Ever Ancient, Ever New Winfield Bevins, 2019-03-05 For many years now the church in North America has heard figure after figure concerning the steady flow of young people leaving the church In the midst of these troubling figures there remains a glimmer of hope for these youth as they transition into young adults Ever Ancient Ever New tells the story of a generation of younger Christians from different backgrounds and traditions who are finding a home and a deep connection in the church by embracing a liturgical expression of the faith Author and teacher Winfield Bevins introduces you to a growing movement among younger Christians who are returning to historic creedal and liturgical reflections of Christianity He unpacks why and how liturgy has beckoned them deeper into their experience of Jesus and what types of churches and communities foster this convergence of old and new Filled with stories illustrating the excitement and joy many young adults have found in these ancient expressions of Christianity this book introduces you to practices and principles that may help the church as it seeks to engage our postmodern world *Ever Ancient, Ever New* Ernest L.
