

His Early Works

In 1793, Wordsworth's first works, *An Evening Walk* and *Descriptive Sketches*, were published but received little notice.

**“Where, bosom'd deep, the shy Winander peeps
Mid' clust'ring isles, and holly-sprinkl'd steep;
Where twilight glens endear my Esthwaite's shore,
And memory of departed pleasures, more.”**

PJ's Story Josephine Pelt,2022-11-03 PJ s story is not a story about rags to riches It is a test of true love faith and strength The story is about a young African American girl growing up in one of the poorest segregated parts of Southern Alabama From the time she was a young girl PJ had dreams of moving to the big city and becoming a successful business woman The story chronicles PJ s struggling childhood homelife to adulthood and to single parenthood It tells of her journey to what she called the big city life and all the struggles and trials she faced along the way trying to find love in the men she encountered in her life and to fulfill her dreams of success Through all her struggles and trials PJ had to learn the hard way that her quest to find love and success in people was not God s plan for her life She had to learn that in order to achieve those things she had to put God first and follow his commands She learned that love doesn t come from getting God and people to love you but it comes from you getting to love God people and yourself PJ learned that it doesn t matter if you have a two parent home or a single parent home What matters is that you do your best to raise your children in the fear and admonition of the Lord teaching them the value and the true meaning of love from God s perspective No matter what path your children may take always love them unconditionally and always pray for protection over their lives In other words stand in the gap for your children and all your family members and watch God work
