## **Gabo Djara:**

**Gabo Djara** B. Wongar, 2023-05-01 During the 1950s and 1960s the British devastated the lands and the tribes of the Australian aborigines through the extensive mining of uranium and through secret nuclear tests B Wongar uses these shocking historical events as the starting point for this powerful novel about the destruction of a people and a culture According to myth Gabo Djara an immense green ant and the spiritual ancestor of local tribes created the aboriginal land and the pattern of human life there Then he retreated to the spirit world But if the land were disturbed he would rise again monstrous to harass the intruders And so he does in this satiric and scathing allegory which pits culture against culture Gabo Djara returns following the nuclear and mining devastations He infiltrates the reigning circles of white man's society and creates havoc in politics and government industry and the church Although he is pursued relentlessly he is never captured Finally he succeeds in his quest for regeneration and the restoration of aboriginal ways Gabo Djara is the third book in B Wongar's highly acclaimed nuclear trilogy *Walg* and *Karan* the first and second books are also available and the trilogy has since been extended with the addition of a prequel *Manhunt* and two further books *Raki* and *Didjeridu* Charmer

Australian Voices Ray Willbanks, 2014-05-02 Contemporary Australian fiction is attracting a world audience particularly in the United States where a growing readership eagerly awaits new works In *Australian Voices* Ray Willbanks goes beyond the books to their authors using sixteen interviews to reveal the state of fiction writing in Australia what nags from the past what engages the imagination for the future Willbanks engages the writers in lively discussions of their own work as well as topics of collective interest such as the past including convict times the nature of the land the treatment of Aborigines national identity and national flaws Australian British antipathy sexuality and feminism drama and film writing publishing and criticism in Australia and the continuous and pervasive influence of the United States on Australia The interviews in *Australian Voices* are gossipy often funny and always informative as Willbanks builds a structured conversation that reveals biography personality and significant insight into the works of each writer They will be important for both scholars and the reading public

*Encyclopedia of Post-Colonial Literatures in English* Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide

Hiroshima and Here Monash University, 2020-09-02 This study provides a cultural history of Nuclear Age Australia The author examines the country's role as a weapons testing site its ambition to join the postwar nuclear club of nations the heated controversies surrounding

uranium mining and nuclear power and the rich complexity of Australian cultural response to the fact and possibility of atomic destruction

In Search of the Never-Never Ann McGrath, 2019-04-09 Mickey Dewar made a profound contribution to the history of the Northern Territory which she performed across many genres She produced high quality memorable and multi sensory histories including the Cyclone Tracy exhibition at the Museum and Art Gallery of the Northern Territory and the reinterpretation of Fannie Bay Gaol Informed by a great love of books her passion for history was infectious As well as offering three original chapters that appraise her work this edited volume republishes her first book In Search of the Never-Never In Dewar's comprehensive and incisive appraisal of the literature of the Northern Territory she provides brilliant often amusing insights into the ever changing representations of a region that has featured so large in the Australian popular imagination

**Speaking Volumes** Ray Willbanks, 1992 The author an American academic presents the results of his interviews with 16 prominent Australian contemporary writers including Patrick White Thea Astley and Peter Carey He discusses with them themes such as national identity American and English influences literary criticism and sexuality First published in 1991 by the University of Texas Press

**The Stepmother Tongue** John Skinner, 1998-09-18 There are numerous twentieth century writers in English who are not technically native speakers of the language and whose relation to it is ambivalent problematic or even hostile by a simple kinship analogy one may often speak of the stepmother tongue Whilst fully aware of the current debates in postcolonial theory John Skinner is also conscious of its sometimes unhelpful complexities and contradictions The focus of this study is thus firmly on the fictional practice of the writers discussed He offers the reader an insight into the diversity and rewards of contemporary anglophone fiction whilst analysing some eighty individual texts A uniquely comprehensive guide the book will be welcomed by students and teachers of postcolonial literature

