rick Warren's *The Purpose Driven Life* spent ninety weeks on the New York Times Best Sellers list and sold more than thirty million copies But why have evangelicals achieved such remarkable commercial success According to Daniel Vaca evangelicalism depends upon commercialism Tracing the once humble evangelical book industry's emergence as a lucrative center of the US book trade Vaca argues that evangelical Christianity became religiously and politically prominent through business activity Through areas of commerce such as branding retailing marketing and finance for profit media companies have capitalized on the expansive potential of evangelicalism for more than a century Rather than treat evangelicalism as a type of conservative Protestantism that market forces have commodified and corrupted Vaca argues that evangelicalism is an expressly commercial religion Although religious traditions seem to

incorporate people who embrace distinct theological ideas and beliefs Vaca shows members of contemporary consumer society often participate in religious cultures by engaging commercial products and corporations By examining the history of companies and corporate conglomerates that have produced and distributed best selling religious books bibles and more Vaca not only illustrates how evangelical ideas identities and alliances have developed through commercial activity but also reveals how the production of evangelical identity became a component of modern capitalism

**God, Trump, and the 2020 Election** Stephen E. Strang, 2020 A look at the election Trump and America from a spiritual perspective God's Own Party Daniel K. Williams, 2012-07-12 In God's Own Party Daniel K Williams presents the first comprehensive history of the Christian Right uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation

**The Faiths of the Postwar Presidents** David L. Holmes, 2020-10-07 Impressively balanced accounts of such matters as Nixon's betrayal of Billy Graham's trust and Obama's connection to Jeremiah Wright An interesting take Booklist From the author of *The Faiths of the Founding Fathers* an acclaimed account of the spiritual beliefs of such iconic Americans as Franklin Washington and Jefferson this is a measured look at the role of faith in the lives of twelve presidents who have served since the end of World War II David Holmes examines not only the beliefs professed by each president but also the variety of possible influences on their religious faith such as their upbringing their education and the faith of their spouse In each profile close observers such as clergy family members friends and advisors recall churchgoing habits notable displays of faith or lack of it and the influence of their faiths on policies concerning abortion the death penalty Israel and other controversial issues Whether discussing John F Kennedy's philandering and secularity or Richard Nixon's betrayal of Billy Graham's naive trust during Watergate Holmes includes telling and often colorful details not widely known or long forgotten We are reminded for instance how Dwight Eisenhower tried to conceal the background of his parents in the Jehovah's Witnesses and how the Reverend Cotesworth Lewis's sermonizing to Lyndon Johnson on the Vietnam War was actually not a left but a right wing critique An admirable and colorful yet balanced look at our recent Presidents and their religious beliefs It will have wide appeal for all readers and particularly for those interested in presidential history

Library Journal **Religion and Politics in the Contemporary United States** R. Marie Griffith, Melani McAlister, 2008-06-09 This collection of essays from a special issue of *American Quarterly* explores the complex and sometimes contradictory ways that religion matters in contemporary public life *Religion and Politics in the Contemporary United States* offers a groundbreaking cross disciplinary conversation between scholars in American studies and religious studies The contributors explore numerous modes through which religious faith has mobilized political action They utilize a variety of definitions of politics ranging from lobbying by religious leaders to the political impact of popular culture Their work includes the political activities of a very diverse group of religious believers Christians Jews Muslims Hindus Buddhists and others In addition the book explores the meanings of religion for people who might contest the term those who are

spiritual but not religious for example as well as activists who engage symbols of faith and community but who may not necessarily consider themselves members of a specific religion Several essays also examine the meanings of secular identity humanist politics and the complex evocations of civil religion in American life No other book on religion and politics includes anything like the diversity of religions ethnicities and topics that this one does from Mormon political mobilization to attempts at Americanizing Muslims in the post 9 11 United States from C sar Ch vez to James Dobson from interreligious cooperation and conflict over Darfur to the global politics surrounding the category of Hindus and South Asians in the United States

**American Evangelicals for Trump** André Gagné,2023-12-01 This book introduces the American Evangelical movement and the role it played in the support of Donald Trump Specifically it focuses on the Neocharismatic Pentecostal NCP leaders their beliefs and their political strategies The author examines why 81% of white evangelicals voted for Trump in 2016 and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency Additionally the book discusses how NCP leaders are part of the Christian Right a religious coalition with a political agenda centered on controversial issues such as anti abortion activism opposition to LGBTQ rights and the protection of religious freedom Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020 Dominion Spiritual Warfare and Eschatology the End Times the book examines how these ideas have sustained the evangelicals close to U S political power in the Trump era In light of the potential for Trump s return to power in 2024 the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring It is an essential read for all students and researchers of Evangelicalism Religion in America Political Theology or Religion and Politics

