The Day I (Almost) Killed Two Gretzkys James Duthie,2010-08-17 Praise for James Duthie s The Day I Almost Killed Two Gretzkys I was lucky to survive the day Duthie played in my golf tournament Little did I know he d turn the experience into one of the best books on sports that I ve read in a long time Wayne Gretzky Tragedy is easy Comedy is hard Sports comedy is even harder but James Duthie who we now know is as comfortable in front of a keyboard as he is a camera treads whimsically through a sports landscape that certainly needs a smile His is a biting wit guaranteed to leave teeth marks Michael Farber Sports Illustrated If you like James Duthie on TSN you re in for a treat He s just as clever and witty in print James is simply a great storyteller whose creative style will make you smile over and over Dave Naylor The Globe and Mail The Quiz sucks but Duthie s book is fantastic He is one warped writer but genius John Tortorella New York Rangers coach Duthie writes the way I played With an edge but never forgetting the game is supposed to be fun This book is a ton of fun Jeremy Roenick former NHL star This guy does it all he writes as well as he does television That same somewhat aberrant sense of humour leaps off the pages Sports fans will love this book Brian Burke Toronto Maple Leafs GM I don t have kids nor can I legally admit to owning a monkey but I do love hockey and Duthie manages to make them all work together He effortlessly modernizes sports writing while respectfully tipping his hat to the old school George Stroumboulopoulos Hockey Fan and Host of CBC s George Stroumboulopoulos Tonight So what s this book about Well This book is about hockey And golf And the Olympic Games And being a broadcaster a sports fan a father husband and son And having an unhealthy fascination with Anna Kournikova It s a collection of things that marched through James Duthie s head over the years and spilled out into his weekly columns selected collected and randomized for your reading pleasure It s also educational You ll learn about

Sidney Crosby's secrets Where you rank on The Jeter Meter of male success Why hockey's loser point has to go The best four legged athlete ever What the clichés that come out of athletes' mouths really mean What it's like to be upstaged by a monkey And yes how Duthie almost killed two Gretzkys on the same day James Duthie has been writing columns about hockey sport in general and his own twisted view of the world for over a decade This book is the first and only collection of some of his most popular and controversial columns with several brand new previously unpublished pieces In *The Day I Almost Killed Two Gretzkys* he brings his famous sense of humour deep hockey knowledge and his passion for sports of all kinds to fans and readers everywhere no matter what team you cheer for Often hilarious sometimes insightful occasionally touching and always passionate Duthie's off kilter view of sports and life shows how the spirit of sport unites us all **Fatal Chocolate Obsession** Sally Berneathy, 2014-11-15 A bouquet of roses a bottle of wine a crystal butterfly and a dead man in the alley behind Death by Chocolate Gifts for Lindsay left in the middle of the night Is her ex husband Rick between girlfriends and pursuing her again Did he leave the roses and wine He has done the out of season Santa Claus thing before But when the crystal butterfly appears Rick is in the hospital after a brutal attack leaves him near death If not Rick then who Is it someone she sees every day The tall man who refuses to look her in the eye The short man who looks her in the eye too long The skinny man with crossed eyes who might or might not be looking her in the eye As the body count rises Lindsay begins to see danger everywhere Lindsay Fred and Trent must catch this psycho stalker before someone else dies Not bad enough he kills people He also murders the English language in the horrible poems he leaves for her Butterflies are free and so are we Come fly away with me for all eternity I'll shelter you from harm and always keep you safe and warm Anyone who troubles thee will feel the wrath of me *An Alabama Story* Daniel Hammarberg, 2012-12-05 *An Alabama Story* is based on the accounts a southern man living in Alabama related to the author he will here be referred to as Billy Bob When Hammarberg came across Billy Bob he was able to share in captivating tales of Billy Bob's family life and how he and his family here called the Hix had interacted with their surrounding community When Billy Bob let the author share in his tales he made the author swear that he wouldn't let anyone else hear about them Yet the author decided that these tales were simply too remarkable for the world to be denied them Hence this book was written a compilation of the tales Billy Bob had told the author about a year in the life of the Hix family Hopefully Billy Bob will forgive Hammarberg for breaking his vow and publishing the book Billy Bob insisted that even though many of his tales simply required the suspension of disbelief every single one of them were absolutely true But since the author doesn't want to jeopardize his good name by categorizing this work as non fiction in the case that some of them turn out not true it sorts under Young Adult Fiction Inside the covers of this book the reader will be treated to anecdotes like these from the Hix family life The time the Hix burglarized a mansion as a family and brought home a hundred grand's worth of loot The time Billy Bob and one of his sons chased all the blacks out of the Birmingham welfare office How Billy Bob managed to prevent his lesbian daughter from marrying a 50 year old woman The story of when Billy

