the Heat Erika Wilde,2017-09-19 Radio personality Kerri McCree really likes sex Talking about sex that is Kerri knows firsthand that you can hide a lot behind a microphone Although she s earned a reputation for discussing every aspect of sex on her show she s never had to back it up until a sexy mystery caller proves to be even more irresistible in person Ian Carlisle

is immediately intrigued by the sultry voice he hears on the late night radio show and it doesn't take him long to arouse Kerri's imagination with his dirty talk. Now he's turning up the heat and seducing the rest of her. Their on-the-air chemistry sizzles and they heat up the airwaves debating any and all provocative issues possible. As the ratings soar so does the sexual tension. But will Ian do when he discovers Kerri's not the sex expert she professes to be? *The Grey Monk* T. W. Speight, 2019-12-06

In *The Grey Monk* T. W. Speight crafts a captivating narrative set against the backdrop of late Victorian England. The novel intertwines themes of love, loss, and redemption through the tale of a reclusive monk whose mysterious past and spiritual journey illuminate both his character and the lives of those around him. Speight's prose is marked by a rich descriptive style that evokes the era's complexities while his use of dialogue and character development reflects the influences of contemporary literary movements, particularly the Gothic and Romantic traditions, emphasizing the profound interplay between personal and spiritual struggles. T. W. Speight, a prolific author of his time, drew upon his own experiences and the societal dynamics of the late 19th century to animate the pages of *The Grey Monk*. His deep interest in the supernatural, combined with a keen awareness of human psychology, allowed him to create a multifaceted protagonist who grapples with existential questions and the moral dilemmas of his time. Speight's background in literature and personal interest in religious themes provide a compelling context for this poignant story. For readers seeking a thought-provoking exploration of spirituality intertwined with a richly woven narrative, *The Grey Monk* is an essential addition to any literary collection. Speight's ability to evoke a sense of time and place along with his profound understanding of human emotions ensures that this novel offers both an engaging read and a lasting contemplation of faith and self-discovery. Enthralling Lizzy: Mr. Darcy's Discipline Chera Zade, Cara Delacroix, 2025-08-29

In Regency England, one night of drama sparks a naughty new game. On the way to Pemberley, a respectable stopover in Stratford turns delightfully shocking. A little sightseeing, a little theatre that's all it was supposed to be. But when honeymooners Elizabeth and Darcy view a performance of *The Taming of the Shrew*, Darcy takes it as inspiration. Suddenly, Lizzy discovers just how creative her husband can be when he demands her obedience. Scandalous commands, teasing punishments, and stolen kisses lead to breathless pleasure, and Lizzy learns that submission can be far more satisfying than she ever imagined. Wantonly daring and scorchingly romantic, this novella-length *Pride and Prejudice* erotic variation may cause blushing, spontaneous swooning, and a wicked thirst for a tall, cool drink of water.