Trump And The Puritans James Roberts,Martyn Whittock,2020-01-14 The year 2020 is a hugely significant one for the United States of America marking as it does the 400th anniversary of the arrival of the Mayflower Pilgrims to the New World and their establishment of a godly colony in what was for them the American wilderness But it is also the year of the next Presidential election one where the current occupant is expected to stand for re election Many millions of Americans will not see this as a random juxtaposition of events since for them the unlikely person of Donald Trump is the one chosen by God to implement a twenty first century programme of godly rule and the restoration of American spiritual exceptionalism that is directly rooted in those far off times when Puritan settlers who followed in 1630 first established a semi theocratic New Jerusalem in the New World The USA is the home of more Christians than any other nation on earth In 2014 research revealed that 70 6 per cent of Americans identified as Christians of some form with 25 4% identifying as Evangelicals Eighty one per cent of them around 33 7 million people voted Trump in 2016 How can it be that self described Christians of the Evangelical Religious Right see of all people Donald Trump as their political representative and thus defender of their cause Trump and the Puritans argues that while Donald Trump is no Puritan the long term influence of these 17th century radicals makes the USA different from any other Western democracy and that this influence motivates and energizes a key element of his base to an

astounding degree and has played a major part in delivering political power to Trump      **Pat Robertson** David John Marley, 2007 A portrait of the 700 Club host and co founder of the Christian Coalition considers his role as a reviled figure in the secular world and a formidable role model among Christian fundamentalists in a profile that lauds his achievements while questioning some of his decisions      **Architect of Evangelicalism** Carl F. H. Henry, 2019-11-27 Discover the ongoing relevance of the essential evangelical In recent years the label evangelical has been distorted and its usefulness questioned No one is better equipped to provide a clear understanding of evangelicalism than the late Carl F H Henry the founding editor of Christianity Today and the most influential theologian of American evangelicalism in the twentieth century While Billy Graham was preaching the gospel to stadiums full of people Henry was working tirelessly to help Christians adopt a worldview that encompasses all of life Architect of Evangelicalism helps us gain a better sense of the roots of American evangelicalism by giving us the best of Henry's Christianity Today essays on subjects such as what defines evangelicalism what separates it from theological liberalism what evangelical Christian education should look like and how evangelicals should engage with society      **Conservative Christians and Political Participation** Glenn H. Utter, James L. True, 2004-11-23 A timely exploration of the political history growth and impact of one of the most powerful religious groups in the United States Conservative Christians and Political Participation examines the involvement and influence of the growing number of Conservative Christians in America A historical overview of the interaction of religion and politics from colonial times to today sets the stage for a deeper exploration into the demographics of this group the concerns they share and the creative methods they employ to achieve their goals through protests political activity leadership and group organization Case studies tackle highly emotional issues like same sex marriage decency in the mass media school prayer euthanasia and American foreign policy toward Israel The book also covers leaders such as Pat Buchanan and Ralph Reed and discusses how they have been effective in their lobbying efforts through organizations like the Christian Action Network and the American Family Association      *Performing for the Don* Hank Willenbrink, 2023-11-23 This volume examines the intersection of political power and religion during the presidency of Donald Trump through an examination of performance This study begins with an examination of white evangelical Christian support for Trump through readings of the 2018 film The Trump Prophecy based on a book of the same name and The Faith of Donald J Trump a spiritual biography of the former president by veteran Christian reporters David Brody and Scott Lamb White evangelicals Christianized Trump during his run for office in 2016 and Trump's ascension to the presidency broke down barriers between church and state in service of dominionistic Christian aims This exploration then looks at the conservative Catholicism through an exploration of Heroes of the Fourth Turning a finalist for the 2019 Pulitzer Prize for Drama by Will Arbery and Rod Dreher's The Benedict Option While Trump's connection to evangelicals is well documented conservative Catholics like Attorney General Bill Barr and Supreme Court Justice Amy Coney Barrett took on pivotal roles during the Trump administration demonstrating the

significance of conservative Catholicism to his presidency The author finally examines the cult of Trump on the internet by interrogating the performance of spirituality in pro Trump conspiracy theories like QAnon This book will be of great interest not only to theatre and performance studies scholars but also scholars with interests in political and religious studies

*Obama and the World* Inderjeet Parmar, Linda B. Miller, Mark Ledwidge, 2014-04-16 This significantly revised updated and extended second edition of *New Directions in US Foreign Policy* retains the strongest aspects of its original structure but adds a comprehensive account of the latest theoretical perspectives the key actors and issues and new policy directions Offering a detailed and systematic outline of the field this text Explains how international relations theories such as realism liberalism and constructivism can help us to interpret US foreign policy under President Obama Examines the key influential actors shaping foreign policy from political parties and think tanks to religious groups and public opinion Explores the most important new policy directions under the Obama administration from the Arab Spring and the rise of China to African policy and multilateralism Supplies succinct presentation of relevant case material and provides recommendations for further reading and web sources for pursuing future research Written by a distinguished line up of contributors actively engaged in original research on the topics covered and featuring twelve brand new chapters this text provides a unique platform for rigorous debate over the contentious issues that surround US foreign policy This wide ranging text is essential reading for all students and scholars of US foreign policy

**Evangelicals and Israel** Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church's past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush's beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies *Evangelicals and Israel* corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most

nuanced account to date of the motives and theology behind Christian Zionism

As recognized, adventure as well as experience nearly lesson, amusement, as with ease as settlement can be gotten by just checking out a ebook **Evangelicals In The White House** also it is not directly done, you could take on even more on this life, on the subject of the world.

### **Evangelicals In The White House Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Evangelicals In The White House has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Evangelicals In The White House has opened up a world of possibilities. Downloading Evangelicals In The White House provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Evangelicals In The White House has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Evangelicals In The White House. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Evangelicals In The White House. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Evangelicals In The White House, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Evangelicals In The White House has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Evangelicals In The White House Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Evangelicals In The White House is one of the best book in our library for free trial. We provide copy of Evangelicals In The White House in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Evangelicals In The White House. Where to download Evangelicals In The White House online for free? Are you looking for Evangelicals In The White House PDF? This is definitely going to save you time and cash in something you should think about.
