# Evergreen Review Volume 4 No15

**David Kherdian**

## Evergreen Review Volume 4 No15:

*I Can't Go On, I'll Go On* Samuel Beckett, 2007-12-01 Winner of the Nobel Prize for literature and acknowledged as one of the greatest writers of our time Samuel Beckett has had a profound impact upon the literary landscape of the twentieth century In this one volume collection of his fiction drama poetry and critical writings we get an unsurpassed look at his work Included among others are The complete plays Waiting for Godot Krapp's Last Tape Cascando Eh Joe Not I and That Time Selections from his novels Murphy Watt Mercier and Camier Molloy and The Unnamable The shorter works Dante and the Lobster The Expelled Imagination Dead Imagine and Lessness A selection of Beckett's poetry and critical writings With an indispensable introduction by editor and Beckett intimate Richard Seaver and featuring a useful select bibliography *I Can't Go On I'll Go On* is indeed an invaluable introduction to a writer who has changed the face of modern literature

**The Mad Ones** Tom Folsom, 2009-05-05 The Mad Ones chronicles the rise and fall of the Gallo brothers a trio of reckless young gangsters whose revolution against New York City's Mafia was inspired by Crazy Joe Gallo's forays into Greenwich Village counterculture Crazy Joe Kid Blast and Larry Gallo are steeped in legend from Bob Dylan's eleven minute ballad Joey to fictionalizations central to The Godfather trilogy and Jimmy Breslin's The Gang That Couldn't Shoot Straight Called the toughest gang in the city by the NYPD the Gallos hailed from the rough Red Hook neighborhood on the Brooklyn waterfront As low level Mafiosi they were expected to serve their don quietly but the brothers stood apart from typical gangsters with their hip style fierce ambition and Crazy Joe's manic idealism Here for the first time is the complete story of the Gallos war against the powerful Cosa Nostra an epic crime saga that culminates in Crazy Joe's murder on the streets of Little Italy where he was gunned down mid bite into a forkful of spaghetti in 1972 The Mad Ones is a wildly satisfying entertainment and a significant work of cultural history

*West Coast Review*, 1973

**The Long Sonata of the Dead** Michael Robinson, 1969

*Evergreen Review*, 1962

Samuel Beckett Allen Sterling Ames, 1968

Six Poets of the San Francisco Renaissance David Kherdian, 1967

*The Works of Allen Ginsberg, 1941-1994* Bill Morgan, 1995-02-28 Avant garde poet and popular culture icon Allen Ginsberg has been one of the world's most important writers for over 40 years This comprehensive bibliography covering the years 1941 to 1994 was prepared with the cooperation of the poet himself All books periodicals photographs recordings films and miscellaneous appearances are listed here Entries are grouped in chapters according to type of work and each entry provides full descriptive bibliographic information Allen Ginsberg is perhaps the most famous poet of our time as well as one of our most prolific writers His subjects range from Buddhist studies to drug research to gay rights to political issues of every description from Vietnam to censorship Ginsberg gave the author access to personal files and as a result every appearance of Ginsberg's writings in the English language is noted This bibliography is a comprehensive descriptive record of all of Ginsberg's works The volume contains descriptive annotations of every book pamphlet and broadside by Ginsberg It also contains complete descriptions of every contribution by Ginsberg to the works of

others In addition all periodical contributions recordings films and miscellaneous publications are listed Due to Ginsberg s recent acceptance as a photographer of note a special section identifies all of his published photographs Entries are arranged in chapters according to the type of work to facilitate ease of use As a result this book presents a history of Ginsberg s works and traces the evolution of his writings over a period of publications and revisions      *1960 Al Filreis*,2021-10-26 In 1960 when World War II might seem to have been receding into history a number of artists and writers instead turned back to it They chose to confront the unprecedented horror and mass killing of the war searching for new creative and political possibilities after the conservatism of the 1950s in the long shadow of genocide Al Filreis recasts 1960 as a turning point to offer a groundbreaking account of postwar culture He examines an eclectic group of artistic literary and intellectual figures who strove to create a new language to reckon with the trauma of World War II and to imagine a new world Filreis reflects on the belatedness of this response to the war and the Holocaust and shows how key works linked the legacies of fascism and antisemitism with American racism In grappling with the memory of the war he demonstrates artists reclaimed the radical elements of modernism and brought forth original ideas about testimony to traumatic history 1960 interweaves the lives and works of figures across high and popular culture including Chinua Achebe Hannah Arendt James Baldwin Amiri Baraka Paul Celan John Coltrane Frantz Fanon Roberto Rossellini Muriel Rukeyser Rod Serling and Louis Zukofsky and considers art forms spanning poetry fiction memoir film painting sculpture teleplays musical theater and jazz A deeply interdisciplinary cultural literary and intellectual history this book also offers fresh perspective on the beginning of the 1960s      **French VII Bibliography** ,      *Cuban Revolution in America* Teishan A. Latner,2018-01-11 Cuba s grassroots revolution prevailed on America s doorstep in 1959 fueling intense interest within the multiracial American Left even as it provoked a backlash from the U S political establishment In this groundbreaking book historian Teishan A Latner contends that in the era of decolonization the Vietnam War and Black Power socialist Cuba claimed center stage for a generation of Americans who looked to the insurgent Third World for inspiration and political theory As Americans studied the island s achievements in education health care and economic redistribution Cubans in turn looked to U S leftists as collaborators in the global battle against inequality and allies in the nation s Cold War struggle with Washington By forging ties with organizations such as the Venceremos Brigade the Black Panther Party and the Cuban American students of the Antonio Maceo Brigade and by providing political asylum to activists such as Assata Shakur Cuba became a durable global influence on the U S Left Drawing from extensive archival and oral history research and declassified FBI and CIA documents this is the first multidecade examination of the encounter between the Cuban Revolution and the U S Left after 1959 By analyzing Cuba s multifaceted impact on American radicalism Latner contributes to a growing body of scholarship that has globalized the study of U S social justice movements      *Politics, Identity, and Mobility in Travel Writing* Miguel A. Cabañas,Jeanne Dubino,Veronica Salles-Reese,Gary Totten,2015-06-26 This collection examines the intersections between the personal and

