Evangelization The Catechumenate And Its Ministries:

Evangelization, the Catechumenate and Its Ministries Lise M. Holash, 1983 **The Study of Evangelism** Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission. Many of the resulting books in the marketplace however have a hands-on orientation often lacking serious theological engagement and reflection. Bucking that how-to trend, *The Study of Evangelism* offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories, these broad, diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism. **Military Chaplains' Review**, 1991 **The New Worship Awakening** Robert E. Webber, 2007 The cultural shift since 2001 is very different than that of the 60s and 70s. It is a culture tired of noise, turned off by phoniness, sick of glitz and wary of the superficial. It is a culture that is searching for an authentic encounter with God, longing for depth and substance, craving quiet and spiritual contemplation, and moved by visual, tactile forms of communication. *The New Worship Awakening* examines the wide array of worship styles from traditional to contemporary currently in practice in today's churches. Webber makes a compelling case for renewing the vigor of the spiritual life of the church through two means: grounding worship in the biblical narrative while at the same time integrating an understanding of worship traditions throughout history. Through astute observations and personal experiences, the author emphasizes that Christ can be encountered through the arts, the services of the Christian year, the Sacraments, the singing of hymns and folk songs, the passing of the peace, the Liturgy, and many other means that incorporate Christian worship styles through the ages. He makes the all-important point that worship today celebrates the same Christ who walked the earth two thousand years ago, and that in true and lively worship there is divine action. There is an action from above; the Holy Spirit delivers Christ and the benefits of Christ's death and resurrection to the worshippers. **Military Chaplains' Review**, 1989 **Creating the Evangelizing Parish** Frank P. DeSiano, Kenneth Boyack, 1993 *Creating the Evangelizing Parish* challenges those who realize the importance of evangelization and are eager to make an impact on Catholic Church life today. Co-authors Frank DeSiano and Kenneth Boyack clearly explain the definition of evangelization and offer, for further clarification, an encounter model of evangelization which specifically places the ministry into the framework of personal relationships. The authors then describe actual parish dynamics and organization in terms of their universal evangelizing purposes as understood by the church. *Creating the Evangelizing Parish* is key reading for church leaders who want to take charge of their parishes, direct, establish evangelization teams, and implement effective parish strategies for renewal. Every pastor, pastoral staff member, parish counselor, and other workers in evangelization will gladly welcome this book as a pastoral and practical resource for their ministry. *Creating the Evangelizing Parish* will richly reward those who look for new directions in their ministry and the church.
