The Fyre Mirror Karen Harper, 2006-02-07 Working to establish her image through a series of carefully censored portraits the young queen Elizabeth I finds her efforts thwarted by a pyromaniac who would destroy both her life and the kingdom

The Detective as Historian Ray Browne, Lawrence Kreiser, 2009-03-26 Deeper understanding of history is enhanced by encasing it in art and interest Crime fiction is one of the widest and most rapidly growing forms of literature Historical crime fiction serves effectively the double purpose of entertaining while it teaches The truth of the narrative account the editors of this volume believe is dependent on the understanding of human nature reflected in the author who writes the narrative Historical crime fiction the editors of this volume write has an obligation and a golden opportunity It must bring the past up to the present through the device of timeless crime and it must take the reader into the world about which is being written so that the characters are alive and the events interesting and challenging Professional writers of fiction need to be more effective than mere authors of dates and assumed motivations Therefore they can fill in human motivations and drives where no records exist and can aid the professional historians in what historian David Thelen calls the challenge of history which is to recover the past and interpret it for the present The essays in this volume accept the challenge and make major accomplishments for meeting it

Authorizing Early Modern European Women James Fitzmaurice, Naomi Miller, Sara Jayne Steen, 2025-10-01 The essays in this volume analyze strategies adopted by contemporary novelists playwrights screenwriters and biographers interested in bringing the stories of early modern women to modern audiences It also pays attention to the historical women creators themselves who be they saints or midwives visual artists or poets and playwrights stand out for their roles as active practitioners of their own arts and for their accomplishments as creators Whether they delivered infants or governed as monarchs or produced embroideries letters paintings or poems their visions the authors argue have endured across the centuries As the title of the volume suggests the essays gathered here participate in a wider conversation about the relation between biography historical fiction and the growing field of biofiction that is contemporary fictionalizations of historical figures and explore the complicated interconnections between celebrating early modern women and perpetuating popular stereotypes about them

Painting Women Patricia Phillippy, 2020-03-03 This original analysis of the representation and self representation of women in literature and visual arts revolves around multiple early modern senses of painting the creation of visual art in the form of paint on canvas and the use of cosmetics to paint women s bodies Situating her study in sixteenth and seventeenth century Italy France and England Patricia Phillippy brings together three distinct actors women who paint themselves with cosmetics women who paint on canvas and women and men who paint women either with pigment or with words Phillippy asserts that early modern attitudes toward painting cosmetics and poetry emerge from and respond to a common cultural history Materially she connects those who created images of women with pigment to those who applied cosmetics to their own

bodies through similar mediums tools techniques and exposure to toxic materials Discursively she illuminates historical and social issues such as gender and morality with the nexus of painting painted women and women painters Teasing out the intricate relationships between these activities as carried out by women and their visual and literary representation by women and by men Phillippy aims to reveal the delineation and transgression of women s creative roles both artistic and biological In Painting Women Phillippy provides a cross disciplinary study of women as objects and agents of painting

The Queene's Christmas Karen Harper,2004-11-02 A lavish Yuletide celebration at the palace is marred when one of the queen s kitchen staff is found dead With foul play afoot in her court Elizabeth does her royal utmost to track down the killer while striving to salvage Christmas Martin s Press

The Queene's Christmas Ms. Karen Harper,2007-04-01 Elizabethan England comes alive in all its pomp and pageantry deadly intrigue and scandal and fine feasting in Karen Harper s acclaimed mystery series featuring the young queen Elizabeth Tudor as amateur sleuth An old English Yule has never been merrier or more mysterious A New Year s celebration has never looked more joyous but been so potentially deadly Fearing the Twelve Days of Christmas of 1564 may be the last for her ailing elderly friend Lady Kat Ashley Queen Elizabeth decrees a nostalgic old fashioned holiday Delicious dishes for the table holly and ivy caroling wassailing mumming and a Lord of Misrule to oversee it all are in the recipe for the revels But one of the queen s kitchen staff is found as dead as the ornate peacock he was preparing for the feast As more murders threaten customs kingdom and Christmas Elizabeth and her diverse band of Privy Plot Counselors try desperately to solve the increasingly bizarre crimes When the Thames freezes over and Londoners take to the ice for an elaborate Frost Fair Elizabeth of England must outfox the diabolical demon who would kill not only the spirit of Christmas but the queen

The Last Boleyn Karen Harper,2006-02-28 She survived her own innocence and the treachery of Europe s royal courts The Last Boleyn is the story of the rise and fall of the Boleyns one of England s most powerful families through the eyes of the eldest daughter Mary Although her sister Anne the queen her brother George executed alongside Anne and her father Thomas are most remembered by history Mary was the Boleyn who set into motion the chain of events that brought about the family s meteoric rise to power as well as the one who managed to escape their equally remarkable fall Sent away to France at an extraordinarily young age Mary is quickly plunged into the dangerous world of court politics where everything is beautiful but deceptive and everyone she meets is watching and quietly manipulating the events and people around them As she grows into a woman Mary must navigate both the dangerous waters ruled by two kings and the powerful will of her own family in order to find a place for herself and the love she so deeply desires

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not

share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

The Fyre Mirror Ms. Karen Harper, 2006-02-07 Smitten with spring fever Elizabeth Tudor escapes London for fantastical Nonsuch Palace in the sweet Surrey countryside There she hopes to relax and pose for the official royal portrait for which she is holding a competition But one of her artists is burned to death and portraits of the queen are going up in flames When she hears that her rival the dangerous Mary Queen of Scots has been peering in mirrors and announcing I see the next queen of England Elizabeth summons her Privy Plot Council Has the arsonist been sent by foreign foes or is it someone in her own court Or is the running boy apparition really a ghost out to avenge a terrible past tragedy caused by the Tudors Time is running out because the enemy who stalks the queen means to destroy not only her portraits and artists but her very life

Mistress Shakespeare Karen S. Harper, 2009 Her engagement to William Shakespeare broken by his forced marriage to a pregnant Anne Hathaway of Shottery Anne Whateley pursues a clandestine and dangerous affair with the bard that is further complicated by Elizabeth I's campaign to eradicate Catholicism 40 000 first printing