the political in travel writing and the dialectic between mobility and stasis through an analysis of specific cases across geographical and historical boundaries The authors explore the various ways in which travel texts represent actual political conditions and thus engage in discussions about national transnational and global citizenship how they propose real world political interventions in the places where the traveler goes what tone they take toward political or socio political violence and how they intersect with political debates Travel writing can be viewed as political in a purely instrumental sense but as this volume also demonstrates travel writing s reception and ideological interventions also transform personal and cultural realities This book thus examines the ways in which politics material effects inform and intersect with personal experience in travel texts and engage with travel s dialectic of mobility and stasis In spite of globalization and efforts to eradicate the colonial vision in travel writing and in travel writing criticism this vision persists in various and complex ways While the travelogue can be a space of discursive and direct oppression these essays suggest that the travelogue is also a narrative space in which the traveler employs the genre to assert authority over his or her experiences of mobility This book will be an important contribution for interdisciplinary scholars with interests in travel writing studies global and transnational studies women s studies multicultural studies the social sciences and history      **Samuel Beckett** Ruby Cohn,1962 A full length study of Samuel Beckett by author Ruby Cohn that intertwines careful analysis with biographical translation and publishing information to illuminate and explain Beckett s paradoxes      Writing and Radicalism John Lucas,1996 Writing and Radicalism is an important volume charting the development of a wide range of radical writing over four centuries The contributors to the book reveal the variety of literary responses in poetry drama fiction and political essay to crucial moments of political upheaval and social change These begin with the Commonwealth period take in the French Revolution Chartism the Suffragette Movement such key interwar issues as the General Strike and the Spanish Civil War and conclude with the role of women in contemporary society      A Companion to African-American Studies Jane Anna Gordon,Lewis Gordon,2008-04-15 A Companion to African American Studies is an exciting andcomprehensive re appraisal of the history and future of AfricanAmerican studies Contains original essays by expert contributors in the field ofAfrican American Studies Creates a groundbreaking re appraisal of the history and futureof the field Includes a series of reflections from those who establishedAfrican American Studies as a bona fide academic discipline Captures the dynamic interaction of African American Studieswith other fields of inquiry      Ionesco Richard Coe,2023-02-14 First published in 1971 Ionesco is a study of the plays written by the absurdist playwright Eugene Ionesco Eugene Ionesco s play La Cantatrice Chauve first presented in 1950 established him as one of the most provocative leaders of post war Theatre of the Absurd By 1970 his work had been performed by leading actors and companies all over the world The author attempts to understand this enigmatic playwright and his plays while trying to explore the reasons behind his quick popularity This book will be of interest to students of literature drama philosophy and history      **Modern Drama** ,1961      **Twentieth-century French Dramatists** Mary Anne

O'Neil,2006 Essays on twentieth century French playwrights who were largely influenced by non French traditions during the greatest age of French theater since the mid 1700s French drama of the twentieth century was cosmopolitan experimental and eclectic and attempted to appeal to a wider audience than in the past Dramatists came not only from Paris but from the provinces and the French states of the Caribbean as well as from Francophone countries such as Belgium

**Avant Garde Theatre** Christopher Innes,2003-09-02 Examining the development of avant garde theatre from its inception in the 1890s right up to the present day Christopher Innes exposes a central paradox of modern theatre that the motivating force of theatrical experimentation is primitivism What links the work of Strindberg Artaud Brook and Mnouchkine is an idealisation of the elemental and a desire to find ritual in archaic traditions This widespread primitivism is the key to understanding both the political and aesthetic aspects of modern theatre and provides fresh insights into contemporary social trends The original text first published in 1981 as Holy Theatre has been fully revised and up dated to take account of the most recent theoretical developments in anthropology critical theory and psychotherapy New sections on Heiner Muller Robert Wilson Eugenio Barba Ariane Mnouchkine and Sam Shepard have been added As a result the book now deals with all the major avant garde theatre practitioners in Europe and North America Avant Garde Theatre will be essential reading for anyone attempting to understand contemporary drama

**The French Theater of the Absurd** Deborah B. Gaensbauer,1991