States of Emergency Patrick M. Brantlinger, 2013-09-25 In his latest book Patrick Brantlinger probes the state of contemporary America Brantlinger takes aim at neoliberal economists the Tea Party movement gun culture immigration waste value surplus people the war on terror technological determinism and globalization An invigorating return to classic cultural studies with its concern for social justice and challenges to economic orthodoxy States of Emergency is a delightful mix of journalism satire and theory that addresses many of the most pressing issues of our time

Last Stop Before Antarctica Roland Boer, 2008 While biblical scholars increasingly use insights from postcolonial theory to interpret the Bible the Bible itself is often neglected by postcolonial criticism with the result that there is little influence in the other direction from the Bible to postcolonial criticism This second edition of Last Stop before Antarctica begins to repair the imbalance by pointing to the vital role that the Bible played in colonization using Australia one of the first centers of postcolonial criticism as a specific example Drawing upon colonial literature including explorer journals poetry novels and translations it creates a mutually enlightening dialogue between postcolonial literature and biblical texts on themes such as exodus and exile translation identity and home

Where Fiction Ends Therese-Marie Meyer, 2006

**Raki B. Wongar**, 2023-05-01 Raki is the

Australian Aboriginal generic word for rope the unifying metaphor of Wongar's novel representing the conquered or bound state of oppressed people From the confines of an outback Australian prison cell to war torn Serbia Raki invokes a powerful story of enchantment and struggle the struggle to uphold traditions and nurture memory and joyous fortitude in the face of human devastation Drawing on tragic similarities between the forced separation of Aboriginal children from their tribal families and the decimation of his Serbian native land B Wongar has written an epic surprisingly optimistic novel And the unifying symbol is raki the rope which fuses the historical facts linking the Serbian and Aboriginal cultures to time immemorial But raki is also the yoke of servitude the rope which snaps with the shock of genocide but which ultimately binds people together with love

*Where the Wild Books Are* Jim Dwyer, 2010-04-01 As interest in environmental issues grows many writers of fiction have embraced themes that explore the connections between humans and the natural world Ecologically themed fiction ranges from profound philosophical meditations to action packed entertainments Where the Wild Books Are offers an overview of nearly 2 000 works of nature oriented fiction The author includes a discussion of the precursors and history of the genre and of its expansion since the 1970s He also considers its forms and themes as well as the subgenres into which it has evolved such as speculative fiction ecofiction animal stories mysteries ecofeminist novels cautionary tales and others A brief summary and critical commentary of each title is included Dwyer's scope is broad and covers fiction by Native American writers as well as ecofiction from writers around the world Far more than a mere listing of books Where the Wild Books Are is a lively introduction to a vast universe of engaging provocative writing It can be used to develop book collections or curricula It also serves as an introduction to one of the most fertile areas of contemporary fiction presenting books that will offer enjoyable reading and new insights into the vexing environmental questions of our time

**Cultural Studies** John Frow, Meaghan Morris, 1993 Cultural studies has emerged as a major force in the analysis of cultural  
 systems and their relation to social power Rather than being interested in television or architecture or pinball machines  
 themselves as industrial or aesthetic structures cultural studies tends to be interested in the way such apparatuses work as  
 points of concentration of social meaning as media literally according to John Frow and Meaghan Morris Here two of  
 Australia's leading cultural critics bring together work that represents a distinctive national tradition moving between high  
 theory and detailed readings of localized cultural practices Ethnographic audience research cultural policy studies popular  
 consumption bad aboriginal art landscape in feature films style form and history in TV miniseries and the intersections of  
 tourism with history and memory these are among the topics addressed in a landmark volume that cuts across myriad  
 traditional disciplines     The New Diversity Ken Gelder, Paul Salzman, 1989 Comprehensive analysis of Australian fiction of

the 1970s and 1980s includes chapter entitled Aboriginality pp 205 242 discussing the retelling of Aboriginal myths the use of Aboriginal English contact narratives and identity within the context of Aboriginal writing
