a phrase used over one hundred times in the Bible describes God's greatness and transcendence. This complex theological concept exhibits several natural elements which describe a theophany, a personification of God in the forces of nature. Thus, a theophany, the appearance of God in a visible form, is the physical manifestation of the divine presence, most frequently associated with a storm. Of all the biblical accounts that illustrate the glory of the LORD, the narrative of Moses' encounter with God on Mount Sinai/Horeb contains nineteen of the twenty-one elements that reveal the glory of the LORD: mountains, sacred numbers, God's voice, people's/person's response, cloud, water, thunder, lightning, trumpet blast, smoke, fire, earthquake, terms of the event/covenant, sign, transformation, witnesses, altar, feast, meal, wind, light and darkness, jewels, precious stones, and dreams. Each element is examined closely using biblical texts that best illustrate it.
