**You Are Today's Women of the Bible and I Can Prove It** Darci Jeffries, 2018-03-26 When Jesus was on earth he did nothing to indicate women were second class citizens For example he asked Mary Magdalene at one of the most critical times in his life to be the disciple to announce his resurrection Yet somewhere in history women have been made to feel like they shouldn't be pastors or leaders of the church because of their gender In *You Are Today's Women of the Bible and I Can Prove It* author Darci Jeffries shows women are just as much a child of God as anyone no better than men and no worse than men Through a variety of Biblical entries and scriptures she recognizes the important roles women played in the Bible and how today's women still have significant impact influencing people for God's kingdom Jeffries notes the influential female of the Bible such as Jochebed Moses mother Esther and Rebekah and shares how it's because of those women and the roles they played in Biblical history that today's women have the same level of influence Inspiring today's women to achieve all they can *You Are Today's Women of the Bible and I Can Prove It* seeks to get more women working with others for God's kingdom and to help them understand how important they are in God's workplace

Hence Sr.,2005-11-28 In *The Eye of the Storm* Genesis 10 24 29 Genesis tells us how the idea of slavery within the Americas first came about and how religion was used as a justification to bind and hold a group of people to a dieing system The impact of slavery on this nation was so horrendous it tore the fabric of America apart and set a nation on a course that all but doomed it The anger and resentment still hold two groups of people apart steeped in jealousy and distrust of one another Learn when slavery began and where it began and the nations involved that to this day have not relented nor apologized for the deaths and incarceration of more than 100 million people Learn how the history books carefully walked around the truth about slavery and taught you what they wanted you to know Slavery was not what you were taught the hypocrisy of those that were involved showed the mental struggle within that society for what

was deemed immoral yet they fought on to continue on the course they had set We see in life we have but one goal to make it as bearable as possible We tend to gravitate to one existence and then settle on a mundane life style or existence As we continue into the void we maintain contact within a society whos attitude however primitive however chaotic however limited never ceases to exert itself upon a Nation with in a Nation Mans attempt to replace what he knows of himself and what he refuses to believe obscures the true meaning behind the idea of Slavery To him life has many meanings one of which is to control what you do not understand man should know that time is not on his side in this case it is a moment in the time clock of the very creator What is time to us is but a fleeting moment but to him who knows no bounds it is a time of reconciliation for the wrongs dealt To the very core of this universe time is a meaningless phenomenon He who is consumed with guilt is driven by guilt to the detriment of our very existence A world when taken and dissected is found absent of any warmth or any relevance to the creator in any way other than existence to the very people he created It is interesting to assume that life can be a rich and fulfilling endeavor when given a chance If we are to exist we first have to present ourselves as worthy to exist in a universe not conditioned for us      Encyclopedia of Women in Today's World Mary Zeiss Stange,Carol K. Oyster,Jane E. Sloan,2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world

**Finding Eve** Rita Springer,2013-06-04 Find your way to the heart of God where you will discover all you need to fulfill His purposes for your life In Genesis 3 the serpent came to Eve and within moments caused her to think she was lacking something When she looked at the forbidden tree she saw that it was pleasant to the eyes good for food and had the power to make one wise Although she already possessed beauty provision and an intimate relationship with God she thought she needed more So she ate the fruit and lost the comfort and security of the garden because she doubted God Many women today are falling into the same trap We allow Satan to convince us we aren't enough when in fact we are already complete in Christ Finding Eve follows Eve's journey to find her way back to God's heart and to discover her true identity as a daughter of God This book is designed to encourage women who may be facing disappointment the fallout from bad choices or the pain of unfilled dreams It will offer hope and equip them to be all they were intended to be in the kingdom of God
