**George Garrett** Casey Clabough,2013-10-01 Considering George Garrett s life and work in the continuum of American literary history it is perhaps most profitable to place him in the tradition of the now exceedingly rare Southern man of letters he or she who embraces and produces literature in all its complexity and in multiple forms novels short stories poems plays criticism translation editing and so on This kind of Southern writer stretching back to Edgar Allan Poe perhaps finds its best modern examples in the Nashville based writers of the 1920s and 1930s Chronologically Garrett born in 1929 probably was the most variously gifted Southern writer to arrive on the scene following Robert Penn Warren Indeed it is in such company that his life and work belong      *Double Vision* George Garrett,2004-07-19 A shotgun marriage of fact and fiction by one of the most highly regarded writers and teachers of our time A writer named George Garrett suffering from double vision as a result of a neurological disorder is asked to review a recent first biography of the late Peter Taylor a renowned writer who has been his long time friend and neighbor in Charlottesville Reflecting on their relationship Garrett conceives of a character not unlike himself a writer in his early 70s ill and suffering from double vision named Frank Toomer He gives Toomer a neighbor a distinguished short story writer named Aubrey Carver As the real George Garrett and Peter Taylor are replaced by two very different and imaginary writers the story becomes a wise and insightful exploration of American literary life the art of biography the comical rivalries among writers and academics notions of success and the knotty relationship of art to life fact to fiction and life to death Double Vision is a witty tour de force and an elegy for a gifted generation of writers