Bob ran for mayor of Birmingham How two of the family members became local heroes in the pro wrestling circus During this year the family ran into a number of celebrities as well and these encounters are retold in full detail Hopefully reading the book will bring many hours of enjoyment and perhaps even spark a debate about freedom of speech Speaking of free speech prior to the publication of this novel certain well known voices in American public life demanded that their commentary on the book would be included with its distribution The author had no problems with including them and their messages are listed below Once again the white devil has put his racist sentiments on display for all of us to see Peaceful activists such as myself are doing the best we can to let our nation heal the wounds it s suffered under white supremacist rule then this book comes along and ruins it all A Sharpton This book will singlehandedly set us back at least 50 years in the struggle for women s liberation Not a single woman in this book has a career or works for a living and even worse the family s lesbian daughter is constantly bullied throughout the whole book J Fonda This is an outrage In spite of a lifetime spent fighting for civil rights I m being scoffed and ridiculed in the pages of this book Us blacks need to picket the Capitol over this J Jackson I fear that after this book has been widely circulated even more young queers than today will make that tragic step into the great beyond by taking their own lives tormented by homophobia Before you buy this book think of the children D Savage I feel that the language and the narrative elements of this book are very racially divisive and that they re entirely inappropriate for 21st century America I m especially appalled at the disrespectful references to me as a person and I urge you not to buy the book B H Obama For more information go to alabamastory.com **Reunion for a Murder** Sherry

One Day Closer Lorinda Stewart, 2017-10-17 An instant national bestseller and a beautiful story of what love can do to conquer the impossible Jann Arden On the day my daughter was kidnapped by outlaws in Somalia my life split into two parts Before and After This is the story of both parts and of how I fought to bring my daughter home On August 23 2008 Amanda Lindhout Lorinda Stewart's daughter is kidnapped outside of Mogadishu in Somalia The kidnappers demand is simple pay 2.5 million or Amanda will be killed For the next 460 days Lorinda does everything in her power and beyond to get her daughter back alive This brave small town mother with no experience in hostage negotiations is called upon by the RCMP to be the lead communicator with Adam the Somali who identifies himself as the English speaking negotiator for Amanda's kidnappers In a secret war room in Sylvan Lake Alberta Lorinda joins forces with federal officers and begins to answer calls from Adam establishing a fragile rapport of trust with the man who holds her daughter's fate in his hands She learns how to demand POL's proofs of life from Amanda's hostage takers and even how to react to bad calls when she is forced to listen to her daughter's desperate cries for help fearing she is being abused and tortured What's supposed to be a short negotiation stretches on and weeks become months Lorinda finds herself increasingly on her own as negotiations break

