Evangelism The Ministry Of The Church:

Evangelism John MacArthur, 2011-03-22 A clear biblical theology of evangelism presented with a historical foundation and practical instruction Expand your MacArthur Pastor s Library to include this much needed topic Evangelism begins by comparing the current state of outreach in American Christianity with evangelism throughout church history and also in the Bible Presenting a theology on the subject that addresses the theological principles that govern evangelism showing how they are played out in the church as well as the family and personal interaction It includes preaching one on one witnessing missions parenting evangelism and commissioning and supporting missionaries This book s substantive and doctrinally insightful guide to biblical outreach complements the previous volumes Preaching Biblical Counseling and Pastoral Ministry

Evangelism Today Scott Dawson, Scott Lenning, 2009-08-01 Although the message of the Gospel never changes our methods for communicating it need to adjust to an ever changing audience Evangelism Today helps believers whether individually or in groups share their faith in a culturally relevant way This book draws on insights from dozens of evangelists church leaders and educators to reveal present and future trends of evangelism in America It explores whether evangelism is still needed and in what form what the local church s role should be and where the biggest evangelistic opportunities are emerging Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and straightforward book

Spirit-Led Evangelism Ché Ahn, 2008-05 Most Christians know they should share their faith in Jesus Christ with unbelievers but not everyone is on the same footing Some hardly know where to start Others move with confidence but want to explore areas of greater effectiveness In the body of Christ the call to evangelism is clear but the gifting is different Now available in trade paper Spirit Led Evangelism helps remove any barriers to answering that call With practical teaching and personal illustrations Ch Ahn explains the priority of evangelism and equips readers to move to higher levels of success With a special emphasis on power evangelism this book helps both hesitant and on fire Christians deepen their skills for following Christ into all the world

The Study of Evangelism Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church s mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism

The Gospel and Its Meaning Harry Lee Poe, 1996 The Gospel speaks to a broad range of concerns concerns that differ from person to person group to group culture to culture Yet the practice of the twentieth century church has been to concentrate on one part of the Gospel repentance and justification as if it were the whole and to proclaim that part uniformly often without meaningful context that would demonstrate the relevance of Christ

to the hearer The Gospel and Its Meaning breaks fresh ground for evangelism It equips the students of evangelism with theological foundations for reaching diverse groups from Hindi pantheists to radical environmentalists without compromising the Gospel s integrity The Gospel and Its Meaning Identifies the basic elements of the Gospel Shows the relationship of these elements to specific doctrines of theology Identifies theologians and systems that have focused on particular doctrines Shows which elements of the Gospel deal most clearly with various issues of evangelism Suggests avenues of ministry that can address each evangelistic issue By showing how different parts of the Gospel address the concerns of people within and without the Judeo Christian worldview The Gospel and Its Meaning helps those in any kind of evangelistic ministry to develop a means for connecting the Gospel directly to the world of the hearer while distinguishing it clearly from philosophies of relativism and pluralism

Models of Evangelism Priscilla Pope-Levison, 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model

Service Evangelism Richard Stoll Armstrong, 1979-01-01 Service Evangelism has been used by thousands of pastors and lay leaders throughout the United States and Canada to advance a style of evangelism that combines the social and personal dimensions of the gospel Growing God's Church Gary L. McIntosh, 2016-01-12 It s no secret that the evangelism methods of yesterday are not yielding the kinds of results they did in the 1970s and 1980s So how are new Christians hearing the Gospel today How are they finding churches And what makes them stay at a church The answers to these questions have the power to dramatically alter the way we do outreach And Dr McIntosh has them Based on ten years of scientific research Growing God s Church shows pastors and church leaders how people are actually coming to faith in the 21st century It covers factors such as our motive for ministry the priorities churches set for themselves the reality of churchless Christians generational and gender based differences in evangelism effectiveness the name of your church the influence of pastors and much more The appendix includes a copy of the survey that provides the basis for McIntosh s arguments and an overview of the study is provided in the first chapter Evangelism - Which Way Now?
