The Uncrowned King Harold Bell

Wright, 2015-02-18 This book contains Harold Bell Wright's 1910 short story The Uncrowned King. It is a beautiful allegory about life, religion, and how we perceive it all. This fantastic volume would make for a worthy addition to any bookshelf and constitutes a must read for fans of Wright's work. Contents include The Pilgrim and his Pilgrimage, The Voice of the Waves, The Voice of the Evening Wind, The Voice of the Night, and The Voice of the New Day. Harold Bell Wright (1872-1944) was an American author widely considered to have been the first American to sell more than a million copies of a book and the first to make over a million dollars from writing fiction. Many antiquarian texts such as this are becoming increasingly rare and expensive, and it is with this in mind that we are republishing this volume now in an affordable, modern, high quality edition. It comes complete with a specially commissioned new biography of the author. Records of General Science Robert Dundas Thomson, Thomas Thomson, 1836
