Economic Interdependence In Southern Africa From Conflict To Cooperation:

Economic Interdependence in Southern Africa Jesmond Blumenfeld,1991 A study of the main features of economic interdependence in Southern Africa reconsidering the politics of mutual dependence and examining the pressures for sanctions on one side and destabilization on the other as well as the countervailing pressures for continuing co operation

South Africa's Destabilisation of Zimbabwe, 1980-89 J. Dzimba,1998-01-01 South Africa s Apartheid regime saw Zimbabwean independence and black majority rule in 1980 as a major threat to its interests security and regional hegemony John Dzimba explains how and why Pretoria sought to destabilise Zimbabwe and other front line states examining the successes and failures of destabilisation against Zimbabwe s economic and political vulnerabilities and attempted responses He shows why P W Botha s crisis ridden regime had to drop the policy in 1989 Regionalization and Security in Southern Africa N. Poku,2001-02-02 Once torn by ideological conflicts and the dominance of command economies Southern Africa is now moving towards economic liberalism and openness In general the ascendancy of market economics is acknowledged by its governments albeit with different degrees of enthusiasm Theoretically rich and empirically engaging this timely book offers a critical insight into the ensuing debate on regionalism and the process of regionalization in southern Africa

Understanding World Order and Structural Change H. Abrahamsson,2015-12-22 Hans Abrahamsson assesses the current world order and structural change within an historical framework He analyzes the interaction of Pax American and the Bretton Woods system in the postwar period and its impact specifically on the development of Southern Africa The author also proposed an analytical model and a methodological framework for the study of the international political economy and its global and local implications Finally he addresses the circumstances behind the current opportunity for global change and the social forces and political action required in order to seize it *Sustainable Development for a Democratic South Africa* Ken Cole,2014-04-08 After the multi racial elections in April 1994 South Africa has been set on a new course For a country emerging from 45 years of apartheid democracy should prove to be the vital first step on the path to sustainability and equitability There are sure to be pitfalls along the way but the potential offered by long awaited equality is enormous and realising that potential is the key to the country s chances of achieving sustainable development This book analyses the changes which are needed and which might result from the new political culture It discusses the policy requirements necessary for sustainable development and looks at how the economy regional integration land reform the law local government NGOs health care and AIDs prevention education and the media will all be affected drawing on the experience of other countries in Africa which have witnessed the transition to black majority rule Accessible to general readers as well as to specialists it provides a comprehensive overview of the issues involved and a basis for understanding what prospects the future holds for South Africa *Regional Blocs* A.S. Bhalla,2016-07-27 A topical study of regional arrangements covering ASEAN SAARC and APEC in Asia NAFTA and MERCOSUR in the Americas SADC SACU and ECOWAS in Africa and the

European Union EFTA and Eastern Europe The book argues that foreign direct investment is complementary to trade and most regional arrangements can create trade and induce growth so long as they remain open and non discriminatory But they could also become stumbling blocks to globalization The book demonstrates how US and EU trade policy will be crucial in shaping the world economy

Migration and Development in Southern Africa K. T. Matlosa,2001

The WTO, Economic Interdependence, and Conflict Marc Lawrence Busch,Edward D. Mansfield,2007 Evaluates the theoretical arguments about the relationship between foreign economic relations and political military hostilities This volume addresses the origins of various international institutions designed to influence global commerce how these institutions operate and the extent to which they shape the flow and content of overseas trade

The Liberal Illusion Katherine Barbieri,2009-12-18 A powerful refutation of the assumption that international trade automatically promotes world peace

Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1993 United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,1992

European Union Common Foreign Policy M. Holland,1995-03-13 This book presents an examination of one of the first joint actions undertaken by the European Union under the Common Foreign and Security Policy CFSP provisions of Maastricht The case study of South Africa is particularly important as it straddles both the CFSP and the European Political Cooperation EPC periods and thus similarities and constraints in policy making and implementation can be made The EC EU policy vis a vis South Africa is traced from 1977 through to the April 1994 South African elections The earlier policy period of sanctions and positive measures are compared with the 1990s policies of election observation the normalization of bilateral relations and development policy General conclusions about the effectiveness and institutional aspects of joint actions are drawn and recommendations for improved CFSP joint actions proposed Vice President of the Commission Sir Leon Brittan has contributed a foreword to this volume

South Africa and Africa Adebayo Adedeji,1996 The New Democratic South Africa led by the African National Congress is in the process of making fundamental choices Will South Africa s future be one where the needs of the majority population are at last addressed A future where its hegemonic relations with neighbouring states are restructured in an equitable direction A future where South Africa stands up for its own interests and those of Africa Or alternatively will the new leadership become distanced from its popular roots and pushed into a globalizing perspective which marginalizes its own immiserated classes

and an immiserated continent These are some of the inter related questions which the contributors to this volume South African African and Western scholars and participants in the process explore In a context which portrays the current state of Africa s political economy and the legacy of apartheid within South Africa itself the political security and in particular economic dimensions of South Africa s present and possible future relations with the rest of the Continent are examined This book s wealth of concrete information cogent analysis and informed clarification of the choices available make it a valuable policy relevant contribution It also marks the start of ACDESS s ambitious research programme on this theme Regional Economic Institutions and Conflict Mitigation Yoram Z. Haftel, 2012-05-21 Economic integration fosters regional peace

The Geopolitics Of Southern Africa Kent H Butts, Paul R Thomas, 2019-07-09 South Africa is the dominant force in an area that is of increasing strategic importance to the West yet few studies address the geopolitical pressures that dictate the course of events there Analyzing South Africa s base of power the authors argue that because South Africa s relationships with other states in Southern Africa are asymmetrical in nature the country has substantial economic and political leverage in the region Control of Southern Africa s transport infrastructure and the ability to project a conventional or surrogate military presence throughout the region for example gives South Africa the power to affect the economic and political stability of virtually all regional states Asymmetry also characterizes relationships at the global level Because the West depends upon South Africa for access to the region s strategic minerals for the security of the Cape oil route and for the country s ability to counterbalance the Soviet presence in Southern Africa South Africa exercises considerable influence over the African foreign policies of the superpowers Focusing on the major geopolitical variables affecting South Africa s ability to sustain power the authors analyze the economic and geographic factors that contribute to asymmetrical relationships and examine the pluralism that divides South African society Pretoria s successful foreign policy which has created a security corridor of new buffer states is given particular emphasis In addition the authors provide a detailed analysis of South Africa s minerals based economy and discuss the implications for regional stability of economic sanctions against South Africa Finally they outline a policy framework that takes regional economic political and geographic realities into account Africa Quarterly, 1999 **Finance & Development**, 1993 **The United States Institute of Peace Journal**, 1989-12
