How to Build an Enduring Marriage Karen Budzinski,2014-07-29 I want to invite you to take a journey with me while we study and apply ourselves to live out our priorities It is a journey designed to leave excuses behind as we apply ourselves to an extreme relationship workout We are going to lift the ideals we have settled for in our relationships to new standards set aside pre conceived ideas commit to develop and apply new skills and take a look at some of the priorities we have unintentionally allowed to slacken As we dedicate ourselves to these tasks results will follow This book will give you the tools to enjoy marathon relationships Avoid common obstacles that hinder successful communication Identify destructive habits that are eating away at marital happiness Prepare to get through problems without danger or injury to your relationship Achieve true intimacy love and

friendship with your husband Hold onto joy through the ups and downs of life together Your marriage cannot work unless you do

Built to Win Leslie Heywood, Shari L. Dworkin, Annotation The sculpted speed of Marion Jones The grit and agility of Mia Hamm The slam dunk style of Lisa Leslie The skill and finesse of these sports figures are widely admired no longer causing the puzzlement and discomfort directed toward earlier generations of athletic women *Built to Win* explores this relatively recent phenomenon the confident empowered female athletes found everywhere in American popular culture Leslie Heywood and Shari L Dworkin examine the role of female athletes through interviews with elementary and high school age girls and boys careful readings of ad campaigns by Nike Reebok and others discussions of movies like *Fight Club* and *Girlfight* and explorations of their own sports experiences They ask what if any dissonance is there between popular images and the actual experiences of these athletes Do these images really redefine femininity and contribute to a greater inclusion of all women in sport Are sexualized images of these women damaging their quest to be taken seriously Do they inspire young boys to respect and admire female athletes and will this ultimately make a difference in the ways gender and power are constructed and perceived Proposing a paradigm shift from second to third wave feminism Heywood and Dworkin argue that in the years since the passage of Title IX gender stereotypes have been destabilized in profound ways and they assert that female athletes and their imagery are doing important cultural work to that end Important refreshing and engrossing *Built to Win* examines sport in all its complexity

Level Playing Field for All? Leanne Doherty, 2011-07-16 What makes a candidate viable in the eyes of the voters What makes someone qualified to run for office Why do voters tend to opt for certain types of people and not others How much are such tendencies rooted in broad characteristics racial or ethnic group gender etc versus more idiosyncratic traits those tied to respective candidates presentation of self Whatever the broader issues it is clear that to date women when compared to men have faced greater obstacles to being seen as viable candidates for elected office *A Level Playing Field for All* examines candidates use of sports in election campaigns as a way to understand broader issues of candidate viability and in particular the hurdles that women must overcome to achieve political office This book reveals the extent to which athletic participation has become a social eligibility factor in the success of candidates for elected office Doherty examines the role participation in athletics played for women looking to run for office She goes on to appraise the ways in which potential cutbacks and already limited opportunities for women in sports might further affect their opportunities to attain viable candidate status

Sport, Culture and Advertising Steven J. Jackson, David L. Andrews, 2004-11-10 Despite the range of theoretical and methodological positions adopted and the wide range of issues and topics related to advertising covered by cultural studies relationships between sport and advertising have been largely overlooked Given its global popularity and its prevalence across the spectrum of cultural and commercial life it is not surprising that scholars interrogating the cultural politics of sport have begun to recognise advertising as an important site for the analysis of power relations cultural politics and cultural representation *Sport Culture and Advertising* presents a first

step towards understanding the relationship between advertising and identity with a focus on sport The book will be useful for scholars across a range of disciplines and will be of interest to students looking for a more critical examination of the commercial realm of sport
