Covenant Brothers Daniel G. Hummel, 2019-04-30 Weaving together the stories of activists American Jewish leaders and Israeli officials in the wake of the establishment of the state of Israel in 1948 *Covenant Brothers* portrays the dramatic rise of evangelical Christian Zionism as it gained prominence in American politics Israeli diplomacy and international relations after World War II According to Daniel G Hummel conventional depictions of the Christian Zionist movement the organized political and religious effort by conservative Protestants to support the state of Israel focus too much on American evangelical apocalyptic fascination with the Jewish people Hummel emphasizes instead the institutional international interreligious and intergenerational efforts on the part of Christians and Jews to mobilize evangelical support for Israel From missionary churches in Israel to Holy Land tourism from the Israeli government to the American Jewish Committee and from

Billy Graham's influence on Richard Nixon to John Hagee's courting of Donald Trump Hummel reveals modern Christian Zionism to be an evolving and deepening collaboration between Christians and the state of Israel He shows how influential officials in the Israeli Ministry of Religious Affairs and Foreign Ministry tasked with pursuing a religious diplomacy that would enhance Israel's standing in the Christian world combined forces with evangelical Christians to create and organize the vast global network of Christian Zionism that exists today He also explores evangelicalism's embrace of Jewish concepts motifs and practices and its profound consequences on worshippers political priorities and their relationship to Israel Drawing on religious and government archives in the United States and Israel Covenant Brothers reveals how an unlikely mix of Christian and Jewish leaders state support and transnational networks of institutions combined religion politics and international relations to influence U S foreign policy and eventually global geopolitics *Three Perspectives: Jewish, Christian, and Muslim* Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migrant named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the author's earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world Evangelical and Jews in the Age of Pluralism Christianity Today, American Jewish Congress. Dispensationalism, Israel and the Church Craig A. Blaising, Darrell L. Bock, 2010-08-10 The relationship between Israel and the church is a crucial reference point in theology especially in distinguishing between dispensational and nondispensational ways of thinking The thesis of this book is that Israel and the church are distinct theological institutions that have arisen in the historical progress of divine revelation But they are also related as successive phases of a redemptive program that is historically progressive and eschatologically converging The approach to these issues here is neither polemical nor apologetic rather it anticipates a convergence among evangelical scholars in the recognition of both continuity and discontinuity in the Israel church relationship This book has three purposes To offer a contemporary dispensational treatment of that relationship through an exegetical examination of key texts with a focus on theological concerns To foster genuine dialogue with nondispensational thinkers regarding major biblical themes tied to the plan of God To identify the changes in dispensational thought that have developed since the publication of Charles Ryrie s book *Dispensationalism Today* in 1965

Donald G. Bloesch Paul Maher, 2007 Donald G Bloesch is among the most important American theologians of the 20th and early 21st centuries He calls himself a catholic evangelical and indeed his appeal is as wide as those terms imply His work has appeared in Catholic religious periodicals as well as many varieties of Protestant publications both mainstream and lesser known As a prolific author Bloesch s writing is scattered across a large number of journals many of which are difficult to access and reviews of his work appear in an even larger range of forums Donald G

Gilbert S Rosenthal, 2017-03-31. In 1965 the Second Vatican Council formally issued a historic document titled *Nostra Aetate* (In Our Time). It was an attempt to frame the relationship between the Roman Catholic Church and the Jewish people. Never before had an ecumenical council attempted such a task. The landmark document issued by the Council and proclaimed by Pope Paul VI precipitated a Copernican revolution in Catholic-Jewish relations and started a process that has spread to the Protestant and Orthodox worlds as well. *A Jubilee for All Time*, consisting of essays and reflections by Catholic, Protestant, Orthodox and Jewish scholars and theologians, by pastors and professors from the United States, Canada, Ireland, Great Britain and Israel, is an evaluation of what *Nostra Aetate* has accomplished thus far and how Christian-Jewish relations must proceed in building bridges of respect, understanding and trust between the faith groups. *A Jubilee for All Time* serves as a source of discussion, learning and dialogue for scholars, students and intelligent laypersons who believe that we must create a positive relationship between Judaism and Christianity. **Jerome and the Jews** William L. Krewson, 2017-05-31. Jerome rocked the boat in which the early church had been comfortably settled for two hundred years. He upset Christian tradition by arguing for the priority of the Hebrew Old Testament over the supposedly inspired Greek Septuagint. He learned Hebrew from a Jewish teacher and translated the Old Testament directly from Hebrew into Latin. Not only did his new Latin translation create turmoil, but the inclusion of Jewish interpretations in his commentaries furthered the controversy. Unlike his contemporaries, Jerome viewed the Jews and their homeland as a source of information and inspiration. However, at the same time, Jerome freely admitted his hatred of the Jews and their religion. His caustic rhetoric reinforced the Christian church's displacement of the Jews, but it seems to oppose his move toward appreciating Jewish resources. This book illuminates Jerome's contradictory personality, proposes a solution and explores avenues for current Christian and Jewish relations in light of Jerome's model. *Uneasy Allies?* Alan Mittleman, Byron Johnson, Nancy Isserman, 2007-01-01. *Uneasy Allies* offers a careful study of the cultural distance between Jews and Evangelicals, two groups that have been largely estranged from one another. Alan Mittleman, Byron Johnson and Nancy Isserman bring together a collection of critical essays that investigate how each group perceives the other and the evolution of their relationship. *Jewish Scholarship on the Resurrection of Jesus* David Mishkin, 2017-09-07. The Jewish study of Jesus has made enormous strides within the last two hundred years. Virtually every aspect of the life of Jesus and related themes have been analyzed and discussed. Jesus has been reclaimed as a fellow Jew by

many although what this actually means remains a matter for discussion Ironically the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all his resurrection from the dead This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship

Our Father Abraham Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson's own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson's widely acclaimed book will offer encouragement and wise guidance toward this worthy end

The Ethics of Evangelism Elmer J Thiessen, 2014-08-08 This is a brief and accessible examination of the ethics of evangelism in a post Christian culture Thiessen discusses the immoral practices and attitudes that are sometimes associated with evangelism and then turns his insightful attention to a better way of approaching the subject Should we try to bring people to Christ or not In a multi cultural world evangelism is often under attack with those seeking to evangelise sometimes being branded arrogant ignorant hypocritical and meddlesome Against such a backdrop this unique book asks what sort of evangelism is ethical in a liberal post Christian society

Communities in Conflict David A. Rausch, 1991 A comparative juxtaposition of the two communities with an overview of the relations between them In the eyes of many Jews the evangelicals are highly antisemitic The evangelical leadership is now trying to overcome the memberships prejudices against the Jews and is making efforts to exclude an anti Jewish tone from the curricula and the textbooks of the Sunday schools and from other publications for religious instruction Pp 111 121 show that nevertheless the Key 73 campaign launched by the Conference of Evangelical Churches in 1973 in Washington was encountered with suspicion by some Jewish religious leaders because of its clear missionary tendency Some evangelical authors overtly expressed anti Zionist and anti Israel views
