Gabriel Letters:

The Gabriel Letters Richard V. Shriver, 2006-09-28 I stumbled on the idea of writing letters from an archangel advising a young guardian in an introduction to C S Lewis Screwtape Letters I wanted to find a way of looking at our human problems from a divine perspective It has been a marvelous experience of standing back and imagining that I can see the world through angel eyes It is an impossible task of course but the amazing result for me has been a sense of objectivity and good will The intended purpose of the letters is to take seriously the idea of God's complete love This idea is the center of Christianity It is Jesus message and it is St Paul's good news We live in an age when institutions of religion are taking a beating from the media from popular fiction in books and cinema from those who proclaim cheap or distorted theology and from our obsessive desire for wealth power and material things The idea of an ideal church is still our hope a community of people gathered out of a love of God and a concern for each other to serve their community and their world These letters offer advice in creating such an ideal church

The Return of Gabriel Richard V. Shriver, 2005-11-03 This collection of letters is a continuation of my earlier collection The Gabriel Letters I stumbled on the idea of writing imagined letters from an archangel advising a young guardian while reading an introduction to C S Lewis Screwtape Letters It has been a marvelous way perhaps delusional of standing back and imagining that I can see the world through angel eyes The amazing result for me has been a sense of objectivity and good will The intended purpose of the letters is to apply to all things the idea of God's complete love self sacrificing eternal parent like love This idea is the center of Christianity It is Jesus message and it is St Paul's good news If we desire to be Christian we should begin it seems to me by attempting to apply Jesus teachings to all things to our behavior to our human relationships especially family to our work and our business dealings to the way we run our churches and to the way we study the scriptures If we take Jesus seriously we must reevaluate much of the Bible the parts which are not specifically the teachings of Jesus Jesus Himself questioned much of the scriptures These letters cover a variety of subjects many of them Biblical Some Biblical passages need correction in light of Jesus ideas Some Biblical passages are so marvelous that we need to lift them to the sky and shout Look at this Some Biblical passages are confusing and we need to wrestle with them But in all we should be trying to see them through Jesus eyes To see through Jesus eyes is I suspect what the true Gabriel wants and it is the intent of this book Richard V Shriver

for themselves **Victorian Ethical Optics** Natalie Prizel, 2024-05-09 Victorian Ethical Optics asks how artists and authors in the Victorian period answer the ethical question of how one should live with others by turning to a more specific one how should one look at others Looking would seem to necessarily lead to interpretation and judgment but this book shows how Victorian artists and authors imagined other ethical and optical relations In an era in which aberrant deformed and disabled bodies proliferated particularly those bodies ravaged by industrial labor and poverty the ideological and economic stakes of looking at such bodies peaked moreover as work became a gospel and the question of deservingness became central looking at aberrant bodies was always a matter of ethics and politics The aesthetic thinking of John Ruskin animates the visual ethics at the center of this book as he advocates for innocence of the eye which calls for a return to infantile sight of a kind that precedes judgment or classification Although Ruskin understands such innocence to be an asymptote optical innocence remains an ethical demand and it is to this demand that this book attends Among the authors and artists included are Charles Dickens George Eliot Wilkie Collins Henry Mayhew Ford Madox Brown John Everett Millais and other members of the Pre Raphaelite Brotherhood Encounters between normative and aberrant characters or figures within a text or visual object shape the encounter that the external reader or viewer has with those same aberrant bodies The category of the aberrant draws on ideas from queer and disability studies but makes a case for a broader understanding of strange bodies in this book aberrant bodies are those whose visible forms lead to a breakdown in cognition a breakdown that makes space for the innocent eye to move In thinking about such bodies this book introduces the term extranormative to explain the complex and often complicit relationship these figures exemplify in relation to a surprisingly expansive Victorian norm Thinking in terms of extranormativity as an essential feature of Victorian life disrupts tired notions of the period as one in which a narrow definition of bourgeois normativity took hold Writing the Pre-Raphaelites Tim Barringer, 2017-07-05 This vibrant collection of essays claims that a complex network of texts by critics biographers and diarists established the credibility and influence of the Pre Raphaelite movement Throughout the twentieth century Modernist taste failed to acknowledge the achievement of oppositional groupings such as the Pre Raphaelites The essays collected here however reveal that the British group anticipated later avant gardes by using the written word to configure for itself a radical artistic identity Public and critics alike were scandalized by the radicalism of Pre Raphaelite painting its unflinching portrayal of historical figures and of contemporary life and its irreverent attitude to artistic convention Pre Raphaelitism's innovations were not confined to style new forms of artistic identity and behaviour were explored As the contributors interrogate the texts through which Pre Raphaelitism was constructed they demonstrate that the movement's wide influence as a cultural phenomenon derived from the interplay between exhibited works and critical discourse Applying a range of sophisticated methodologies from the fields of literary studies art history and cultural studies these interdisciplinary essays uncover the neglected role of texts in the success of the Pre Raphaelite rebellion and argue in favor of a new centrality for this movement in the history of nineteenth

