Geography, Economics And Economic Geography Sher Singh Parmar, 2003-10-18

As a young man my fondest dream was to become a geographer However while working at the customs office I thought deeply about the matter and concluded it was far too difficult a subject I then turned to Physics as a substitute Albert Einstein great scientist is reported to have said in despair about Geography The present series aptly titled Geography Made Simple is our humble attempt at removing fear of Geography subject from minds of students by presenting books that are written in lucid simple and easy to understand language The present eBook in full colours caters to needs of students of as diverse a field as Economic Geography International Trade Management Economics Political Economy Commerce Industrial Geography Regional planning and development International Business Management Foreign Trade International Finance Trade and Transport Geography etc This evergreen book has stood the test of time since its first edition was published in October 2002 This book is recommended as a reference book by Geography teachers and used as a text book by undergrads and postgraduate students even today This second edition carries a Preface by Jaiprakash Jadhav Head of Geography Department Dr D Y Patil Arts Commerce Science College Pimpri in Pune India Praise for Geography Economics Economic Geography Sir I saw your book on the subject of commercial geography titled Geography Economics Economic Geography I am trying to get the information about the book on net but the website group MSN is closed could not do anything Am a student of PGDFT some of the topics included in the book are inserted in our curriculum and are part of our study material Could you please make this book available on internet Please I saw the book in college library where the copies of the same

book are limited and are already booked Am doing PGDFT post graduate diploma in foreign trade from Garware College Pune Thanks Sir Raghu Godbole student of Garware College Pune Hello Parmar Thanks for introducing the book of Economic Geography I got it from my friend I am modern college student of MA I am Ram Shripati Payal Miss Payal Ram Shripati student of Modern College Pune Hi there I just clicked on the website where your book will appear next month I will try to do it next month as I m teaching Economic Geography in the fall at CWU I haven t used a text in a couple of years because I didn t like any on the market Thanks for your help Ms Nancy Central Washington University Jaiprakash Jadhav Head of Geography Department Dr D Y Patil Arts Commerce Science College Pimpri had presented in 2003 a few hardcopies of this eBook to the members of national accreditation agency the National Assessment and Accreditation Council NAAC as the evidence of high quality of education at the College He later personally acknowledged before Sher Singh Parmar that outstanding quality of his book made NAAC give a higher credible rating to Geography Department Dr D Y Patil Arts Commerce Science College Noteworthy Features Possibly until the publication of the second edition of the book Geography Economics and Economic Geography by Sher Singh Parmar in October 2003 the Indian intelligentsia Indian and the world mass media had not attributed the liberalization of the Indian economy to the Balance of Payment Crisis that India had faced in the year 1991 It was possibly for the first time in the world that this second edition by Sher Singh Parmar correctly pointed out described and explained the balance of payment crisis faced by the Indian government in 1991 to be the main cause that had forced India into adopting the liberalization mode for the Indian economy The book contains for the first time many of the Economic terms jargons that have been rephrased paraphrased elaborated redefined repurposed to make these Economic terms inclusive better and more understandable For example see following definition of the term Trade included in this e book 10 2 BASIC CONCEPTS 1 TRADE Exchange of goods services or information The definition of TRADE given above by Sher Singh Parmar is more inclusive than the following definition of TRADE that had been given until then in numerous Standard Texts Books on subject of Economics TRADE Exchange of goods The book introduces altogether new fresh concepts called idealised perfectly balanced pentagonal model and realistic isostatically balanced amorphous model to understand economic landscapes Author applies these two economic models to real life situations past and present to successfully build his thesis that even a slight imbalance in economic landscapes at any level is sufficient enough to engineer political and other problems World peace may be achieved if the whole globe is developed into a perfectly balanced economic landscape He brings in new insight to understand and appreciate dignity of labour in light of these new concepts This new conceptual framework introduced by author definitely helps us understand and resolve present day problems in much better and peaceful ways The book introduces new concepts of Economic Liberalization Model Four Stages of Globalization model and Tricellular LPG model These models give us fresh incisive insight into vexing issues of Globalization Liberalization and Privatisation Worth mentioning also is author s creative description elaboration and explanation of factors of international trade and business

Economic Geography B. W. Hodder, Roger Lee, 2015-03-27 This book introduces the reader to the many lines of thought in the literature on economic geography and ties these various aspects together within the concept of the economy The book focusses on the dynamic and integrated nature of economies at different scales and levels of development Emphasis is laid on the processes at work within economies The authors discuss the concept of the economy helping both to clarify the nature of economic activity and to reveal the importance and sources of economic power as the underlying means of control in economies They also demonstrate that the operation of an economy and the distribution of economic power are critical influences on many other apparently non economic aspects of human existence

An Introduction to Economic Geography Danny MacKinnon, Andrew Cumbers, 2018-11-12 In the context of great economic turmoil and uncertainty the emergent conflict between continued globalisation and growing economic nationalism means that a geographical economic perspective has never been so important An Introduction to Economic Geography guides students through the key debates of this vibrant area exploring the range of ideas and approaches that invigorate the wider discipline This third edition includes new chapters on finance cities and the digital economy consumption and the environment Underpinned by the themes of globalisation uneven development and place the text conveys the diversity of contemporary economic geography and explores the social and spatial effects of global economic restructuring It combines a critical geographical perspective on the changing economic landscape with an appreciation of contemporary themes such as neoliberalism financialisation innovation and the growth of new technologies An Introduction to Economic Geography is an essential textbook for undergraduate students taking courses in Economic Geography Globalisation Studies and more broadly in Human Geography It will also be of much interest to those in Planning Business and Management Studies and Economics
