Thorn,2016-07-22 In *From Left to Right* Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s Although women in these decades are often depicted as being trapped in the suburbs caring for children baking pies and leaving politics to men they joined diverse political parties including the Social Credit Party the Co-operative Commonwealth Federation and the Communist Party of Canada Thorn argues controversially that while women on the left and right had different goals their activism continued to be informed by maternalism They used their roles as wives and mothers to influence their parties positions on war and unions to break down barriers between the private and public spheres and to push for a new world order Along the way they laid the foundations for the 1960s feminist movement

Confederate General William "Extra Billy" Smith Scott L. Mingus,2013-04-19 An award winning biography of one of the Confederacy's most colorful and controversial generals Winner of the 2013 Nathan Bedford Forrest History Book Award for Southern History Nominated for the 2014 Virginia Book Award for Nonfiction Despite a life full of drama politics and adventure little has been written about William Extra Billy Smith aside from a rather biased account by his brother in law back in the nineteenth century As the oldest and one of the most controversial Confederate generals on the field at Gettysburg Smith was also one of the most charismatic characters of the Civil War and the antebellum Old South Known nationally as Extra Billy because of his prewar penchant for finding loopholes

in government postal contracts to gain extra money for his stagecoach lines Smith served as Virginia's governor during both the war with Mexico and the Civil War served five terms in the US Congress and was one of Virginia's leading spokesmen for slavery and states rights Extra Billy's extra long speeches and wry sense of humor were legendary among his peers A lawyer during the heady Gold Rush days he made a fortune in California and as with his income earned from stagecoaches quickly lost it Despite his advanced age Smith took to the field and fought well at First Manassas was wounded at Seven Pines and again at Sharpsburg and marched with Lee's Army of Northern Virginia into Pennsylvania There on the first day at Gettysburg Smith's frantic messages about a possible Union flanking attack remain a matter of controversy to this day Did his aging eyes see distant fence lines that he interpreted as approaching enemy soldiers mere phantoms of his imagination Or did his prompt action stave off a looming Confederate disaster This biography draws upon a wide array of newspapers diaries letters and other firsthand accounts to paint a portrait of one of the South's most interesting leaders complete with original maps and photos