century European culture *Foreign Exchange* Judith Liu, 2011-03-28 *Foreign Exchange* Counterculture behind the Walls of St Hilda's School for Girls 1929-1937 is the story of Yeh Yuanshuang and Dorothea Kingsley Wakeman and their experiences at the American missionary school. Founded in 1875, the school that would become St Hilda's School for Girls was intended to provide a strong Christian education for its students. Daily student-teacher interactions, however, created an environment that allowed for a foreign exchange which led to the creation of a new culture that subverted both American and Chinese gender constructs. The walls that surrounded the St Hilda's compound not only served to protect the school from outside danger but to also create a space where new gender expectations could be nurtured away from the gaze of prying eyes. Thus the American teachers as well as the Chinese students were acculturated and socialized in ways that liberated them from their respective patriarchal situations. For Dorothea, serving as a teacher allowed her to remain single yet still be engaged in a professional career that would not be as socially stigmatizing as it would be if she remained at home. As a teacher at St Hilda's, not only was she educating a future generation of Chinese women but as an independent woman who served in an important position, she was an example for the girls at St Hilda's of what women could do when given an education. For Yuanshuang, her education provided her with the means to aspire to roles outside the culturally prescribed positions as daughter, wife, and mother by giving her the intellectual tools that enabled her to find work as a teacher at the start of the War of Resistance against the Japanese. Her involvement in school activities developed self-reliance, independence, and leadership skills that served her both in China and eventually in the United States. Her education socialized her to American values and customs so that when she arrived in the United States, she was able to adapt readily. Yuanshuang and Dorothea's stories also reveal the impact of the modern world on their parents' generation. Dramatic changes in both the United States and China provided cracks in the patriarchal walls of their respective countries, and the book discusses the responses by their respective families to these changes. Judith Liu weaves together interviews of not only Yuanshuang and Dorothea but also of St Hilda's teachers and students, never-before-published letters Dorothea wrote to her parents, and extensive archival research to tell their stories as well as the history of St Hilda's. This book will be of interest to not only scholars in Asian Studies, history, religious studies, gender studies, and those who teach ethnographic research methods but also to any reader who wishes to know more about China and the United States during that period of time.

Report, 1879 Calendar of House of Lords Manuscripts [1450-1678] Great Britain. Parliament. House of Lords, 1872 Mark Twain's Own Autobiography Mark Twain, 2010-02-25 Mark Twain's *Own Autobiography* stands as the last of Twain's great yarns. Here he tells his story in his own way, freely expressing his joys and sorrows, his affections and hatreds, his rages and reverence, ending as always tongue-in-cheek. Now then, that is the tale. Some of it is true. More than the story of a literary career, this memoir is anchored in the writer's relation to his family, what they meant to him as a husband, father, and artist. It also brims with many of Twain's best comic anecdotes about his rambunctious boyhood in Hannibal, his misadventures in the Nevada territory, his

notorious Whittier birthday speech his travels abroad and more Twain published twenty five Chapters from My Autobiography in the North American Review in 1906 and 1907 I intend that this autobiography shall be read and admired a good many centuries because of its form and method whereby the past and the present are constantly brought face to face resulting in contrasts which newly fire up the interest all along like contact of flint with steel For this second edition Michael Kiskis s introduction references a wealth of critical work done on Twain since 1990 He also adds a discussion of literary domesticity locating the autobiography within the history of Twain s literary work and within Twain s own understanding and experience of domestic concerns *Report Großbritannien* Commission on Historical Manuscripts,1872 *Report 1-* Royal commission on historical manuscripts,1872
