Townies, Cronies and Hayseeds: One Woman's Struggle Against the Underbelly of Small-Town Politics Cherie White,2018-01-31 Shannon McGregor is a widowed mother of four children living just outside of Tucson Arizona and has the life others only dream of having She is a best selling author and can make a great living doing what she loves most writing novels Every area in her life is close to perfect her writing career could not be better she enjoys a closeness with her family and lots of friends who adore her However her life hasn't always been rosy Shannon is an adult survivor of vicious and relentless school bullying How had she risen above it By moving over a thousand miles away to Arizona to start a new life When her grandmother back in Thomasville Tennessee dies suddenly and Shannon inherits her estate she must return with her children to the home of her youth and make the necessary renovations to the house and sell the property before returning to Arizona However upon returning to the tiny town she learns that the very people who run the town are the same people whom had tormented her in school      **Catalog of Copyright Entries** ,1945      **The Music of Pavel Haas** Martin Čurda,2020-06-03 The Czech composer Pavel Haas 1899 1944 is commonly positioned in the history of twentieth century music as a representative of Leo Janáček's compositional school and as one of the Jewish composers imprisoned by the Nazis in the concentration camp of Terezín Theresienstadt However the nature of Janáček's influence remains largely unexplained and the focus on the context of the Holocaust tends to yield a one-sided view of Haas's oeuvre The existing scholarship offers limited insight into Haas's compositional idiom and does not sufficiently explain the composer's position with respect to broader aesthetic trends and artistic networks in inter-war Czechoslovakia and beyond This book is the first attempt to provide a comprehensive albeit necessarily selective discussion of Haas's music since the publication of Lubomír Peduzzi's life and work monograph in 1993 It provides the reader with an enhanced understanding of Haas's music through analytical and hermeneutical interpretation as well as cultural and aesthetic contextualisation and thus reveal the rich nuances of Haas's multi-faceted work which have not been sufficiently recognised so far      Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
