*Perfect Company IV* Gloria Divine, 2022-03-24 This book contains personal experiences with Jesus Christ His Mother and His Saints It reveals hidden traps by the evil one and its friends When Jesus encouraged me to write in 2006 I was relieved and happy I thought about the experiences I had of Him in the past and could write about that I had no idea that four books would evolve from this encouragement by Jesus In this book the story continues whereby Jesus uses my life situations to reveal His power and wisdom Jesus takes me through many experiences so others can be enlightened and aware of certain circumstances in their lives I am not to keep these things to myself but to let them be known Jesus is anxious for others to come to know Him He walked among humans on earth and is neither a myth nor a liar In the Bible He was revealed several times as God A statement I saw on this book read Steeped in the profound traditions of Catholic mysticism I agree with this statement to a point but to be a child of God one does not have to be steeped in Catholic Mysticism Most of the churches I attend are Catholic they are mystical but mysticism can be found in every church based on Christ The traditions of the Church are not for Catholics only They are for everyone who wants to indulge in them Jesus did not come to place us into churches with particular names but to save everyone He who believes in me and is baptised will be saved Mt 15 16 Another statement I saw about the book read It is thought provoking and passionate I would agree that it is definitely thought provoking because it is not what the normal human being would experience in their everyday life These things are there but people are not realising what is going around them These things are not tangible or visible in the normal sense I believe the passion must be contained in the style of my writing and my determination to pen everything Jesus wanted to relay something to the world and I believe He has done so in these books We are walking in a state of unsafety and no one is telling us anything concerning this Our homes our cars our streets our churches our supermarkets products we buy and even our workplaces are unsafe These are just a some of the unsafe settings Jesus has pointed out to me as having evil and evil workers lurking to make our environments difficult and unsafe The main solution to this problem is for people to turn to God and refuse to live in a society where He is obscured and ignored For more information about the book visit <https://www.jesusperfectcompany.com>

The Crown of Sanctity Daniel O'Connor, 2019-03-04 2 000 years ago the Son of God prayed to His Father Thy Will be done on Earth as it is in Heaven This prayer the greatest ever uttered by the lips of man will not go unanswered Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment that is for the restoration of what was destroyed by Adam 6 000 years ago in the Fall of Man In brief the entire world is about to be radically transformed like never before in its history This is probably something you should know about This book has been written to inform you about the transformation and to enable you to take part in it and hasten it But this transformation will not be achieved through human effort It will be given directly from Heaven by way of God's greatest Gift the Gift of Living in the Divine Will which is the Crown of Sanctity and which even now we must all strive to receive In this sanctity is found The

Culmination of Deification the Fruitfulness of Mystical Marriage the Aspiration of the Unification of Wills and the Essence of Marian Consecration This is none other than the Triumph of the Immaculate Heart of Mary promised at Fatima It is the coming of the Kingdom of God This is a long book but its length should turn away no one as a thorough and detailed table of contents is given so that each reader can easily select only those sections in which he is interested for his perusal And any reader is sure to find much that interests him Within these pages is a treasury of resources not only concerning Luisa s revelations directly but also on new arguments for God s existence and the truth of Christianity extensive Catechesis on Private Revelation in general and on the spiritual life in general including overviews of the greatest teachings on spirituality in the history of the Church and details on the Era of Peace as revealed to Luisa and many other mystics visionaries and seers Fatima Medjugorje Venerable Conchita Fr Gobbi and dozens more You will not regret reading this book This is our great hope and our petition Your Kingdom come a kingdom of peace justice and serenity that will re establish the original harmony of creation Pope St John Paul II
