Taylor,2013-02 Second Edition I decided to re publish my Poetry Book as I wasn't happy with the layout of the First Edition The poems that were in the First Edition are in here with additional poems not previously published This book represents my sense of humour and the romantic in me I apologise in advance if it offends anyone it is not my intention There are swear words and references to sex but it is mostly just humour and there to be enjoyed Any similar reference to anyone is purely coincidental Enjoy *Of Time, Passion, and Knowledge* Julius Thomas Fraser,1990-04 Only a wayfarer born under unruly stars would attempt to put into practice in our epoch of proliferating knowledge the Heraclitean dictum that men who love wisdom must be inquirers into very many things indeed Thus begins this remarkable interdisciplinary study of time by a master of the subject And while developing a theory of time as conflict J T Fraser does offer many things indeed an enormous range of ideas about matter life death evolution and value **World Transformation** Jawara D. King D. D.,2006-10-24 Human unconsciousness which is identification with thought activity human emotions and the thinking mind is the only source of ALL the evil on planet Earth All evil is the result of humanity living in darkness not knowing who they are in their essence beyond their earthly names and physical forms which causesthem to identify with the world of materiality The only solution to the darkness of humanity is the light of consciousness which is disidentification from egoic mind structures going with the flow of life instead of fighting against it acceptance of what is and surrendered action As we continue to transform individually the entire world is transformed because in essence we are all ONE Each ONE affects the whole causing World Transformation through the concept of ONENESS by way of the ONE spiritual energetic force that moves through ALL beings All organized religions were created by men to condition the masses to think in a certain way or to point beyond religious belief structures to the Infinite the formless consciousness we call God Accepting organized religion as the absolute truth instead of relative truth is the foundation for division and the destruction of the planet Without the transformation of human consciousness humans will destroy themselves each other and the planet and are already doing so If humanity continues to blindly believe the media organized religion and all the conditioning tools of the powerful ruling Elite who run the world without doing their own research they will be destroyed through lack of knowledge World Transformation A Guide To Personal Growth And Consciousness is a transformative book that discusses over 110 life changing topics to help spiritual seekers in their journeys in consciousness Learn to be the awareness that is aware of and doesn't become all that you observe World Transformation begins one person at a time As you change the whole world changes because you are a part of the ONE Consciousness Gandhi said be the change you want to see in the world As you follow his advice you become a positive force in the world One of the most important books of this generation One of the most profound spiritual books ever written Humanity will destroy themselves if they continue to blindly believe and follow the media politicians and organized religion which are all used by the ruling Elite to control the masses Most humans don't know what's going on because they allow entertainment the media and other brainwashing tools to control their thinking Mark Twain said in religion and politics

people's beliefs and convictions are in almost every case gotten at second hand and without examination from authorities who have not themselves examined the questions at issue but have taken them at second hand from other non examiners whose opinions about them were not worth a brass farthing Social religious and other forms of conditioning control the minds of humanity and will destroy them if they continue to accept ideals without analyzation It is a fact that none of the major religious figures of organized religion actually existed Their historicity is an unverifiable opinion Daniel Patrick Moynihan said everyone is entitled to their own opinion but not their own facts The existence of all the Saviour Gods are questionable Humanity only believes in them because of religious conditioning Humanity as a whole has lost their identity in the world of materiality also known as the world of form or the world of things To identify with something means to mistake a person place or thing for who you are the I AM before I AM a teacher lawyer doctor student etc Humans have confused millions of forms for their identity Your invisible indestructible eternal divine essence is consciousness Common false identities humans mistake for who they are in essence are their jobs cars degrees attractive spouse belief systems relationships knowledge physical appearance education clothes jewelry family history brand names social status special ability thoughts residence awards and achievements race religious or political affiliations sports music and MILLIONS of other things in the external world Hello World I am Jawara D King the writer of writers and the light at the end of the tunnel There is NOT ONE human being alive that will not benefit from reading my book Thankyou Ask questions or speak with Jawara King at jawaraking yahoo com

Midwest Futures Phil Christman, 2020-04-07 A combination of history memoir reportage and lit crit that taught me a lot about a region I've reported on Check it out James Fallows The Atlantic A Commonweal Notable Book of 2020 Finalist Midwest Independent Book Award Winner Independent Publisher Awards Bronze Medal What does the future hold for the Midwest A vast stretch of fertile farmland bordering one of the largest concentrations of fresh water in the world the Midwestern US seems ideally situated for the coming challenges of climate change But it also sits at the epicenter of a massive economic collapse that many of its citizens are still struggling to

overcome The question of what the Midwest is and what it will become is nothing new As Phil Christman writes in this idiosyncratic new book ambiguity might be the region s defining characteristic Taking a cue from Jefferson s grid the famous rectangular survey of the Old Northwest Territory that turned everything from Ohio to Wisconsin into square mile lots Christman breaks his exploration of Midwestern identity past and present into thirty six brief interconnected essays The result is a sometimes sardonic often uproarious and consistently thought provoking look at a misunderstood place and the people who call it home

The Pleiadian House of Initiation Mary T. Beben,2014-08-16 A step by step tour through our spiritual home in the Pleiades Recounts the author s spiritual trials to reach the highest levels of her soul s celestial mansion and her encounters with immortal wisdom teachers such as White Buffalo Woman Taliesin Mother Mary and Grandmother Spider Includes lessons to help jettison fear and jealousy so we can continue our ascension to higher consciousness Offers a prophetic glimpse into the future of life on Earth how our planet is the key to conscious evolution and humanity s divine role as Keepers of Earth Inviting each of us to discover our spiritual home in the higher realms Mary Beben provides a visionary tour of the celestial mansion of her family in the Pleiades a home she inhabited prior to this incarnation on Earth She explains how transitioning into materiality causes each of us to forget our starry origins yet it is still possible to remember our Pleiadian heritage and divine reasons for choosing to manifest on Earth Beben details her initiatic journey as she rediscovered the beautiful rooms on each floor of her Pleiadian house and learned to ascend to higher consciousness while remaining lovingly rooted in the Earth She recounts her trials to reach the higher levels of the building and her encounters with immortal wisdomkeepers such as White Buffalo Woman Taliesin Mother Mary and Grandmother Spider Embedded throughout her story are lessons to help each of us jettison psychological baggage like fear and jealousy so we can continue our ascension and fulfill our Pleiadian birthright Beben explains how her journey offers a prophetic glimpse into the future of life on Earth as well as the key to opening the heart to the higher realms of existence She shows how ascension will not mean departing Earth but will place our Earthen reality in perspective and help solve problems that seem insurmountable from this dimension In rediscovering the celestial origins of our souls we recognize not only the Earth as the key to conscious evolution but also our role as the Keepers of Earth the planet celebrated throughout the universe on which each of us is fortunate to have chosen incarnation
