Change in the Balkan States Örjan Sjöberg, Michael Louis Wyzan, 1991 Western Balkan Economies in Transition Reiner Osbald, Will Bartlett, 2018-08-23 This book explores the economic and social development of the Western Balkan region a group of six countries that are potential candidates for EU membership It focuses on the key economic issues facing these countries including the challenge of promoting economic growth limiting public deficits and debt and fostering international trade relations Given the severe impact of the recent economic crisis on social welfare in the region it also investigates the nature and extent of social exclusion a factor likely to produce future political instabilities if not effectively addressed by a return to sustainable economic growth The contributions explore these issues in light of the major influence of EU policy instruments and advice which are currently guiding the economies along an accession trajectory to future EU membership

Social and Economic Development in Central and Eastern Europe Grzegorz Gorzelak, 2019-08-13 The integration of post socialist Central and Eastern Europe into the EU is one of the success stories of European development The region has seen significant economic convergence dramatic changes in socio economic indicators and improvements in the natural environment However some challenges remain such as political divergence public governance issues and population demographics This book identifies and analyses the key post 1990 developments across the New Member States at the sub national and national levels with frequent country level and regional comparisons Careful attention is paid to drawing out commonalities in development trajectories while appreciating each country s unique context Drawing on the academic literature and illuminating empirical material the broad range of topics discussed in the book paints a detailed picture of both change and stability in Central and Eastern Europe It will be valuable reading for advanced students researchers and policymakers in regional studies European studies human geography political economy and transition economics **Central and Eastern Europe Handbook** Patrick Heenan, Monique Lamontagne, 2014-05-12 The Regional Handbooks of Economic Development series provides accessible overviews of countries within their larger domestic and international contexts focusing on the relations among regions as they meet the challenges of the twenty first century The series allows the non specialist student to explore a wide range of complex factors social and political as well as economic that affect the growth of developing regions in Asia Europe and South America Each Handbook provides an overview chapter discussing the region s economic conditions within an historical and political context as well as 20 or more chapter length essays written by recognized experts which analyze the key issues affecting a region s economy its population natural resources foreign trade labor problems and economic inequalities and other vital factors In addition the volumes offer useful support materials including a series of appendices that include a detailed chronology of events in the region a glossary of terms biographical entries on key personalities an annotated bibliography of further reading and a comprehensive analytical index The Balkans and the West Andrew Hammond, 2017-03-02 This collection of essays locates investigates and challenges the manner in which the Balkans and the West have constructed each other since 1945 Scholars from the two sections of the continent

explore a wide range of fiction film journalism travel writing and diplomatic records both to analyse Western European balkanism and to study Balkan representations of the West over the last fifty years The first section looks back to the Cold War examining the divergent often favourable images of the Balkans that existed in Western culture as well as the variety of responses that appeared in South East European writings on the West The second section analyses the transitions that took place in representation during the 1990s Here contributors explore both the harsh denigration of the Balkans which came to dominate western discourse after the initial euphoria of 1989 and the emerging tradition of contesting Western balkanism in South East European cultural production Through this dual emphasis the volume exposes the representational practices that help to maintain a deeply divided Europe and challenges the economic and political injustices that result Despite the rise to prominence of postcolonial theory with its awareness of global inequality the current crises in many parts of South East Europe have received scant attention in literary and cultural studies The Balkans and the West addresses this deficiency Ranging in focus from Serbian cinema to Romanian travel literature from Western economic writings to Yugoslav fiction and from public discourse in Albania to NATO's vast propaganda machine the essays offer wide insight into representation and power in the contemporary European context

Economic Growth in the European Union Christos Nikas, 2020-08-29 This book studies the economic recovery of individual European Union member states more than ten years after the beginning of the global economic crisis In light of austerity policies and conservative government investments in many EU countries it explores how higher growth rates can be achieved by stimulating firms and economic sectors with a high accelerator potential The contributing authors analyze the effects of EU policies on small and medium sized enterprises SMEs while also studying EU policies with the potential to foster investments and economic growth Furthermore the book assesses the EU policy on foreign direct investment FDI in the member states in comparison with similar policies in Russia and the US The authors demonstrate that FDI besides providing financial resources can facilitate modernization especially in the high technology sectors Finally the book provides a sector analysis and policy recommendations on tourism and immigration as well as economic protectionism since tourism has proved to be the most dynamic sector especially in the European South while immigration is one of the most serious issues the EU is currently facing This book will appeal to scholars in economics and related fields as well as decision makers and professionals at governmental institutions looking for policy measures and tools to stimulate economic growth

Economic Change In The Balkan States: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Economic Change In The Balkan States : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Economic Change In The Balkan States : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
