Eve Green A Novel:

Eve Green Susan Fletcher, 2004 In this timeless and beautifully told story about family secrets and unresolved liaisons Eve Green pregnant with her first child recalls her mother's death when she was eight years old and her struggle to make sense of her parents mysterious romantic past

Eve Green Susan Fletcher, Stefanie Schaffer- de Vries, 2005 Girlhood in British Coming-of-Age Novels Soňa Šnircová, 2018-01-23 The book discusses a selection of coming of age narratives that offer a revisiting of the classic Bildungsroman heroine the young white middle class woman and present her developments in postwar and postmillennial British literature In terms of theoretical approaches the study draws on works by the feminist critics whose incorporation of gender into the studies of the Bildungsroman resulted in the delineation of the female version of the genre the female Bildungsroman and its specific twentieth century variation the feminist Bildungsroman The selected coming of age novels present further transformations of the female Bildungsroman The classic heroine of eighteenth and nineteenth century Bildung narratives reappears in twentieth century novels as a modern girl who experiences a significant rise of feminist consciousness In more recent works she becomes a postfeminist girl who questions victim feminism and tests the potential of girl power to subvert the patriarchal tradition Relating the postfeminist developments of the girl heroine to the influence of contemporary media culture the book explores whether these literary representations of girlhood incorporate antifeminist backlash messages It will be of interest to scholars and students in the fields of literary and girls studies particularly those who want to see new trends and issues in young adult fiction in the context of a literary tradition

Growing Up a Woman Milena Kaličanin, Soňa Šnircová, 2015-10-13 This book explores contemporary transformations of the female Bildungsroman showing that the intersection of the genre and gender brought to critical attention in the context of second wave feminism remains of equal importance in the era of postfeminism The female Bildung narrative has acquired an important position in twentieth and twenty first century literature through its continuing depiction of female self discovery and emancipation as a process of negotiating the traditional divisions of female and male roles in relation to the private and public spaces Recognizing the seminal contribution of feminist criticism to the definition of the genre and the role of feminist cultural processes in its thematic developments this volume investigates more recent influences on the female Bildung narrative and the influence of the classic female Bildungsroman on contemporary cultural texts As a collection of fifteen essays written by international scholars the book offers a representative sample of the narratives of female development presenting a variety of genres including the novel the short story autobiography TV series and Internet video blogs and theoretical frameworks adopting hermeneutic postcolonial feminist and postfeminist perspectives In its diversity this volume reveals that despite the ongoing process of women's emancipation the heroine's struggle with the private/public divide has remained throughout the twentieth century and in the first decades of the new millennium a central issue in stories about the female quest for self definition The book will be of interest to scholars and students in the fields of literary women and

Regan Upshaw San Francisco Chronicle In his Byron trilogy, Benjamin Markovits lovingly reinvents the nineteenth-century novel, true to its perfect prose, penetrating insight, and simmering passions. Inspired by the actual biography of Lord Byron, the greatest literary figure and most notorious sex symbol of his age, Markovits reimagines Byron's marriage to the capable intellectual and tormented Annabella and the scandal that broke open their lives and riveted the world around them. Byron's incestuous relationship with his impetuous half-sister Gus. Their very different understandings of love and one's obligations to society lead them all, and the reader headlong, to a devastating conclusion. **House Lights: A Novel** Leah Hager Cohen, 2008-07-17 A New York Times
