**Mass Housing Miles** Glendinning, 2021-03-25 Shortlisted for the Alice Davis Hitchcock Medallion 2021 The Society of Architectural Historians of Great Britain It will become the standard work on the subject Literary Review This major work provides the first comprehensive history of one of modernism s most defining and controversial architectural legacies the 20th century drive to provide homes for the people Vast programmes of mass housing high rise low rise state funded and built in the modernist style became a truly global phenomenon leaving a legacy which has suffered waves of disillusionment in the West but which is now seeing a dramatic 21st century renaissance in the booming crowded cities of East Asia Providing a global approach to the history of Modernist mass housing production this authoritative study combines architectural history with the broader social political cultural aspects of mass housing particularly the mass politics of power and state building throughout the 20th century Exploring the relationship between built form ideology and political intervention it shows how mass housing not only reflected the transnational ideals of the Modernist project but also became a central legitimizing pillar of nation states worldwide In a compelling narrative which likens the spread of mass housing to a Hundred Years War of successive campaigns and retreats it traces the history around the globe from Europe via the USA Soviet Union and a network of international outposts to its ultimate optimistic resurgence in China and the East where it asks Are we facing a new dawn for mass housing or another great housing failure in the making

**Community-Based Urban Development** Im Sik Cho, Blaž

Križnik,2016-12-04 The book compares different approaches to urban development in Singapore and Seoul over the past decades by focusing on community participation in the transformation of neighbourhoods and its impact on the built environment and communal life Singapore and Seoul are known for their rapid economic growth and urbanisation under a strong control of developmental state in the past However these cities are at a critical crossroads of societal transformation where participatory and community based urban development is gaining importance This new approach can be seen as a result of a changing relationship between the state and civil society where an emerging partnership between both aims to overcome the limitations of earlier urban development The book draws attention to the possibilities and challenges that these cities face while moving towards a more inclusive and socially sustainable post developmental urbanisation By applying a comparative perspective to understand the evolving urban paradigms in Singapore and Seoul this unique and timely book offers insights for scholars professionals and students interested in contemporary Asian urbanisation and its future trajectories

Misery beneath the Miracle in East Asia Arvid J. Lukauskas,Yumiko Shimabukuro,2024-12-15 Misery beneath the Miracle in East Asia challenges prevailing views of the East Asian economic miracle Existing scholarship has overlooked the severity persistence and harmful consequences of the social welfare crises affecting the region Arvid J Lukauskas and Yumiko Shimabukuro fill this gap and put a major asterisk on East Asia s economic record Combining big picture analysis abundant data a dynamic interdisciplinary framework and powerful human stories they shed light on the social ills that governments have failed to address adequately including low wages child abuse elderly poverty and substandard housing One of the major forces behind the multidimensional welfare crises is the region s productivist welfare strategy which prioritizes economic growth while abandoning a robust social safety net leaving the most vulnerable segments of society largely unprotected Misery beneath the Miracle in East Asia brings the region into debates over the dangers of seeking growth at all costs that are currently embroiling the United States and other advanced industrialized countries **The**