down But she never gives up hope even as the conversations become more traumatic Faced with the terrible possibility of her daughter s death she decides to take control bringing in private hostage negotiators and fundraising ransom money from donors But will it be enough This is the true story of one woman s heroic perseverance in the face of despair and of the hope and healing to be found beyond trauma It is also in the end a tribute to the extraordinary power of a mother s love **St. Nicholas** Mary Mapes Dodge,1919 Novo Nation of Water Worlds William Gaillard Ellis Jr,2014-03-06 The over populated Earth sent forth six explorers to the nearest Universe in search of a planet Earthlings could migrate too Not only did they discover there was but on searching the planet discovered a powerful Space Ship of War and several robots had been waiting for their arrival As their lives intertwined with the robots and as the Aliens they meet became their friends they all became Heroes for as they returned back to Earth to only discover an enemy of Novo Nation of Water Worlds was out to eradicate everyone on Earth Box Set: Until Proven Innocent and The Unsolved Murder of Adam Walsh Books One and Two Arthur Jay Harris,2016-06-08 UNTIL PROVEN INNOCENT The prosecutor was no longer sure both murder defendants were guilty So he asked his dad the real life Kojak A mother s dying gasping call to 911 My husband My baby In her secluded ranch house she d been stabbed with a kitchen knife Her husband infant and elderly father in law had all been shot in the head point blank For three years police had two suspects under surveillance then arrest Both faced the death penalty But prosecutor Brian Cavanagh began to doubt that the defendants were partners So he consulted with his father a retired NYPD cop whose reputation for savvy sleuthing had inspired the creation of one of the most beloved characters in television history Now the question was Could Dad help solve the case THE UNSOLVED MURDER OF ADAM WALSH The famous missing child case of Adam Walsh a 6 year old last seen at a Sears in a shopping mall in Hollywood Florida in July 1981 was the worst nightmare imaginable Two weeks later a child s severed head was found and identified as Adam No one has ever been arrested for the crime For the most part the case s narration has been told by the victims Adam s parents Reve and John Walsh However there has been another voice independent investigative journalist and author of five True Crime books about Florida Arthur Jay Harris who has continued to write about it for two decades and has worked on it with ABC News The Miami Herald and others The deeply researched story he tells disputes almost everything that everyone in the public has been led to believe IN BOOK ONE Harris shows that the taker of Adam was most likely not the drifter Ottis Toole as police now say but rather the serial killer Jeffrey Dahmer who was arrested ten years later with eleven severed heads in his apartment Harris documented him by a police report living near Hollywood as a transient about when Adam disappeared That report had him supposedly finding a dead body in an alley behind where he worked The report referred to a meter and storage room steps away where Harris and ABC News found blood droplets rising up a wall next to a lumberman s axe and a sledgehammer Was this Dahmer s doing Further Dahmer was identified by seven police witnesses who said they saw him at the mall with or near Adam when he was taken One of those witnesses said he saw him throw Adam into a blue van and get

away Where Dahmer worked there was a blue van easily and often taken for personal use without permission Early on a blue getaway van was Hollywood s first best clue IN BOOK TWO Harris shows that all the official files are incredibly missing the most customary documents that would prove the ID of the found child who was said to be Adam Among the documents missing are the autopsy report a forensic dental report considering that the ID was strictly based on a tooth comparison and Adam s dental chart and dental X rays An investigation by the Florida Department of Law Enforcement confirmed his finding In fact the ID was not only shoddy and inadequate but is overwhelmingly likely wrong In Adam s last photo he was clearly missing both his top front teeth A police crime scene photo never before published shows the found child had a mostly in buck tooth a top left front tooth Harris consulted a number of pediatric and forensic dental and medical examiner experts who confirmed the obvious there wasn t enough time for Adam to have grown it in that far All that would have been exposed at a court trial but more than 30 years after Adam s disappearance there has never been one Did police end the search for Adam too soon Could Adam still be alive In fact not so impossible Harris found

Usaf Air Commando Secret Wars from Laos to Latin America Eugene D. Rossel, 2016-07-15 The Air Commando secret wars happened mostly during the Vietnam War time frame and was a global effort involving USAF volunteer personnel who were given official military orders that did not necessarily specify the country they served in and civilian clothes were many times authorized Later they had great difficulty proving that they served in many of these countries which affected their future VA care These operations were used to strengthen normally a poor country with little military resources and training with secret warriors frequently being there doing some of their legwork behind the scenes All the operations were tight lipped frequently forbidden to tell families where you were and what you were doing As an example Capt Bob Simpsons death the first fighter pilot KIA in Vietnam in August 1962 became a total fabrication of where why and how and took a number of years before the government came clean because of my efforts Secret wars have a long history and they will continue because of the interest of more powerful nations with their less fortunate brethren
