Eva Sleeps Francesca Melandri, 2019-10-08 Named Book of the Year by Elle magazine this Italian love story is destined to become a classic The Gazette Eva a forty year old public relations professional living in Northern Italy receives an unexpected message from Southern Italy Vito a man she briefly knew as a child as a friend of her mother's is very ill and would like to see her one last time He is a retired police officer who was stationed in the north during the late sixties a period rife with tension protest and violence surrounding disputed land near the border with Austria These troubles however did not stop a hapless young policeman from falling in love with the wrong woman a girl named Gerda from Austrian Tyrol an inventive and accomplished cook a northerner the sister of a terrorist and Eva's mother Vito's affair with Gerda was a passionate one but what was the nature of their love And if he loved her so passionately why did he return to Calabria What scars did those years leave on Vito and on Gerda It's time for Eva to find out in this sweeping literary page turner about family forgiveness and conflict a bestseller in Italy now translated in English *Stalin's Hammer: Rome (An Axis of Time Novella)* John Birmingham, 2013-02-25 Alternate history master John Birmingham unleashes an astounding new installment in his Axis of Time series an original eBook novella that begins when the future and the past collide The year is 1955 ten years after a battle fleet from 2021 exploded through a wormhole in space straight into the Battle of Midway A staggered war torn world catches its balance Uptimers with their extraordinary technology and strange styles mingle with the real timers Universities study the effects on the future And men like Prince Harry of England find themselves playing pivotal roles in a history that has already happened Or has it In the starkly partitioned city of Rome spies killers and mafia foot soldiers cross the dividing line between Allied and Russian Zones Somewhere in the ancient underground catacombs two men hunt for one another One is Stalin's personal assassin the other a murderous disillusioned acolyte of the Communist ideal allied by fate and history with the OSS MI6 and England's swashbuckling Prince Harry Harry's own mission takes him to a glittering dinner party and a prize over which the two Russian killers are fighting a factory owner with a terrifying secret As the forces of West and East are locked in a stalemate what this man knows could change everything Josef Stalin hiding in a Siberian bunker is ready to hit the world with a thunderous blow **Eva's Journey The Bumpy Road to Heaven** R.M. Vermett, 2019-04-02 Eva and her immigrant family live between the railroad tracks and Fort Wayne the military base along the Detroit River in the fifties Eva lives on a multicultural street and grows up with many wonderful types of people Her neighborhood in the first book covers the lives of neighbors and friends and her brother's tragic little friend Danny Eva and Leo grow up together sharing a sadly dysfunctional family life but there are good moments and some heart ending times The summertime was the highlight of their world at Detroit's Boblo Boat rides the beautiful jewel of the city Belle Isle where families picnicked and swam at the beaches and rode across the Belle Isle ferry boat The second part is Eva's life and how the road leads to growing up and becoming strong in the face of sorrow and tragedy **Eva; Or, The Error** Lady Emmeline
