CAROLE LOMBARD was the very opposite of the typical 1930s starlet. A no nonsense woman she worked hard, took no prisoners and had a great passion for life. As a result she became Hollywood's highest paid star. From the outside Carole's life was one of great glamour and fun yet privately she endured much heartache. As a child she was moved across the country away from her beloved father. She then began a film career only to have it cut short after a devastating car accident. After she picked herself back up she was rocked by the accidental shooting of her lover, a failed marriage to actor William Powell and the sorrow of infertility during her marriage to Hollywood's King, Clark Gable. **Carole Lombard** Robert

Matzen, 1988-08-16 Carole Lombard was among the most commercially successful and admired film personalities in Hollywood in the 1930s. Carole Lombard includes a biography which brings to life this vivacious unconventional woman who showed fortitude in the face of personal hardships such as the automobile accident that scarred her face at age eighteen. The bibliography that follows is comprehensive in scope, the most ambitious to date. It contains citations for anonymous and attributed magazine articles, books and films. Full text reprints of a revealing interview for Motion Picture magazine and her only published article provide interesting views of Lombard. The never before published Civil Aeronautics Board investigative report of the airplane crash in which she died, fifteen previously unpublished photographs and detailed examination of many articles, biographies and film history books that deal with some aspect of her life and/or career make this bio bibliography an excellent resource. **I'll Have What She's Having** Daniel M. Kimmel, 2008-08-01

While film genres go in and out of style the romantic comedy endures from year to year and generation to generation. Endlessly adaptable the romantic comedy form has thrived since the invention of film as a medium of entertainment touching on universal predicaments meeting for the first time the battle of the sexes and the bumpy course of true love. These films celebrate lovers who play and improvise together no matter how nutty or at what great odds they may appear. As Eugene Pallette mutters in *My Man Godfrey* 1936: "All you need to start an asylum is an empty room and the right kind of people." Daniel Kimmel's book about romantic comedy is like watching a truly funny movie with a knowledgeable friend. *Clark Gable* Warren G. Harris, 2010-09-01

Clark Gable arrived in Hollywood after a rough and tumble youth and his breezy, big boned everyman persona quickly made him the town's king. He was a gambler among gamblers, a heavy drinker in the days when everyone drank seemingly all the time and a lover to legions of the most attractive women in the most glamorous business in the world including the great love of his life, Carole Lombard. In this well researched and revealing biography Warren G. Harris gives an exceptionally acute portrait of one of the most memorable actors in the history of motion pictures whose intimates included such legends as Marilyn Monroe, Joan Crawford, Loretta Young, David O. Selznick, Jean Harlow, Judy Garland, Lana Turner, Spencer Tracy and Grace Kelly as well as a vivid sense of the glamour and excess of mid century Hollywood. Clark Gable David Bret, 2008-10-22

From the acclaimed author of *Joan Crawford* comes a riveting and uncensored biography of Clark Gable. The archetypal male of his era, Gable was named King of Hollywood in 1938. But as David Bret reveals the star was not quite who he seemed. One of Gable's best kept

secrets was his bisexuality Bret recounts Gable's failed marriages to women who turned a blind eye toward his affairs with actors Earl Larimore and Rod La Rocque among other men Bret also reveals how a pseudo scandalous paternity suit and the actor's wartime accomplishments were no more than elaborate publicity stunts created by studio chief Louis B Mayer in order to exaggerate Gable's masculinity and heroism in the public eye With passion and accuracy Bret uncovers the truth behind one of Hollywood's biggest stars
