Literature for Little Bodhisattvas Natasha Heller,2025-01-31 In Literature for Little Bodhisattvas Natasha Heller makes two key interventions first she argues that picturebooks are a new genre of Buddhist writing and second she calls attention to an emergent family Buddhism in Taiwan that fashions children as religious subjects through shared attention with adult readers Surveying Taiwanese Buddhism from the ground up Heller explores the changing family dynamics that have made children into a crucial audience for Buddhist education and the home a key site for Buddhist cultivation By taking picturebooks seriously as part of the Buddhist textual tradition Heller demonstrates their engagement with canonical sources alongside innovations for modern audiences Close readings analyzing both text and image trace narrative themes about Buddhist figures and connect representations of buddhas and bodhisattvas to a visual culture where new values such as

cuteness are articulated Heller shows that picturebooks have become an integral part of a contemporary Buddhist education that equips children with strategies to interpret everyday life in Buddhist ways and provides religious models for action in the modern world Literature for Little Bodhisattvas is a pathbreaking work revealing how contemporary picturebooks reframe Buddhism and offer fresh perspectives on its teachings and ideals of family for both children and adults **Lord of Himself** Percy Marks,1927 **The Junior Bookshelf** ,1990 **A Nurse and Mother** Evelyn Prentis,2012-01-05 Matron smiled It was the smile that one woman gives to another and not the chilly facial movement from Matrons of old Do you think you would be able to work 9 to 3 30 For a moment I couldn t think at all There seemed something not quite right in being paid for so little labour At the end of the Second World War as husbands came back to Civvy Street their wives had the luxury of staying at home with the children For a short while at least Soon Evelyn realised she had to find part time work to make ends meet and to her astonishment she was offered part time hours at her old hospital The day to day job hadn t changed much but she was now a nurse and mother Whooping cough and measles could still kill a small child and the early 50s polio epidemic left the whole country in shock But the nurses worked hard moaned incessantly about their aching feet and yet found things to laugh at just as they did from the start of their training If old soldiers never die then neither do nurses

Still Waters F.E. Feeley Jr.,2018-06-15 Promise Michigan is very much like every other small town across the state Built on the edge of a lake the homes sit in neat little rows in cute little neighborhoods During the summer Promise bustles with tourists who come to spend their vacation dollars and enjoy the lake s refreshingly cold water But Promise holds a terrible secret In the center of the lake is an abandoned island where a curse is rumored to wait for victims unabated and deadly Most think it s just a story something used to keep kids out of trouble Still everyone gives it a wide berth Everyone except Bret and Adam They dare to venture out the night of Bret s birthday When they declared their love and promise to get married they believe no one else heard their whispered words but they are wrong Five years later Adam dies and Bret returns to his family to heal But someone is killing the people of Promise in random acts of violence Bret with the help of FBI agent Jeff McAllister must discover the identity of a murderer with death on his mind and revenge in his heart *Even Naughtier Stories* Barbara Ireson,1991-02-21 Another anthology by the compiler of *Naughty Stories* and *Creepy Crawly Stories* It includes mischievous tales about some of the naughtiest characters in children s fiction by a range of authors such as Judy Blume Dorothy Edwards Maurice Sendak Margaret Mahy and Robin Klein **The Editor** ,1903 **Number Nine** A.P. Herbert,2014-10-30 The Admiral s dedication could not be questioned but it was a bit much expecting him to give up his ancestral home for the psychological testing of Civil Service candidates Assisted by his son he embarks upon a battle of wits against the political hopefuls The result is a hilarious tale of double crossing eavesdropping and total mayhem **A Pageant of Shadows** Louise Cabral,2004-10-19 Beginning with the plague and its ravaging hold upon the city of London the story follows the adventures of Catherine Constanza beautiful young and suddenly bereft of all she knows Catherine perseveres

through her misfortune and soon begins a star crossed love affair with Shakespeare the excitement and deceit at the Globe Theatre the devastation and degradation of Newgate Prison the glitter and intrigue in the court of King James I and the harsh reality of the Jamestown Colony follow Rich with Elizabethan flavoring A Pageant of Shadows is a saga full of action while staying within the framework of its era in tone in character and in the beautiful flowing language of the time Events costumes and locations vividly and accurately detail the life of England in the seventeenth century And there has always been a hunger for people to transplant themselves into another world another time another love affair Nice Girls Being Naughty J. Olopade,Carla I. Falkson,2010-05-28 Although there are numerous technical scientific books on breast cancer in the global bibliography such books deal exclusively with the nature of the disease in majority populations of the Western societies with little or no reference to the nature of the disease in the minority populations in such societies Similarly the nature of breast cancer in black women of the less privileged societies and in women of ethnic groups living in countries of similar socio economic status is virtually unknown For various epidemiological reasons breast cancer incidence is rapidly increasing in these counties more so than currently is the case in developed countries Thus the global burden of cancer is shifting gradually to these areas of the world and may equal or even surpass the breast cancer burden in the Western societies within the foreseeable future This book is unique because it bucks the trend of virtually all other breast cancer books by addressing specifically the breast cancer experience of women of African descent and their lifestyle counterparts in other societies of the world
