Egypt The Sudan

M. W. Daly

Egypt The Sudan:

The Egyptian Sûdân Sir Ernest Alfred Wallis Budge, 1907 *Egypt in the Sudan, 1820-1881* Richard Hill, 1959 **The Anglo-Egyptian Sudan** Egyptian Sudan, Lord Edward Gleichen, 1905 Imperial Sudan M. W. Daly, 2003-12-11 Imperial Sudan completes a study of the formative colonial period during which Britain and Egypt ruled the country The previous volume the acclaimed *Empire on the Nile* The Anglo Egyptian Sudan 1898 1934 appeared in 1986 The current book takes the narrative to independence in 1956 and thus with *Empire* constitutes the first comprehensive survey of the political and economic history of the Anglo Egyptian Sudan Dr Daly examines the structure of the colonial regime its role in Anglo Egyptian relations and the development of Sudanese nationalist politics during the inter war years He surveys economic and social developments including government finance and development policy transport and communications agricultural production and social services He reveals the Sudan s important role in the Second World War when the Sudan Defence Force held back Italian invasion The complicated path to self government and self determination which culminated in independence in 1956 is explained in great detail The book ends with the transfer of power and the author reflects on the legacy of the Condominium **Mahdiism and the Egyptian Sudan** Sir Francis Reginald Wingate, 1891 **Egypt and the Struggle for Power in Sudan** Rami Ginat, 2017-08-24 For decades the doctrine of the Unity of the Nile Valley united Egyptians of a variety of political and nationalist backgrounds Many Egyptians regarded Sudan as an integral part of their homeland and therefore battled to rid the entire Nile Valley of British imperialism and unite its inhabitants under the Egyptian crown Here Rami Ginat provides a vital and important revised account of the history of Egypt s colonialist struggle and their efforts to prove categorically that the Nile Valley constituted a single territorial unit These were clustered around several dominant theoretical layers history geography economy culture and ethnography This book for both Middle Eastern and African historians uses a mixture of Arabic and English sources to critically examine the central stages in the historical development of Egypt s doctrine concentrating on the defining decade 1943 1953 that first witnessed both the pinnacle of the doctrine s struggle and the subsequent shattering of a consensual nationalist dream **A Geography of Egypt and the Anglo-Egyptian Sudan** H. W. Mardon, 1906 *A Geography Of Egypt And The Anglo-egyptian Sudan* H. W. Mardon, 2023 **Empire on the Nile** M. W. Daly, 2004-01-29 Essential background for an understanding of the social and economic issues confronting the Sudan today *Mahdiism and the Egyptian Sudan* Francis R. Wingate, 1891 **Egypt and the Sûdân** Baedeker, Karl, 1914 The Practice of Mission in Egypt Tharwat Wahba, 2016-05-31 Most mission studies have focused on the work of Western missionaries going to Majority World countries with few examining indigenous churches and their relationship with Western mission agencies in practicing mission This book is a historical study of the relationship between the Evangelical Church in Egypt and the American Presbyterian Mission Wahba covers from when the missionary work began in 1854 until after the departure of the Mission from Egypt in 1967 and the transfer of all the work to the

Egyptian Evangelical Church Tracing the mission work of Egyptians within Egypt and neighbouring Sudan Wahba analyses the impact that the relationship with the American Mission had and how it determined the indigenous Church's practice and perspective of mission

The Grand Ethiopian Renaissance Dam and the Nile Basin Zeray Yihdego, Alistair Rieu-Clarke, Ana Elisa Cascão, 2017-10-31 The Grand Ethiopian Renaissance Dam GERD will not only be Africa's largest dam but it is also essential for future cooperation and development in the Nile River Basin and East African region This book after setting out basin level legal and policy successes and failures of managing and sharing Nile waters articulates the opportunities and challenges surrounding the GERD through multiple disciplinary lenses It sets out its possibilities as a basis for a new era of cooperation its regional and global implications the benefits of cooperation and coordination in dam filling and the need for participatory and transparent decision making By applying law political science and hydrology to sharing water resources in general and to large scale dam building filling and operating in particular it offers concrete qualitative and quantitative options that are essential to promote cooperation and coordination in utilising and preserving Nile waters The book incorporates the economic dimension and draws on recent developments including the signing of a legally binding contract by Egypt Ethiopia and Sudan to carry out an impact assessment study the possibility that the GERD might be partially operational very soon the completion of transmission lines from GERD to Addis Ababa and the announcement of Sudan to commence construction of transmission lines from GERD to its main cities The implications of these are assessed and lessons learned for transboundary water cooperation and conflict management

Library of Congress Subject Headings Library of Congress, 2011

Egypt's Diplomacy in War, Peace and Transition Nabil Fahmy, 2020-01-20 Written from the perspective of an insider of the most prominent events in the Middle East over the last fifty years this book examines Egypt's diplomacy in transformative times of war peace and transition The author offers unique insights first hand information singular documents critical and candid analysis as well as case studies richly sharing his experiences as the country's Foreign Minister and ambassador This project covers a wide range of issues including the Arab Israeli peace process the liberation of Kuwait the invasion of Iraq nuclear weapons proliferation in the region relations with the United States Russia and other major international and regional players Most importantly it offers a series of potential trajectories on the future of Egypt and its relations within the region and the world This is an essential work for a number of audiences including scholars graduate students researchers as well as policy makers and is strongly appealing for anyone who is interested in international relations and Middle Eastern politics

Global Security Watch—Egypt Denis J. Sullivan, Kimberly Jones, 2008-06-30 Despite the appearance of political and

military stability Egypt may be standing at the edge of a precipice as the state remains grounded in rigid authoritarianism while the population including a struggling civil society readies itself to make the leap to democratization This characterization has far reaching implications for relations between citizens and the government as well as Egypt s foreign affairs posture particularly in the Middle East State repression of civil political and religious actors the ineffectual provision of social services and two religious divides between Coptic Christianity and Islam on the one hand and secular and conservative Islamic traditions on the other make for an incendiary domestic environment The resulting over reliance on security services to quash dissent could result in a population more amenable to less democratic methods of regime change and or the development of stronger linkages between regional Islamist groups whether they be political militant or some combination thereof Global Security Watch Egypt explores the historical background that created the current realities in Egypt and examines the players and events influencing the nation today It concludes with a series of recommendations for the Egyptian political establishment and for the American government in the belief that meaningful political and policy changes in Egypt can lead to an improvement in human rights democracy justice stability and security for Egypt and an improved partnership between Egypt and the United States

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **Egypt The Sudan**

In some sort of inundated with screens and the cacophony of instantaneous conversation, the profound power and psychological resonance of verbal artistry frequently fade into obscurity, eclipsed by the regular barrage of noise and distractions. Yet, set within the musical pages of **Egypt The Sudan**, a captivating perform of literary splendor that pulses with natural emotions, lies an memorable journey waiting to be embarked upon. Published by way of a virtuoso wordsmith, that exciting opus guides visitors on a mental odyssey, lightly exposing the latent possible and profound impact stuck within the complicated internet of language. Within the heart-wrenching expanse of the evocative analysis, we shall embark upon an introspective exploration of the book is central subjects, dissect its captivating writing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
