Harold Ellens, 2012-05-03 For centuries scholars have been developing ways of studying the bible through exegesis historical critique literary critique form criticism and narrative analysis During the last half century new theoretical approaches have come to the fore Psychological Hermeneutics takes as its starting point the text itself and its context the dynamics of the human document created the person's who authored the text the original audience for which it was intended the subsequent audiences to which it spoke and the factors that were at play behind in and in front of the text The contributions to this volume examine the growth of Psychological Hermeneutics as a discipline within biblical

Understanding the Hebrew Bible John Barton, 2025-02-01 This is the latest in a series of volumes published about every twenty five years since 1924 surveying the current state of the academic study of the Old Testament more often called the Hebrew Bible in scholarly contexts It is written by leading members of the Society for Old Testament Study the professional organization for scholars in that field in the UK and Ireland but with international members too some of whom have contributed to the volume It provides academics students of the Bible clergy and rabbis and intelligent general readers with a snapshot of the main approaches and issues in the study of the Hebrew Bible since approximately the year 2000 There are chapters on specific biblical books in their ancient context grouped mainly by genre but also on methodological aspects of biblical studies today including interdisciplinary perspectives and contemporary questions such as the Bible in sociological theological historical archaeological literary and linguistic perspectives and the influence of concerns about gender race visual culture and psychology A particular recent interest is represented by a chapter on the reception history of the Hebrew Bible in the visual

arts music and literature including drama and film The concern throughout is to encapsulate contemporary currents in interpretation rather than to put forward the contributors personal views but also to suggest how biblical study may or should develop next in these areas As with previous volumes what is provided is a view of global scholarship as seen from these islands that will be useful to serious students of the Hebrew Bible throughout the world As well as describing their field the contributors also provide substantial bibliographies pointing readers to other modern discussions

Ezekiel: A Commentary Paul M. Joyce, 2009-09-18 This book addresses the historical critical agenda of Ezekiel and includes newer approaches and questions such as psychological issues and the notion that Ezekiel should be regarded as a character within the book

Schachar Orenstein Rabbi Spanish Portuguese Synagogue of Montreal Nothing seemed to predestine businessman Joseph Koukou to be immersed in the study of the biblical Scriptures Unjustly imprisoned for close to five years in the impregnable Iranian prison of Evin from which one rarely comes out alive he discovers inside him this faith that moves mountains which allows him to study and decode the Jewish Bible It is the spiritual food he shares with other prisoners seeing in their midst a light in the corridor of their despair Such a gift of compassion is only given to a man inhabited by an exceptional spirituality to a point of destabilizing judges and executioners solely by his countenance his serene voice and his composure in the darkest moments under the menace of imminent execution Joseph Koukou Orpheus charming the guardian dog of Hades A steadfast heart and soul that simply embraced his faith in the fate of Humankind The books third chapter runs a chill down the spine we plunge into the deaf terror of the politico religious apparatus of the Iranian regime one through which Sandrathe prisoners daughterweaves in and out of fearlessly armed solely with the determination and love of a 23 year old girl for her father Raphael Levy LHomme qui voulait changer le monde From a spiritual point of view all that time spent discussing the Bible with Mr Koukou helped in some way to have saved my soul It
