Economically Active Population Employment Unemployment And Hours Of Work Household Surveys:

Economically Active Population, Employment, Unemployment and Hours of Work (household Surveys). ,1990

Economically Active Population, Employment, Unemployment and Hours of Work (household Surveys) ,2004

Statistical Sources and Methods: Economically active population, employment, unemployment and hours of work (household surveys) ,1984 **Surveys of Economically Active Population, Employment, Unemployment, and Underemployment** Ralf Hussmanns,Farhad Mehran,Vijaya Varmā,1990 This manual is based on the international standards adopted by the 13th International Conference of Labour Statisticians in October 1982 One of its main objectives is to explain the international concepts and definitions in more detail than in the 1982 conference resolution *Economically active population, employment, unemployment and hours of work (household surveys)* OIT. Organización Internacional del Trabajo,2004 **Women Workers** International Labour Office,1995 Produced from the LABORDOC database lists 953 English language publications technical reports working papers and other documents produced at ILO headquarters or in ILO field offices or prepared in connection with ILO programmes Statistical Sources for Social Research on Western Europe 1945-1995 Franz Rothenbacher,2013-11-11 The intention of this book is to give a picture of the complex material that has been published in the field of social and economic statistics in Western Europe Although there are many guides bibliographies and reference books on special topics of this broad theme a general overview has been missing With this book I hope to fill this gap The frame of reference is a scientific one enabling and facilitating comparative social research on Western Europe In some respect this book enlarges and updates the bibliography written by Peter Flora Quantitative Historical Sociology published in Current Sociology in 1975 In principle this guide is an annotated bibliography of the most important printed material in the field of official statistics The legitimacy of such an approach lies in the fact that even today printed statistics are the most important form of dissemination of statistical results although microcomputers CD ROMs and the Internet have changed this situation In any case a special section on statistical databases is included for every country describing the main databases of the statistical offices Furthermore the Internet address of each international or national statistical institute is provided in the introductory paragraph This enables the reader to get fast access to online databases and supplementary online information on statistics via the Internet *Key Indicators of the Labour Market* International Labour Office,2003 Key Indicators of the Labour Market KILM offers data for over 200 countries for the years 1980 and 1990 1995 and the latest available subsequent five years The KILM Interactive Software duplicates the printed publication but includes information for all years after 1980 as well as the basic statistics used to calculate the indicators presented in the book The software includes a mapping function for those who wish to visualize data geographically according to selected data characteristics back cover *Economically Active Population, Employment, Unemployment and Hours of Work (household Surveys)* ,2004 **Key Indicators of the Labour Market, 2001-2002** International Labour Office,2001-12-21

First Published in 2002 Routledge is an imprint of Taylor Francis an informa company *Key Indicators of the Labour Market 2001-2002* International Labour Organisation Staff,2002-06-30 The new edition of this acclaimed resource makes available in a single volume the most authoritative current and accessible statistics on the labor market Indicators encompass vital issues such as labor force participation employment unemployment educational attainment hours of work wages and earnings productivity labor costs poverty income distribution and more KILM 2001 2002 also features additional indicators and expands many others to reflect global shifts in employment and highlight policy concerns as well as a new chapter on gender issues derived from a review of the indicators themselves Also includes maps **Annuaire des statistiques du travail** International Labour Office,2006 **Labour Information** International Labour Office,1991 This reference book provides a core list of publications in the labour field covering both reference materials and selected ILO publications in English It covers employment training labour relations labour administration working conditions and environment social security promotion of equality and workers education Main Economic Indicators Comparative Methodological Analysis: Consumer and Producer Price Indices Volume 2002 Supplement 2 OECD,2002-09-03 This publication compares key aspects of statistical methodologies used by OECD member countries in the compilation of price indicators *Main Economic Indicators Comparative Methodological Analysis: Industry, Retail and Construction Indicators Volume 2002 Supplement 1* OECD,2002-03-25 This publication compares key aspects of statistical methodologies used by OECD Member countries in the compilation of industry retail and construction indicators *Gender Inequality in the Labour Market* Janet Siltanen,Jennifer Jarman,Robert Martin Blackburn,International Labour Office,1995 This user friendly manual which can be used as a self learning or as a teaching tool guides readers through all stages in producing data on occupational concentration and segregation It clarifies concepts and measures discusses quality and availability of information and reviews various methodological tools using well known statistical software packages It should be of interest to researchers and analysts of occupational data *Social Protection of Homeworkers* ,1991 **Report of the Director-General** International Labour Office,International Labour Organisation,1991 **The Measurement of Scientific and Technological Activities Measurement of Scientific and Technological Activities Manual on the Measurement of Human Resources Devoted to S&T - Canberra Manual** OECD,Statistical Office of the European Communities,1995-01-01 The Manual on the Measurement of Human Resources devoted to S T the Canberra Manual was issued in 1995 It was prepared in close co operation between the OECD and the DGXII Eurostat of the European Commission other OECD Directorates UNESCO and Home Work International Labour Office,1994
