

Every **CHILD** Ready to **READ**

Talking | **Singing** | **Reading** | **Writing** | **Playing**

TALK

Talk, talk and talk some more to your baby and keep on sharing words, asking questions as your child grows. If you speak two languages in your home, speak them both. Little ones understand words before they can speak them. Explain what you are doing, ask and answer questions.

SING

You don't sing as well as Judy Garland? No one does! But your voice DOES MAKE MAGICAL MUSIC! Songs often have rhyming words which can help children hear individual parts of each word. Do you remember the names of the 50 states because of a song you learned as a child? Bet you do!

READ

Reading to and with your child is the most powerful way to prime them for a life-long love of reading. Choose books you both love and read them again and again. Point to the words on the page as you say them. Ask open-ended questions. Keep books in every room in your home.

WRITE

Your child learns reading skills through scribbling and drawing. Writing also helps them understand that written words represent ideas, things, places and events. Using crayons, markers and pencils helps children develop motor skills.

PLAY

Play helps little ones express themselves. Children learn through all of their senses. Exploring with play dough, puzzles, and movement will help them learn shapes and prepare them to recognize letters. Play has so many benefits for the mind and body of your little one and it is great fun.
