baby Why is she running away from her pack in such a condition Who is the father of her child Will David accept her as his mate Will he accept the baby growing inside her Or will they both end up rejected and alone Read the full story to know more Oh baby You have no idea how badly I want to take you up in my room and devour your beautiful body My hands stopped wiping the floor and my head instantly snapped up to my mate whose face is now buried in that girl's neck Their bodies were too close to my comfort What did he just say Did he just offer her to have s x Can't he see me standing here Am I that invisible to him that he is offering another girl to sleep with him right in front of me I felt a part of my heart breaking at his words I know I insisted him to not get physical with me until we make our relationship official but it doesn't mean he is allowed to do that with someone else I am still his mate no matter what position our relationship is in I can see their actions moving towards the direction of the bedroom and I have to stop them before they cross their limits But how Suddenly an idea came into my head I know this is going to earn me some harsh punishment but at least I will keep my mate out of that girl's body this way With this thought I picked up the bucket filled with dirty water and pretended to slip right in front of them pouring all the water right on top of that girl's head What the f ck You bi ch What did you do Ewe This is no nasty I have to take a shower right now I'm leaving But I will see you later for this My plan was a success She ran out of there as fast as she can to clean herself and there was finally a satisfied smile on my face in joy Mila Why did you do that I know you did that on purpose My smile vanished when I hear Ralph's angry voice for me I have something important to discuss with you Please meet me at the garden tonight I will be waiting Saying this I started cleaning the excess water of the floor by myself I wanted to talk to him right now but we can't afford to get caught So I offered him to meet me later He didn't say anything further and went to his room angrily Oh goddess Why did I get such a mate who doesn't understand me

Phipps,2009-12-01 The study of the New South has in

recent decades been greatly enriched by research into gender reshaping our understanding of the struggle for woman suffrage the conflicted nature of race and class in the South the complex story of politics and the role of family and motherhood in black and white society This book brings together nine essays that examine the importance of gender race and culture in the New South offering a rich and varied analysis of the multifaceted role of gender in the lives of black and white southerners in the troubled decades of the late nineteenth and early twentieth centuries Ranging widely from conservative activism by white women in 1920s Georgia to political involvement by black women in 1950s Memphis many of these essays focus on southern women s increasing public activities and high profile images in the twentieth century They tell how women shouldered responsibilities for local national and international interests but just as nineteenth century women s status could be at risk from too much public presence women of the New South stepped gingerly into the public arena taking care to work within what they considered their current gender limitations The authors both established and up and coming scholars take on subjects that reflect wide ranging sophisticated and diverse scholarship on black and white women in the New South They include the efforts of female Home Demonstration Agents to defeat debilitating diseases in rural Florida and the increasing participation of women in historic preservation at Monticello They also reflect unique personal stories as diverse as lobbyist Kathryn Dunaway s efforts to defeat the Equal Rights Amendment in Georgia and Susan Smith s depiction by the national media as a racist southerner during coverage of her children s deaths Taken together these nine essays contribute to the picture of women increasing their movement into political and economic life while all too often still maintaining their gendered place as determined by society Their rich insights provide new ways to consider the meaning and role of gender in the post Civil War South
